AMONG 1000 representatives of the International Correspondence Schools, Cranston J. P. McCloskey, City, got fourth prize for enrolling students in February.

W. LLOYD LODGE M. A., passed through the city today en route to his home in Charlottetown from Montreal. Mr Lodge is senior demonstrator in chemistry at McGill University. - St John Globe.

At a meeting of the congregation of St. James last night a very successful canvas was reported by the committee with regard to the new manse. It was decided to proceed with the work at once and a building committee composed of the following was appointed, A. Lord, W. K. Rogers, G. E. Auld, W. S. Stewart, Col. Stewart, A. A. Bartlett, W. A. Stewart.

THE outward cargo of the Stanley yesterday was 51 hogs, 9 bbls pork, 21 quarters beef, 44 cases eggs, 32 pkgs old junk. The Minto had inward 3 cars government hay, 2 cars hay for dealers, 2 cars English goods, 6 cars way freight, 37 passengers and 73 bags mail.

THE annual City Reports will be issued in about a week or ten days time. The copy was furnished the printers about six weeks ago and the delay has been owing to government and other printing.

THE Lake of the Woods Milling Company report a decline of 20 cents in the price of flour. Five Roses, which was retailing at \$6.30, is now \$6.00, and Star flour, formerly \$6.50, can now be purchased at \$6.30. Job lots sell 25 cents cheaper in each case.

At a marine examination held on Monday the 10th instant, by Capt. Cameron, examiner of Masters and Mates, John Hubley, Southport, was granted a Master's certificate of competency in the coasting trade. Capt. Hubley was prepared at the Charlottetown Business College.

C. J. MITCHELL last evening received from L. E. Gillespie, Parrsboro a telegram announcing that coal had been struck in the mine in which he is interested near Parrsboro and there are excellent prospects. Mr Gillespie is well known here and is married to a daughter of Timothy Carroll, city.

MARK WRIGHT Furnishing Co., have been in luck in receiving their consignment of go-carts and baby carriages which arrived by the last steamer at Georgetown. This line of goods which is handled exclusively by this firm are illustrated in their advertisement on the 6th page of this issue. See their exhibit on the ground floor.

J. H. STODDART, the well-known actor who has been appearing in Canada in the Bonnie Brier Bush, and who is seriously ill at Galt, Ont., had intended spending the coming summer with his friend Chas. Coughlan at Souris, P. E. I. While it is earnestly hoped that Mr. Stoddart may recover, his age bordering on eighty, makes it probable that he has appeared for the last time on the stage.

C. D. JOHNS, D. S. C. R., of the Independent Order of Foresters, Toronto, Ont., arrived in the Province Saturday, April 1st, and expects to remain six months and visit every Court in the Province. While in Georgetown he secured 31 initiations. Mr. Johns will be in Charlottetown for three weeks and will be pleased to meet members of the Order or those who desire to become such, at the Queen Hotel.

IN FURNITURE
"Always the best value in the city at Mark Wright Furnishing Co's."

"One of the best dramas of today is 'Kings Evidence', you cannot afford missing it at the Opera House, Easter Monday night. 1244

MISS BLANCHE COFFIN, Mount Stewart, leaves shortly for Western Canada.

THE swing span for Hillsboro bridge is now at Pictou awaiting transportation.

LEO BLAKE has sold his Provider mare to W. S. McKie for shipment to Boston.

M. J. HANEY's men are repairing the scows hauled up at the northern approach of the bridge.

MESSRS. BROWN and Kent, Grand Manan, came to Georgetown to open a smoke house for curing herring.

SLEIGHS were being hauled by hand half way across the Hillsboro yesterday and by horse the remainder.

BRUCE STEWART & Co. have completed plumbing on the Consolidated School and the painters have begun work.

It is probable that the Princess will leave next Monday for Pictou. She will probably get out before the winter steamers get in as in past years.

COMMENCING next Saturday the winter steamers will make round trips each day to Pictou leaving at 8:45 o'clock in the morning. There will be no crossing next Sunday.

A TAILOR from Charlottetown, P. E. I., who has been soliciting orders for goods around the collieries for a number of years, was fined \$10 and costs at the police court on Saturday for not having a license. So far he has not taken out the license. - Glace Bay Gazette.

IN the window of Prowse Bros is a show card, "Spring Opening," the lettering of which attracts much favorable comment. The card is the work of Wm. F. King, a city student of the International Correspondence Schools, Cranston, who will supply a large amount of similar lettering to the firm.

SPECIAL attention is directed to C. E. Rodd's ad in this issue. He has associated with him Wm. Bradley who is a first-class collar maker, having been in the employ of R. Toombs for the past fifteen years. Mr. Rodd's stock of traces, pads, cart saddles and breechings, light drawing harness, sweat pads and everything else in his line is entirely complete.

"BUT mercy is above this scripted way, It is enthroned in the hearts of kings, It is an attribute to God Himself, And earthly power doth then show likest God's, When mercy seasons justice."

Hear Portia's attempt to influence the obstinate Shylock at the P. W. C. concert this evening.

AMONG those arriving by the Minto yesterday were D. Schurman from St. John; Miss Elira O'Neill, Vernon River, from Baltimore on a visit to her mother who is ill; Miss Holman of Union Road, sister of Mrs. James and Mrs. Isaac Essory and John and Charles Holman from India, where she has been engaged in mission work for four years, under the auspices of the Methodist Church of the United States.

A CORRESPONDENT in Clinton writes The Guardian: "We have had a very poor mail service this winter, sometimes four and five days between mails, while the office west of us has been getting its mail almost daily. We asked for a daily mail some months ago and our representatives told us they would do all in their power for us. Why don't we get it?" - The words "in Charlottetown" appeared yesterday in error for "in Clinton."

THE first freight car on the P. E. I. Railway to be fitted with the Master Car Builders Self Coupler provided with tandem springs is being now fitted up at the Railway shops. The intention is to have all the freight cars on the road furnished with the powerful automatic coupler which is now being used on almost all the Railways on the Continent, and precludes the possibility of accident to the operator when coupling cars supplied with this device.

The following telegram was sent to the Minister of Marine and Fisheries yesterday forenoon:

Hon. Raymond Prefontaine, Minister of Marine, Ottawa:

Please order Minto to Charlottetown, ice conditions favorable. Captain of Stanley says can make round trips Pictou to Georgetown with hay, mails, passengers. Order same.

Arthur Peters, Premier, George E. Hughes, M. E. C., James Warburton, M. L. A.

L. O. F.—A very enjoyable social was held in Castle Hall last night under the auspices of Comp. Court Brighton. The program given was as follows:—
