STOMACH TROUBLES.

A disordered stomach may cause no end of trouble. When the stomach fails to perform its functions the bowels become deranged, the liver and kidneys congested, causing numerous diseases, the most fatal of which are painless and therefore the more to be dreaded. The important thing is to restore the stomach and liver to a healthy condition, and for this purpose no better preparation can be used than **Chamberlain's Stomach and Liver Tablets**. SOME FACTS.
 In November 1898 some five years ago we placed our **Perfected Emulsion of Cod Liver Oil** with **Hypophosphites of lime, soda and Calcium** on the market. Then we sold some three dozen. Last year we sold over three gross. It is a well known fact that germ life causes nearly all sicknesses. That is where our **Emulsion** is better than all others, it contains **Guaiacol** so fatal to germ life.
 The merits of this article have become known—for general debility, long standing coughs, ineffectual consumption etc., etc. For croup in children there is nothing like it. Ask any medical man, he will tell you it is a good article. Notwithstanding the advanced price of oil we are still selling this at the old figure price 40c per bottle. Made and sold only by **A. W. Reddin, Ph. B., The Square Druggists, Summerside** 9 d 31
