those two weeks, while others plead work as an excuse for non-attendance. Whatever the reason is, the result is the same, some children attend while others are at home, classes must be started and as a consequence several lessons in the various subjects are gone over, and of course these must be gone over again, and so there is general dissatisfaction all round.

NEGROES NOT WANTED IN BROOKLYN, N. Y. CHURCH
 NEW YORK, Sept. 18.—The announcement from his pulpit last Sunday by Rev. William S. Blacksphear, of the Protestant Episcopal Church of St. Matthews, Brooklyn, that negroes were not wanted in the church, has created a considerable stir in New York church circles.
 Before beginning his sermon, Mr. Blacksphear, reading from a paper held in his hand, said: "This means just what it says. We do not want negroes in this church. There are other churches in the community where they may go. We do not want them, and we do not want their money."
 Following the reading, of the announcement, two negro women attentively weeping arose and left the church. Replying yesterday to the wave of inquiry concerning his policy, the minister said: "My congregation is white and I intend to keep it so."
 Mr. Blacksphear is a Texan by birth and a graduate of Harvard and Oxford.

Cuticura Heals Terrible Itching Burning Eczema
 "I was troubled with eczema for a number of years. It started with a terrible itching and burning on my face and then formed water blisters, which oozed over. Scratching seemed to irritate it, but it was the only relief I got. It seemed to bother me more at night and kept me from sleeping. Later it broke out on my arms and legs."
 "I sent for a few sample of Cuticura Soap and Ointment and got good results from it. I purchased more and after using one cake of Cuticura Soap and one box of Cuticura Ointment I was healed."
 (Signed) Mrs. A. Logan, Red Springs, Ont.
 Daily use of Cuticura Soap, with touches of Cuticura Ointment as required, keeps the skin fresh, smooth and clear. Cuticura Tablets is an ideal toilet powder.
