INDIGESTION AND HEADACHE

MR. DUNGAN McPHERSON, content, A. I. writes: "I was for many years troubled with indigestion and headache, and derived no relief from the many remedies I used. A friend advised the use of Dr. Chase's Kidney-Liver Pills, and after taking four boxes, the result is that I am once more in the full enjoyment of the blessings of good health."

PERMANENCE OF CURE.

The Chief Merit.

Many so called pile remedies will afford the user slight temporary relief, and the majority of sufferers do not expect more than this. Women especially, after having tried every preparation recommended for the cure of Piles, have come to the conclusion, that there is no cure except by an operation.

We invite the attention of all such to the experience of the lady whose address is given below. "I feel it my duty to recommend the Pyramid Pile Cure, for after suffering ten years with a most distressing form of Piles, I am entirely cured, thanks to this remedy."

Ten months later she writes "I am glad to say that I am still perfectly free from Piles, and have not had the slightest trouble since I first used your remedy. I am well known in Cleveland and have advertised Pyramid Pile Cure extensively here. I take pleasure in doing so as it saved me from an operation, which I always dreaded, and you are assured the remedy can have no firmer advocate than I."

Testimony like this should convince the most skeptical, that Pyramid Pile Cure not only cures, but cures to stay cured. It is in the form of a suppository, can be applied in the privacy of the home, directly to the parts affected, and does its work quickly and painlessly.

Druggists sell this famous remedy for fifty cents a package, and we urge all sufferers to buy a package now and give it a trial tonight. Accept no Substitutes. Write Pyramid Drug Co., Marshall, Mich. for their little book on the cause and cure of Piles, which is sent free for the asking.

IT MAY BE GOLD

WINDSOR, Oct. 31.—Patrick Major, a farmer, is exhibiting some yellow metal which he discovered on his farm. He believes it is gold and will send it to the government assayer at Ottawa. Oil and gas have been discovered near the farm. Mr. Major was boring for either of these products and struck a hard vein of gravel in which was the glittering metal.

A WONDERFUL TONIC AND STRENGTHENING

Said a druggist to-day, "No doubt about it, the tonic that gives best results is the biggest seller, and that is Ferrozone. It enriches and purifies the blood, restores strength and energy to the feeble, and is a scientific restorative that was always popular in Chlorosis, Anæmia, Tiredness, Languor, Brain Fizz, Indigestion and Dyspepsia. Its action is prompt, and satisfactory cures always follow. Yes, I recommend Ferrozone to my customers because I believe it is the best tonic and strengthening medicine that money can buy. Large boxes cost 50c."

H S NOT SLEPT IN A CHAIR SINCE

Dodd's Kidney Pills Cured Mrs. James Kinsella.

She Sends a Message of Hope to Other Suffering Women in Canada.

ST. MALACHIE, Que. Nov. 2.—(Special.)—To those women who suffer in silence—and there are thousands in Canada—Mrs. James Kinsella of this place sends a message that tells of a cure as silent as their suffering. As the result of her own experience Mrs. Kinsella says, "Take Dodd's Kidney Pills." "When I sent for Dodd's Kidney Pills," Mrs. Kinsella says in relating that experience, "I had a pain in my right hip and in the small of the back. I was swollen all down the right side of the abdomen and had to pass water every fifteen minutes in a burning, itching sort of way. I could not sleep at nights and was obliged to sit in a chair for two summers. "After taking the first box of Dodd's Kidney Pills I felt much better so I got more. They have done me a world of good and I have never slept in a chair since." There can be no Female Weakness where there are sound Kidneys. Dodd's Kidney Pills make sound Kidneys.

ELEVATOR COLLAPSED.

BUFFALO, N. Y., October 31.—From some cause which cannot be explained, the Ontario elevator collapsed yesterday, and sank into the water of the Evans slip. The elevator contained about 370,000 bushels of barley. The loss on the grain and the building, is estimated at \$200,000. The elevator superintendent was seriously injured.
