

IMPORTANT READING MATTER SELECTED FROM THIS WEEK'S NEWS FOR THE GUARDIAN'S SATURDAY SUBSCRIBERS.

THURSDAY

The Rev. A. J. W. Back will close his ministry in the congregation of Brookfield, on Sunday, June 23rd, preaching at Clyde River at 11 a.m., Brookfield at 3 p.m. and Hunter River at 7 p.m.

Yesterday the eastern express arrived in Charlottetown at 3.20 a.m. Five minutes late; the southern accommodation at 9.35 a.m., on time; the Cape Traverse accommodation at 9.55 a.m., on time; the Tignish accommodation at 11.45 a.m., five minutes late; the eastern accommodation at 6.15 p.m., fifty-five minutes late; and the Tignish express, at 10.05 p.m., fifteen minutes late.

A private despatch received in Charlottetown last evening announced the death of W. A. Lewis, Gardigan, the well known proprietor of the Cardigan Monumental Works, he having passed away at 10.30 p.m. The funeral notice will appear later. The deceased was widely known throughout the province and his demise will be deeply regretted. The sympathy of all will be extended to the bereaved.

For the pulpit, left vacant in Portland Church, St. John, by the removal of Rev. H. D. Marr, to the west, it is expected that the next pastor will be Rev. Henry Pierce of Florenceville, N.B., a native of this Province, who has been invited by the board. His name will come before the conference next week. Rev. Mr. Roe, late of the Primitive Methodist Church in England, has been acting as assistant pastor at the Corner Street Methodist Church, and it is probable that the matter of his being fully received into this district will be acted upon at the convention.

The term of Rev. Dr. Flanders in Centenary pulpit is to expire this year but it is just possible that the conference may grant an extension in his case so that he will be allowed to remain another year, in compliance with the request of the congregation. While he has accepted the pastorate of the First Methodist Church in London, Ontario, he is not due there until June, 1913, which leaves a year at his disposal. It is customary for Methodist pastors to remain only four years in the one church but an extension has sometimes been granted.—St. John's Exc. (Dr. Flanders is well known in Charlottetown.)

MRS. STEVENS RECOVERS

After Years of Suffering. Tells How Her Health Was Regained.

Waurika, Okla.—"I had female troubles for seven years, was all run down, and so nervous I could not do anything. The doctors treated me for different things but did me no good. I got so bad that I could not sleep day or night. While in this condition I read of Lydia E. Pinkham's Vegetable Compound, and began its use and wrote to you for special advice. In a short time I had regained my health and am now strong and well."—Mrs. SALLIE STEVENS, R. F. D., No. 2, Comanche, Okla.

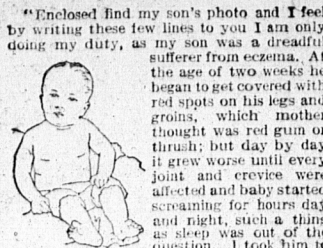

Another Woman Recovers. Newton, N.H.—"For five years I suffered from female weakness and dragging down pains. Lydia E. Pinkham's Vegetable Compound has restored my health and the pains are gone."—Mrs. F. A. PEASLEE, R. F. D., Box 88.

Because your case is a difficult one, doctors having done you no good, do not continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial. It surely has remedied many cases of female ills, such as inflammation, ulceration, displacements, tumors, irregularities, periodic pains, backache, and it may be exactly what you need.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WOULD SCREAM FOR HOURS WITH ECZEMA

Baby Dreadful Sufferer. Could Not Keep Him from Scratching. Every Joint Affected. Used Cuticura Soap and Ointment and He Is Well.

"I cannot find my son's photo and I feel by writing these few lines to you I am only doing my duty, as my son was a dreadful sufferer from eczema. At the age of two weeks he began to get covered with red spots on his legs and groins, which mother thought was red gum or thrush; but day by day it grew worse until every joint and crevice were affected and baby started screaming for hours day and night, such a thing as sleep was out of the question. I took him to two of Sydney's leading doctors, who said he was one of the worst cases they had seen, the other did not think it so serious, one ordered calomel for rubbing in, the other a dusting powder. I followed their prescriptions for over four months and still baby kept getting worse. Cuticura Ointment began to see a difference and by the time I had used one tin, along with the bathing with Cuticura Soap, baby was nearly cured. I still keep on using the Cuticura Soap and Ointment, and now, thank goodness, he is quite well and although he is now ten months old, has not had any further return of the trouble." (Signed) Mrs. C. Martin, 2 Knight St., Epsomville, N.S.W., May 1911. Cuticura Soap and Ointment are sold throughout the world, but a liberal sample of each, with a 25-cent book on the care and treatment of the skin and hair will be sent free on application to Cuticura Drug & Chem. Corp., 60 Columbia Ave., London, E.C. 4.

The marriage took place in Calgary, Alberta, on May 29, of Katherine Irene Vaughan, daughter of North Vaughan, of Charlottetown, to George M. McKinley, of Loch Lomond, Scotland, Rev. Malcolm McLean of the Baptist Church officiating. They will make their future home in Calgary.

