

NO MORE WAR

Swords will be beaten into plough shares later on; but our farmers do not need to wait till the "Peace Conference" is over, before buying their plough shares, as they can do so at once, by calling at the Masonic Temple Store, where any share, or other plough extras can be had for less money, and better than any imported. Prove this at once, by trying them.

FERTILIZER FACTS!

The value of all Fertilizers consist in the amount of soluble Phos. Acid, Nitrogen, and Potash they contain, and the brand which shows the greatest amount in these is the one to buy, on the same principle that milk testing 4 per cent. butter fat is more valuable than 3 per cent milk. ENGLISH MANURES costing the same price, contain 20 per cent. to 25 per cent. of Phos. Acid, Nitrogen and Potash than any other complete Fertilizer on the market.

Or in other words the Plant Food contained in a ton of other Fertilizer costing, say \$35, can be purchased from us for about \$28. All Fertilizers are sold under a guaranteed analysis enabling any who may, to verify the above, and the superior quality of these Manures is being shown by actual test year after year by the really wonderful results produced wherever

WORSE THAN YELLOW FEVER.
Kidney Disease Man's Deadliest Foe, Dodd's Kidney Pills its Only Cure.

Toronto, May 15—"Yellow fever and small pox combined, do not kill as many people as Kidney Disease does." was the assertion of a prominent Toronto physician, recently.

The assertion is fully borne out by facts, and were it not that there is a means of checking and curing Kidney disease the number of its victims would be trebled.

But the use of Dodd's Kidney Pills keeps the death-rate from this complaint, quite low compared to its former height. If Dodd's Kidney Pills were used in every case of Kidney Disease, there would be no deaths from it.

Dyspepsia, Tyrant of Body and Soul.

The Disease of the Day and How to Cure It

Dyspepsia though Widespread is being Slowly Stamped Out by Dodd's Dyspepsia Tablets. They Form the Only Immediate Relief and are the Only Radical Cure.

No disease is more common than Dyspepsia.

It exists in more or less severe form in nearly every man, woman and child you meet.

How many people do you know who never have a Headache?

How many people do you know who never had Bilious attack?

How many people are there who were never rendered miserable by Heartburn, Sour Stomach, foul Breath, or Waterbrash?

Have you any idea of the extent of Catarrh of the Stomach in this country? Indigestion—Dyspepsia—That's what

all those symptoms mean.

It may be the case of Headache and Biliousness only temporary, but it is very miserable while it lasts.

It may mean even in those symptoms if they are frequent, that the lining of your stomach is out of order, which is Dyspepsia.

In the case of Catarrh of the Stomach it means that permanent inflammation has secured a lodgement there.

But it all comes up to the same thing—Dyspepsia.

The stomach fails to secrete the juices which digest the food.

The food ferments and makes the inflammation worse.

The blood lacks nourishment gained from food, and cannot repair the stomach.

And so it goes in a circle, and the sufferer gets worse all the time.

Dodd's Dyspepsia Tablets digest the food.

They give the stomach a holiday. They keep the blood fed. The blood repairs the stomach. The stomach recuperates and finally starts work again strong as ever.

Dodd's Dyspepsia Tablets are fifty cents a box. All druggists sell them.
