BEDEQUE NEWS—Mrs. Wm. Tucker, who has been ill for some weeks is not improving. As she is in her 86th year, little hopes are entertained for her recovery. John Henry Burns, Summerside, and William Burns, Freetown, are sons of hers. The revival meetings began three weeks in the Baptist Church will be continued in the Methodist Church this week. Much good is being done especially among the young people.—The regular meeting of Court Minnewawa I.O. Foresters on Saturday evening, 22nd inst., was of more than usual interest. A liberal sum was voted to the Orphan's Home at Forester's Island, and Fred W. Davidson who with his family leaves for Western Canada the first of May, was taken by surprise when he was presented with a gold-headed cane, suitably engraved. The presentation was made on behalf of the members by L. U. Fowler, High Secretary. This Court of Foresters is in a prosperous condition having 69 members in good standing having only lost in the 18 years of their existence seven members by death and lapse.—Miss George Carruthers, Charlottetown, spent Easter Sunday with her grandmother, Mrs. Callbeck, Central Bedoune.—Lemuel Ackland, Teacher, Mount Stowe School, has returned to his home at Hampshire for Easter holidays. He has proved himself to be an excellent teacher and the rate-payers of Central Bedoune are determined if at all possible to retain him for the ensuing school year.—A few more warm days and work upon the farms will begin here.—Plothing was done at Lower Freetown on the 21st.—The Dunk River Creamery will re-open on May 1st. The old butter maker, Jesse Schurman has been engaged.

Kidney health is guaranteed to every user of Dr. Hamilton's Pills. Get a 25c. box from your druggist, and refuse substitutes.

MOUNT VERNON, Ohio, April 24.—The body of Miss Miranda Bricker, aged 55 years, who had been criminally assaulted and strangled to death, was found this morning in the rear of the Fairchild home, where she had been employed as housemaid. There were evidences of a terrible struggle on the part of the woman, who had been dragged 500 feet from the place where she was first attacked. Bloodhounds have been sent to trail the murderer, if possible.

VALUABLE ADVICE TO MOTHERS.
If your child comes in from play coughing or showing evidences of Grippe, Sore Throat, or sickness of any kind, get out your bottle of Nerviline. Rub the chest and neck with Nerviline and give internal doses of ten drops of Nerviline in sweetened water every two hours. This will prevent any serious trouble. No liniment or pain reliever equals Polson's Nerviline, which has been the great family remedy in Canada for the last fifty years. Try a 25c. bottle of Nerviline.

OUR MILLINERY OPENING!
has been a complete success, and we feel satisfied that each and everyone of the many ladies who attended, appreciated our efforts to give them something unusually nice in the millinery line. Many flattering expressions were heard on all sides, which will only serve to stimulate us to still greater exertions, if possible, to make this the most up-to-date Millinery Headquarters in the Province.
Besides the unprecedentedly large number of hats sold, in both the ready-to-wear and trimmed dress hats, our milliner has been fairly deluged with orders, which will keep her, and her willing assistants working over time, so that it would be as well for ladies wishing to have a hat completed at a certain date to leave their order some time in advance.
Besides the millinery our spring jackets which just came to hand a few days ago, our new waists, our shirt waist suits, our silks and dress goods came in for a large share of attention—and justly so as they are really prettier than anything that "has been."
Come in any day now we are prepared for the largest spring trade in the history of the store.

CARTERS' EVERGREEN LAWN GRASS SEED
(choice)
To quickly secure a permanent rich green grassy carpet, sow our Evergreen Mixture. It is the purest, cleanest and heaviest Lawn Grass Seed offered. No weed seed. A beautiful lawn can be had in six or eight weeks by sowing this mixture. Quantity required per acre (4 840 square yards) 80 lbs.; or for a plot 20x20 feet, 1 lb. Per lb. 25c; postpaid 30c; 10 lbs. \$2.20, postpaid \$2.70.
Our Lawn Grass Seed is American grown. The different grasses composing the Mixture are imported separately and blended in the proportions and after the formula of a celebrated American Lawn Mower.
On nearly all lawns there are unsightly bare spots under the shade of trees, which have baffled all efforts to get into grass, but with this mixture there need be no further difficulty. It is a combination of fine, dwarf-growing, evergreen varieties, hardy, and will stand a long season of dry weather. The ground for a new lawn should be a rich mellow soil, perfectly free from weeds. Sow the Seed as early in the Spring as possible, roll the ground perfectly level; the grass should be cut often, and never allowed to attain a length of over three inches.