Mrs. Hammond Toombs, North Rustico, who has been undergoing treatment in the P. E. I. Hospital, Charlottetown, for the past twelve weeks, returned home yesterday much improved in health. Mrs. Toombs expressed her pleasure with the treatment she received from the Matron and nurses.

The marriage took place last evening at the residence of Sampson and Mrs. Farquharson, Mt. Herbert, of their daughter Edith Francis to Vernon A. Higgs, son of Albert and Mr. Higgs, Nappan, N.S. The ceremony was performed by Rev. Harry S. Barb in the presence of a large number of relatives and intimate acquaintances. The bride is well known in Charlottetown and is a deservedly popular young lady. The young couple will receive the best wishes of hosts of friends, with all of whom The Guardian heartily joins.

Rev. J. B. Champion, pastor of the Salisbury, N. B., Methodist church, well known in this province, had a narrow escape with his life on Sunday. He started Sunday morning to drive to Allison, one of the preaching stations on his circuit. As the day was fine, he took two of his little daughters along with him. When near Boundary Creek he noticed in the distance an automobile rapidly approaching, and as his horse is young and not much accustomed to automobiles, Mr. Champion lifted his two children out of the carriage. As the auto drew near he found that his horse was becoming very nervous, so he held up his hand as a signal to the people in the car to stop so that he could get his horse by. But they paid no attention whatever to his signals. They neither stopped nor slackened speed, but dashed on by. The result was that the young horse became unmanageable. Mr. Champion saw that he could not manage the animal, although he hung on as long as he could, when finally he partly jumped and was partly thrown out of the carriage. He gave his ankle a bad wrench, received a severe bump on the head, and was bruised pretty generally, and while not severely injured he received a bad shaking up. The horse dashed away, running over logs and stones in his mad race. The carriage was completely demolished, the harness badly broken up, and the horse was pretty badly scratched up. Rev. Mr. Champion, although feeling pretty sore, pluckily held his other two preaching appointments on Sunday.

Suffered Greatly With Her Heart.

Became So Weak At Times Could Hardly Walk.

Many people may be unaware of having anything wrong with their heart till some excitement, overwork, or confinement in an overheated or overcrowded room, or public building makes them feel faint and dizzy. On the first sign of any weakness of the heart or nerves, flagging energy or physical breakdown, you should not wait until you case becomes desperate before you avail yourself of a perfect cure by using Milburn's Heart and Nerve Pills.

Mrs. D. McGilvery, Bathurst, N.B., writes—"Just a few lines to let you know what Milburn's Heart and Nerve Pills have done for me. I suffered greatly with my heart and became so weak at times I could hardly walk. A friend of mine advised me to try your Pills, which I did, and soon found great relief. They are the best medicine I have ever taken for heart trouble."

Price 50 cents per box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

The Annual meeting of the P. E. Island Pharmaceutical Association was held in the Board of Trade Rooms, Charlottetown, yesterday afternoon at 2.30 o'clock, President, J. G. Jamieson, in the chair. There was a good attendance of members and much business of importance was transacted. The Treasurer's report showed a substantial balance to the credit of the Association available for carrying out the provisions of the Pharmacy Act and a strong committee was appointed to see that the act is properly enforced. Many regrets were expressed at the loss the Association had sustained in the death of A. W. P. Gourlie of Summerside, who was a most energetic and respected member and a regular attendant at all meetings. A committee was appointed to draft and present a letter of condolence to his wife and family. A very interesting report of the meeting of the Canadian Pharmaceutical Association was given by D. O'M. Reddin and J. G. Jamieson who were the delegates last year at Montreal. The election of members to make up the Council for the ensuing year resulted as follows:— J. W. Carruthers, President. E. A. Foster, Vice-President. R. M. Johnson, re-elected, Secretary Registrar. Geo. E. Hughes, re-elected, Treasurer. G. A. B. McDonald, D. O'M. Reddin and J. W. Waugh. G. A. B. McDonald and R. M. Johnson were re-appointed Examiners and J. G. Jamieson and D. O'M. Reddin, Auditors.

The following resolution was unanimously passed: "That this Association approve of the stand taken by the Canadian Pharmaceutical Association with reference to the sale by wholesale druggists and manufacturers of Patent and Proprietary Medicines to other than registered druggists."

Busy getting ready to move to Hunter River was the order of the day at the home of Everett Wedlock, Stanley Bridge, on Monday, June 10th. In the evening the friends and neighbors gathered to bid Mr. Wedlock and family farewell, taking full charge of everything providing entertainment and all other necessities for an evening's enjoyment and they had it to judge by the faces of all present radiating happiness and good will. The following address was read on behalf of the company to which Mr. Wedlock made a suitable reply warmly thanking all for the interest taken in his welfare and the beautiful presentation:— "Dear Everet and Mrs. Wedlock: To our Friends.—As you are about to leave the community we your friends and associates feel it incumbent on us to express our regret at your departure. That you will be a distinct loss to the social and business life of Stanley Bridge cannot be gainsaid but we hope that the change of residence will be to your advantage and that success will crown your labors in your new home. In conclusion, we present you with this chair not for its intrinsic value but as a token of our esteem and regard and hope that when reclining in

it in your leisure hours you will recall many pleasant memories of the years spent in Stanley Bridge. Signed on behalf of the people of Stanley Bridge—A. S. Simpson, H.T. Pickering, Norman Nicholson, Wallace J. McKay.

