Charlottetown Girl Testifies At Trial

(C. P. By Guardian's Special Wire)
 DALLHOUSIE, N. B., March 25.—While more than \$17,000 had been sent out from the Campbellton office of the brokerage firm of E. A. Willis and Co., Ltd., to other offices at Moncton, Saint John, Bathurst, Charlottetown and Halifax, "as far as she knew" nothing of value had been received for this sum, Miss Irene Arsenault testified today at the trial of Edward A. Malone, Toronto, charged with conspiracy and theft.
 The Charlottetown girl, former bookkeeper at the Campbellton office, was on the stand the entire day and will be recalled tomorrow. Malone, secretary-treasurer of the firm and manager of the Campbellton office, faces one count of conspiracy to defraud clients.

WARM DEBATE IN COMMONS YESTERDAY

Gardiner Statement Answered By Mr. Bennett Who Challenges Investigation.

(C.P. By Guardian's Special Wire)
 OTTAWA, March 25.—Tempers flashed and harsh words echoed across the House of Commons today when Conservative leader Bennett accused Agriculture Minister Gardiner of charging him with falsifying an order-in-council referring to wheat payments.

In the widest scene of the session, the former Prime Minister demanded a full investigation of the circumstances related by the Minister.

Mr. Gardiner said he made no accusations against Mr. Bennett. The facts, he said, were that on Oct. 10, 1935, the Bennett government passed an order-in-council providing for payment of money to western pool farmers who did not receive 60 cents a bushel for their 1935 crop. The Agriculture Minister said there was added in pen and ink to the report to council, the basis for the order-in-council, a stipulation the money should not be paid until an auditor's certificate was received. This was added, he said, after a telegram was sent from a finance department official in Toronto to a departmental official in Ottawa. Mr. Bennett being in Toronto that day.

The Conservative leader accused the Minister of relating the story in order to leave the implication an order-in-council had been falsified after passage. Otherwise, he said there could be no purpose in relating it.

Mr. Gardiner denied the implication. He related the story he said, to show the Bennett government by adding the stipulation relating to the auditor's report, had delayed payments. If the words added in ink had not been included, payments could have been made immediately.

Mr. Bennett insisted the words were added to protect the public treasury and delay was not in the government's mind.

House In Turmoil

The whole scene threw the House into a turmoil. Drama was interjected by Mr. Bennett referring to his record for integrity and his honor built up through the years which now was being impugned. There were several periods of comedy with Mr. Bennett and Mr. Gardiner arguing for five minutes at a stretch who had the right to speak. At another time, the Conservative leader and the Minister passed the order-in-council and the auditor's report back and forth between them, asking questions and answering them.

At one time the Conservative leader asked a question and the Minister suggested he would find the answer in the auditor's report which he had before him at that time.

"The Minister," retorted Mr. Bennett, "need not think he is dealing with some poor, rural rustic in Saskatchewan."

"This remark played a big role for the rest of the afternoon. Arthur (Lib. Parry Sound) took exception to it because he had many friends in Saskatchewan and I could bring a score, a hundred of poor rural rustics here and they would not sneer at him (Mr. Bennett) in the miserable terms he used to them."

"This drew from Mr. Bennett a reference to Mr. Slaght's part in the defence of J. W. C. Solloway, former stock broker. He referred to money of the poor "that went to enrich counsel instead of going to pay for stocks."

The Parry Sound member denied this and demanded a withdrawal. Mr. Bennett said he was forced, by the rules of the House to accept the denial of Mr. Slaght but he would not withdraw his words and there the side-incident ended.

 OTTAWA, March 25.—The dollar-for-dollar plan for soldiers' settlers was held another three years by a bill which passed through the House of Commons today.
 The plan provides a credit of one dollar for every dollar in arrears or instalment paid by the settler. It will stay in effect until March 31, 1938.

Expenditures by tourists from other countries visiting Canada during 1935 was estimated at \$201,000,000, an increase of \$71,000,000 compared with 1934, the Dominion Bureau of Statistics reported today. At the same time Canadian tourists in other countries were estimated to have spent \$61,000,000 compared with \$51,000,000 in 1934.

Expenditures of tourists by automobile from the United States was estimated at \$131,800,000 compared with \$86,250,000, and by rail and steamer \$59,139,000 compared with \$34,360,000, while tourists from overseas countries were estimated to have spent \$10,117,000 against \$9,455,000 in 1934.

Canadian tourists to the United States by automobile were estimated to have expended \$50,206,000.

Gypsum Queen Verdict Pillories Both Principals

Justice Could Not "Put Much Faith In Logan's Testimony" -- Charges Hatfield "Committed Perjury" -- Orders Return Of \$71,276 Paid As Reparation.

OTTAWA, March 25.—Declaring that he could not "put much faith in Logan's testimony," and that Captain Freeman Hatfield of the schooner Gypsum Queen had "committed perjury and fabricated evidence," Mr. Justice E. R. Angers of the Exchequer Court yesterday published reasons for his judgment ordering Senator Hance J. Logan and Hatfield to return to the Crown \$71,276 paid as reparation for the alleged torpedoing of the vessel. Judgment, announced yesterday, was for the total sum paid defendants with interest at five per cent from March 18, 1931, date payment was made. Plaintiffs did not ask for costs, and none was found against the defendants.

