## Potato Marketing Situation Is Probed

### MARKETING BILL IN COMMITTEE STAGE

#### Members Greet New Legislation With Approval

Expected To Aid Agricultural And  
Fishery Industries. Farm Credits  
Bill Passes Committee Stage.

The Legislature yesterday gave committee reading to two bills of great importance to the agricultural and fishery industries of the Province. The principal bill, which is entitled "An Act respecting the Marketing of Natural Products," was read clause by clause but was left in committee for further consideration, though it is likely that it will pass without amendment, as both parties are in agreement as to the principles it embodies, and the necessity of its enactment.

#### Prime Minister Addresses Ont. Convention

(C.P. By Guardian's Special Wire)  
TORONTO, April 3.—Those of you who, like myself, think nothing is so bad that it might be worse are on the lookout for brighter days. Premier R. B. Bennett told delegates to the public school department of the Ontario Educational Association which opened its annual convention here today. The Premier slipped into different meetings of the convention a few minutes before they concluded their afternoon session.