"A. D. McIntosh will preach Sunday morning in the Presbyterian Church, Souris, and in the afternoon at Fortune and in the evening in Methodist Church, Souris."

"On Thursday morning, June 6th, there passed peacefully away the oldest resident of Cable Head West in the person of Christy Simons, widow of the late George McKenzie, and daughter of the late Peleg Simons, aged 95 years and one month. She leaves to mourn two sons and one daughter, ten grand-children and eight great grand-children; beside brothers and sisters and a large number of relatives and friends who will miss her cheerful, kindly face.

FRIDAY. D. McEachern, Los Angeles, Calif., a former resident of St. Andrew's, came to Charlottetown last evening on the express and registered at the Revere Hotel. He has been absent from his native province for thirty years and is on a visit to his old home here.

At the last meeting of the City Council a letter was read from the Fire Insurance Companies, with regard to the proposed increased Tax on Companies. The letter pointed out that the tax paid by Insurance Companies in Charlottetown is higher than the taxes in other Cities and as an increase of 50 per cent, is to be added to this tax the Companies are forced to increase rates 10 per cent. As a City the size of Charlottetown should keep its fire fighting apparatus up-to-date, it was held out by the Fire Companies, as an inducement, that if a Chemical Engine was installed the insurance rates would be increased only 5 per cent, instead of 10 per cent. Some satisfactory assurance should therefore be given, the Fire Underwriters that a Chemical Engine will be installed by the City in order to save property-holders considerable increase in premium rates.

On Monday Miss Daisy Hooper, the twelve year old daughter of Hammond and Mrs. Hooper, North Milton, and granddaughter of James M. and Mrs. Hooper, Charlottetown, while playing in the barn loft, fell through and landed on a hay rake.

It appears that the prongs of the rake were turned upwards and one of them entered her thigh, while another pierced her arm. Besides the above injuries the little girl received bad bruises on her forehead.

The accident turned out to be serious and resulted in her death which occurred yesterday morning at 3.30. Medical aid was promptly summoned and up to Wednesday evening the little one appeared to be recovering but unfortunately complications set in and she peacefully passed away.

A sad feature in the case is the fact that Mr. Hooper, the child's father, is very sick and is as yet unaware of the sad circumstances. Mrs. James M. Hooper, Charlottetown, who was nursing Mr. Hooper, also took ill and is confined to her bed in the same home.

The funeral of the little child will take place this morning at 10.30 o'clock.

Rev. S. L. Teed yesterday celebrated the 87th anniversary of his birth, and received the congratulations of many friends. At 5 o'clock in the afternoon he was waited on at his residence by Pastor Patty and Messrs. Geo. J. Oulton and F. A. McCully as a committee representing the Central Methodist church, and after appropriate greetings an address was read. Mr. Teed replied in happy terms, referring to his long connection with the church he loved in a very thankful spirit and expressing his deep gratitude for the thoughtfulness of friends and the many acts of kindness of which he had been recipient. Mr. Teed, who has been an honored member of the N. B. and P. E. I. Methodist Conference over sixty years, has had charge of many important circuits and has given efficient service with excellent results. For many years his object form was a familiar figure on the street of Moncton, and he has many friends among all classes of citizens. For the last year or two he has been in failing health and for some months past has been confined to his residence but those who called on him yesterday not only found him in a cheerful frame of mind but much stronger than they had expected. Moncton exc.

Best care is taken this malady, allied with the abnormal blood pressure, may lead to apoplexy. Dr. Hinson and his friends all declare that at present he is apparently strong, and able to do a strenuous day's work. The despatch also stated that while Mr. Hinson would resign his pastorate an assistant would probably be appointed. Mr. Hinson's relatives and friends in Moncton have received no information as to his illness.

\$3.50 Recipe Free For Weak Men. Send Name and Address To day—You Can Have it Free and Be Strong and Vigorous.

A Portland, Oregon, despatch to a Los Angeles, Cal., paper notes the illness of Rev. W. B. Hinson, many known in Charlottetown: "It is not known just how serious Dr. Hinson's condition may be. All in touch with the situation admit that he is suffering from overwork. He has been doing three men's work, one of the church officers declared. Dr. Hinson himself makes light of the situation. He declares he feels perfectly well. Outside of this, he is not inclined to discuss the situation, and many of those closely in touch with Dr. Hinson are likewise reticent. "Dr. E. P. Shepher, who was called by Dr. Hinson about a year ago to treat a severe cold, says he warned him that he must be careful not to overwork because of abnormal blood pressure which might lead to serious results. Fred Johnson, a member of the White Temple executive committee, admitted today that Dr. Hinson had said that his present physician told him that he had hardened of the veins. Medical men declare that unless great