The decision filled 87 foolscap pages and went exhaustively into the now famous war claim which has occupied the authorities since late in 1930. The 67-year-old Nova Scotia Senator announced yesterday he would take an appeal to the Supreme Court of Canada.

Captain Hatfield, a boyhood friend of Senator Logan in Nova Scotia where both were residents of Parrabro, is now about 77 years old. He never appeared for any of the inquiries conducted since he was laid the award for loss of his vessel, but was apprehended near Manchester, N.H., nearly two years ago and has been in jail there ever since, fighting extradition.

Ship Lost During Storm

Evidence gathered by a Royal Commission in 1932 and 1933 indicated that the former Nova Scotia schooner, owned and skippered by Hatfield, was lost in a storm about 500 miles off the Irish coast July 31, 1915.

With Senator Logan acting as his counsel, Hatfield brought a claim before the Reparations Commission in 1930 declaring that his vessel had been torpedoed about 60 miles off Fastnet on the date mentioned. The claim was recognized, and the award made, as well as similar awards to several members of the crew who gave evidence.

In 1931 attention of the authorities was drawn to an affidavit allegedly signed by Captain Hatfield for the British Board of Trade at Liverpool, on landing there from the rescue vessel, stating that the Gypsum Queen was dismantled in a gale and foundered.

Mr. Justice Angers found that three affidavits submitted in support of the claim, allegedly by men who were members of the crew, were not made by men on the Gypsum Queen when she was lost.

Others of the crew contradicted their affidavits when examined by the Royal Commission.

Says Hatfield Perjured, Fabricated Evidence

"I have no hesitation," the Justice stated, "in saying that Hatfield committed perjury and fabricated evidence to obtain the award of \$71,276."

Of Senator Logan, the judgment stated: "I am sorry to say I cannot put much faith in Logan's testimony. Not only is it full of false, evasive answers, rash statements, discrepancies, and contradictions, but it is utterly inconsistent

Personals

Mr. Ed. Shaw, who has been visiting his sister, Mrs. Ernest Hean, and other relatives leaves this morning on return to his home in Winnipeg.

Mr. George A. MacLean of Lewis was in the city yesterday to see his daughter, Effie, who is convalescing in the Prince Edward Island Hospital following an operation for appendicitis.

The Misses Evelyn Vatcher, Isobel Crawford, Thelma Currie, and Stella MacLean returned Monday evening after spending a very enjoyable week end in Moncton.

Mr. Ernest Lapointe, minister of justice, is not aware of any request for an amendment to the Criminal Code to legalize dog racing in Canada, he told Herbert Wilton (Cons., Hamilton East) in the House of Commons today. At the same time he promised to make an inquiry to ascertain if any had come to the department. Mr. Wilton asked if any such requests had come from persons resident either in Canada or in the United States.

"Radio news service" carrying news of programs, artists and schedules has been furnished newspapers, magazines and broadcasting stations in both French and English, according to a reply in the House of Commons today to a question asked by Joseph Mallette (Lib. Jacques-Cartier). Marine Minister Howe said the service had been given since July 1 last at a cost, for the first six months, of \$999.

Sum of \$12,708,837 has been paid by the board of grain commissioners, in the form of wheat bonuses, from Sept. 1931 to Feb. 29, 1936, the House of Commons was informed today.

The information was tabled by Hon. W. D. Euler, Minister of Trade and Commerce, in answer to a question by P. Gauthier, Liberal member for Port Neuf.

Short Course In Catering Urged

(C.P. By Guardian's Special Wire)
 HALIFAX, March 25.—"Our women are the best cooks and house-keepers to be found anywhere but they are not hotel-keepers," said Don F. Fraser (Lib. Pictou) in the Legislature today while advocating a short course at the Agricultural College looking toward improved catering to tourists.

"My suggestion is that the science building at the Agricultural College at Truro, which is thoroughly equipped, should be taken over and staffed for a time with two or three experienced persons in the art of hotel or inn-keeping and short courses given there to men and women who could be induced to attend," he said.

They could be instructed in how to best accommodate the visitor and cater to him, and to charge accordingly.

Exonerated On Shooting Charge

SANTA BARBARA, Calif., March 25.—Ernest Wagner, Justice of Peace, today exonerated Mrs. Doris Longcope at preliminary hearing on charges of shooting and wounding her son Jesse Livermore, Jr. 16, last Thanksgiving.

Young Livermore, son and namesake of Jesse Livermore, Sr., well known Wall Street operator, testified he assumed the blame for the shooting which followed an argument over his drinking.

Islander Chosen As House Leader

John James Bowlen, of Calgary, Liberal representative of that city in the Alberta Legislature, was chosen Wednesday as Liberal house leader for the balance of the present Legislature session.

He succeeds Mr. Justice Hawson whose resignation from the House Tuesday upon his appointment will be of brief tenure, since the House is expected to prorogue by March 25 at the latest. In some quarters it is reported that the new House leader will be among the leading choices for provincial leader of the party when a convention is held during the summer.

