This new way works wonders on cloudy teeth

Modern science, by perfecting a new way of combating the stubborn film that covers teeth, now opens the road to whiter teeth, safely.

That cloudy teeth, yellowish, discolored teeth can be made whiter is now an accepted fact. Foremost dentists of the world are widely urging this new method. You can have cleaner, prettier teeth if you will start today.

This is accomplished by combating a viscous film that covers teeth. A stubborn, hard to remove film that old type dentifrices do not fight successfully.

Rub your tongue across your teeth and you can feel this film. Under it are the clear, attractive teeth you envy in others. Combat it, and your teeth become many shades whiter—more glistening. This offers you a 10-day tube free. Mail the coupon.

LEAVE FOR WOODS

Parties from the province of Quebec and State of Maine have recently been around this city, hiring men for the lumber woods, as a result, a number of young men left here on Friday and Saturday for these parts.—H.

HICKOX-WALLACE

The following wedding is copied from the Somerville, Mass. Journal.—The marriage of Miss Mildred Mae Wallace and Frederick Hickox, both of this city took place last week Wednesday evening at the home of the bride's parents, Mr. and Mrs. Frederick Wallace, 15 Whitman St., Somerville. The bride was given away by her father, and the couple were married standing under a white wedding bell, by Rev. Robert L. Barber, pastor of the Clarendon Hill Church. The bride was gowned in white satin and her tulle veil was held in place by a wreath of orange blossoms. She carried a shower bouquet of bride roses and lilies of the valley. The bridesmaid, Miss Ethel Sawyer, wore shrimp-colored crepe de chine and carried a bouquet of tea roses. The groom, Mr. Mark Hopkins, was in pink taffeta, trimmed with blue ribbons, and carried red roses in a silver basket. Mr. Mark Hopkins was best man. Frances Hickox, niece of the groom, and Helen and Ruth Wallace, sisters of the bride, held the ribbons for the bridal procession. During the reception the couple were assisted by the bride's parents. Over one hundred guests were present and the bride was remembered with many costly gifts. Ushers were Raymond and Herbert Wallace, brothers of the bride. Mr. and Mrs. Hickox left on a trip to the White Mountains, and they will reside on Cleveland St., Somerville. The groom was formerly of Prince Edward Island and is a son of Mr. and Mrs. Frank Hickox of Springfield.

IN MEMORIAM

MRS AENEAS WHALEN

The death of Mrs. Aeneas Whalen, occurred Sunday, Nov. 2nd, at her home Kildare Lot 3, after a lingering illness of two years. She was 35 years of age, the daughter of the late Thomas E. Whalen, of Fortune Cove.

Mrs. Whalen, underwent several painful operations in Prince George hospital, also in her home. During her long illness, she was frequently visited by many relatives and sympathetic friends, who bore witness to her great fortitude. Her sufferings made her long to die, when God willed it, tenderly watched on by her devoted husband and daughter. She passed away, Sunday evening All Souls day to her eternal reward. Besides her sorrowing husband, she leaves two mourning. Three daughters and two sons, Belle, Mary, and Edna. The sons are Alphonso and Peter, also two brothers and two sisters, John K. Hogan Fortune Cove, Superior, an Hogan, of Los Angeles, Cal, and Mrs. Ben Smith Cal and Mrs. Wilfred McKinnon, Alberta.

Her funeral took place, Tuesday, Nov. 4th, to Sacred Heart Church, Alberton, where after the funeral masses, her body was laid to rest in the adjoining cemetery. The services at the grave, were conducted by Rev. Dr. Campbell, who visited her frequently during her last illness. The pall-bearers were: Jerome Gillis, Frank Whalen, Ernest Wade, Austin O'Brien, Peter Cahell, Herman Cahell.

May her soul rest in peace.

GOOD NEWS FOR BRONCHITIS SUFFERERS!

Deep-Seated Chest Troubles Yield to PEPS.

BRONCHITIS lays hold of the chest in a slow insidious way. Do not, therefore, neglect to take prompt measures to counteract the first symptoms of this ravaging ailment—the first difficulty in breathing, the occasional made-up feeling in the throat with its accumulations of phlegm. Be warned by that irritating cough and those frequently-returning colds.

Get a box of Peps, the well-known breathing remedy. After removing the silver wrapping place a Peps tablet on the tongue and breathe in the healing fumes as the tablet dissolves.

Peps are simply invaluable for allaying that teasing, tickling cough; for softening and loosening the phlegm, and soothing the irritated and semi-inflamed bronchial tubes. Every day as you breathe in the powerful germicidal fumes which are emitted from these Peps, a healing influence is extended deep into the lungs where liquid cough mixtures cannot penetrate.

The regular use of Peps at bedtime will ensure healthy slumber undisturbed by bouts of coughing. By day, the treatment should be continued on the assurance that the throat, bronchi and lungs are all being healed and strengthened by this medicine.

Peps are guaranteed to be absolutely free from opium, laudanum, chloral, morphia and any harmful ingredients of the old-fashioned cough medicines.

Dr. GORDON STABLES, M.D., C.M., writes:—"Fear every little cold. Keep Peps handy and you will ride triumphantly clear of bronchitis. Peps are invaluable for soothing and healing semi-inflamed bronchial tubes. Peps tablets are more of an inhalation, and go directly to the seat of injury."

Whilst PEPS are an expensive remedy to produce the demand has become so great that it is now being found possible to have the price reduced from 50c. to 25c. Get a box to-day! All druggists.
