Bobby Jones Led Big Field At Scioto

COLUMBUS, Ohio, July 12.—Bobby Jones, of Atlanta, tonight is possessor of every supreme golf title in the world, an honor never before won by any golfer, by winning the national championship.

At Scioto Club with a score of 293, he annexed his latest title before a record crowd of 6,500, most of whom followed the sturdy southerner through his final 36 holes yesterday.

Good as Jones' score was for the gruelling Scioto links, he was only one stroke ahead of Joe Turnesa, of New York, who had finished ahead of Jones with 294. To overcome this score, Jones shot one under par on the last nine and finished amidst a din of applause with a birdie four on the 48th yard home hole.

Thrilling Contest
After Jones had topped Turnesa while all the other likely contenders were still afield, the final stages of the tourney resolved itself into a thrilling contest to determine whether any one of these stars could overhaul the man who, as it proved, had the title already tucked away with the other trophies he has garnered since he first sprang into the limelight of gold-dom by qualifying in the national amateur at Philadelphia in 1916 when only 14 years old.

Among those who tried to beat Bobby on the last round was an amateur, Chick Evans, who in that year 1916, won the unique distinction of capturing the national open and amateur titles in the same year, and set a record score of 286 for the open. But Chick failed by several strokes, for he took a 79 for the last round and totalled 302.

Melhorn Falls
Another who was a possible winner during this race was Bill Melhorn of Chicago, who led the field the first day with a record 66 to Jones' 76 and again led the second day with 143 while Bobby had 150 by virtue of a 79 on the second round. But Melhorn fell off Saturday, taking 76 in the morning and 79 in the afternoon for a total of 297 which tied him for third place. Melhorn lost on the last night as he was even with Jones up to the home stretch.

Mickey O'Neill

The aggressive Boston Braves catcher is said to have the best throwing arm in baseball since Lou Criger. Mickey had 108 assists to his credit last season which would tend to support the claim as to the deadliness of his arm.

City League Baseball

At the Abegweit grounds this evening at 6 o'clock the Anchors and Rovers will again clash for the second time in the third game of the second section of the City Baseball League.

The Anchors are very anxious to get this game and keep on even footing with their old rivals the Stars, as they intend to get into the play off for the City League Baseball Championship, so are therefore going to play the game in airtight fashion from the start.

The Rovers have not forgotten being nosed out in the last set by the Anchors and will play heads-up ball in order to redeem themselves.

The fans of both sections are banking on their teams to come through with a win so that there should be no question about the brand of ball turned out.

The Anchors' battery with their team behind them had a nice work out last evening and are all ready to go.

Connors has been doing splendid work on the mound for the Rovers and only for a couple of weak spots in the support would have had a different story to tell in the last couple of games but these weak spots have been overcome and the team is right on their toes to bring the Anchors into camp.