Mr. Bowlen, now in his 60th year is one of the largest private owners and formerly operated the largest horse ranch in Canada. He owns the Pincher Creek, Claresholm and Crossfield districts and has 40,000 acres of ranchland near Medicine Hat. He lives on Elban Drive, Calgary.

His first entry into politics was made in 1914 at Battleford, Sask., when he received the Liberal nomination. The next election, however was not held until three years later, with a Union candidate nomination and by that time Mr. Bowlen had withdrawn.

The new House leader was chosen in a caucus of the four-man Liberal bloc just before the Legislature convened Wednesday, and his selection was announced to the House shortly afterward by Gerald O'Connor, Edmonton Liberal, L. A. Giroux member for Grand and dean of the House, would ordinarily have been selected as House leader, Mr. O'Connor said, but due to personal reasons declined the temporary leadership. "The Liberal members have therefore unanimously agreed on the selection of Mr. Bowlen until the end of the present session," the House was told.

Mr. Bowlen was greeted by warm applause from both sides of the House.

He spoke briefly in acknowledgment. "If there is one thing I enjoy more than another," said Spruce, "it is to get to the river bank and lie about fishing."
 "Why, I fall to see, the necessity for your going to the banks of the river to do that," remarked Mrs. Spruce quietly.

McCormick Deering Agents Hold Conference

Thirty McCormick-Deering agents, local representatives of the International Harvester Co. will meet in Charlottetown today to attend a conference to discuss agents' plans. The visiting speakers are: C. W. Longcope, assistant Canadian sales manager, Chicago, Ill.; R. S. Williams, in charge of advertising for Canada, also of Chicago; C. W. Hubbard, dairy equipment sales, Hamilton, Ont.; and H. O. Hall, industrial power sales, Hamilton.

The conference here is in charge of J. R. Reddon, branch manager for the Maritimes, St. John, N. B.

Impressed With Province

Mr. Williams, interviewed last night, appeared to be impressed with appearance of the Province. One thing which he noted in Prince Edward Island, he said, was the absence of waste land. "The garden of the east" would be a very appropriate name for the Island, he considered.

Referring to business conditions Mr. Williams said, "it looks as if the depression was over although conditions are not by any means satisfactory yet. Farmers have been more prosperous which means a vast increase in market for practically all kinds of manufactured goods. Agriculture is the basic industry and when the farmer is prosperous he is the best buyer in the country."

The day's program will include luncheon and dinner at the Canadian National Hotel. A moving picture will show interesting factory and field operations in the McCormick-Deering line.

Believes Logan Knew

The judgment referred also to the evidence which indicated that Senator Logan, before the case had been heard by the Reparations Commission, had been advised of the report held by the British Board of Trade at Liverpool that the vessel had been lost through stress of weather.

All possible latitude had been given Senator Logan to obtain Hatfield's testimony, Mr. Justice Angers said, but advantage had not been taken of the opportunity.

"After perusing the evidence carefully, I am unable to reach any other conclusion than that the defendant Logan was aware, if not from the day he received Hatfield's first letter which before being mutilated likely contained some reference to Bridgetown, Barbados, as the port of registry, probably shortly thereafter, that the Gypsum Queen had not been torpedoed but had foundered, or at least had been dismantled and abandoned through stress of weather; and that he conspired with Hatfield to induce before the Reparations Commission false evidence and thereby obtain a report recommending the payment to Hatfield of the sum of \$71,276."

EASTERN GUARDIAN

"CANADIAN LEGION — The Montague Branch of the Canadian Legion, B. E. S. L., with their band intend holding a series of entertainments at Montague for the purpose of giving the youngest people in Kings and Southern Queens counties the privilege of coming before the public with songs, instrumental pieces, dances, readings, etc. At each gathering the members of the audience will be given ballots so that they can vote for the number they most enjoy. A cast will be made up from those receiving the largest number of votes, this cast to give entertainments in the different communities in the district from which the different performers come. Committees in charge: Veterans, George McDonald, Leslie McDonald, W. H. Poole; Hospital, A. F. Campbell, Hadden McLean, Marshall Reynolds Band, John P. Beer, Carl Stewart, R. C. Clements; Chairman, Rev. A. H. Long. It is quite time the amateurs of Eastern P. E. I. were given a chance to let the public enjoy their talents. The country is full of talented people capable of giving fine performances but the opportunity has been denied them. In the words of the immortal Gray, "Full many a gem of purest ray serene the dark unfathomed cavern of ocean bears; Full many a flower is born to blush unseen, and waste its sweetness on the desert air." This series of amateur nights should bring us many happy surprises and much keen enjoyment. To those who contemplate entering this contest, may they do so in the right spirit, prepared to do their best and willing to abide by the decision of the audience. These entertainments are under the auspices of the Canadian Legion, Montague Hospital and Legion Band. Advertisements will appear in this column at a later date.—H

"Mr. W. A. McLaggan, Provincial President of the Canadian Legion B. E. S. L., left Montague on Friday, March 13, to attend the Canadian Legion Annual Convention at Vancouver.—H.
