SYMPATHY.—Mr. and Mrs. Frank A. Trainor of Dorchester, Mass., have the sympathy of many persons in this province in the sad death of their twin daughter, Eunice, which occurred at Dorchester, Mass., after a short illness.

Mrs. Blanche Gardiner, Cornwall, has received a despatch stating that Pte. Horace Gardiner, Infantry, was killed in action on Sept. 27th inst. Pte. Gardiner enlisted in the 105th at 16 years of age, was transferred to 28th Battalion, then to 78th Battalion. He was only 19 when he made the supreme sacrifice.

Mr. Wm. Dillon, Sydney Street received a telegram yesterday stating that his son Pte. Wm. J. Dillon Infantry is officially reported as having been killed in action on Oct. 10th. Pte. Dillon who was in his 21st year joined up with the 115th in St. John, crossed over to England and was for many months attached to the A. M. C. about six months ago he crossed to France and his death came as a severe shock to his parents, four brothers and three sisters who are left to mourn. He was a grand son of Mr. William Dillon, Market Clerk.

The last meeting of the Cheese Board for the season was held in the city yesterday. The following was the board message: "Seventeen hundred cheese boarded twenty four and quarter bid no sales sold on curb eight to quarter higher small make."

Thirteen hundred and seventy-five cheese were boarded of which eight hundred and seventy five were sold to R. E. Mutch for twenty four and one quarter cents. A great deal of dissatisfaction was expressed regarding the shortage of cheese boxes, and it was the wish of the Board that the makers of boxes would speed up the production in some way and thus give the factories a chance to get their output out of the way. It is very embarrassing both to the buyer and the seller to be up against the proposition of shortage in cheese boxes.

OTTAWA, Oct. 22.—Sir Charles Fitzpatrick has resigned the Chief Justiceship of the Supreme Court of Canada and has been appointed Lieut. Governor of Quebec in succession to the late Sir Pierre Evariste LaBlanc. The vacancy in the Chief Justiceship has been filled by the promotion of Sir Louis Davies whose promotion will necessitate an early appointment to the Bench of the Supreme Court in accordance with the provisions of the British North America Act. This vacancy will be filled from the Province of Quebec which requires at least two members of the Supreme Court shall be appointed from among the Judges or barristers or advocates of the Province.

The Guardian in common with the whole of the people of Prince Edward Island heartily congratulates Sir Louis Davies on his well merited promotion and the honour his brilliant career has brought to his native province. On learning of the promotion of Sir Louis Davies to the Chief Justiceship of Canada Premier Arsenault forwarded the following telegram: Sir Louis H. Davies, K. C. M. G., Chief Justice Supreme Court of Canada

On behalf of the Province of which you are a distinguished son accept congratulations on attaining to the highest position in the Judiciary of Canada. Ad multos annos.

THURSDAY

Mr. James Paton, M. L. A., received a cable yesterday announcing the pleasing news that his son Lieut. Rowland Paton, now in an English Hospital, suffering from wounds, has been awarded the Military Cross for conspicuous bravery.

HOME FOR BURIAL.—The remains of the late Capt. Fredk. Cullen (Alexandra) arrived in the city Tuesday from St. John's, Nfld. The funeral takes place on Thursday at 1 p. m. from his late home Alexandra to the Catholic Cemetery, Carleton Place.

WEDDING BELLS.—On Tuesday evening Oct. 21st at 186 Donald Street, Winnipeg, the Rev. J. Phillips Jones of St. John's Presbyterian church, officiating, Miss Georgine Hooper Matheson of this city daughter of Mr. David Matheson of North Milton, P. E. I., became the bride of Mr. John A. MacKinnon, son of Mr. and Mrs. Finley MacKinnon, of Brookfield, P. E. I. The bride looked smart in a suit of navy blue serge. The coat opened over a blouse of white georgette crepe, and she wore a becoming black velvet hat. Her furs a scarf and muff, were of Hudson seal. Mr. and Mrs. MacKinnon have taken up their residence in the Lach Kathrine apartments says the Winnipeg Free Press.

A REMINDER.—The Guardian has been shown a replica of the Lusitania (German) medal which Major Bartlett received from a friend in England. This medal, it will be recalled, was struck in honour of what was perhaps the biggest wholesale murder perpetrated by Germans during the war, the sinking of the Lusitania, when 1198 persons out of 1951 perished. It is interesting to recall at present, while Germany in her quest for peace is denying the perpetration of outrages, that she "Koinische Volkzeitung, one of the leading German papers said of this outrage." With joyful pride we contemplate this latest deed of our navy. The inscriptions on the medal are well known to Guardian readers: the sinking ship with guns and aeroplanes to prove the German falsehood that she was carrying contraband; the Cunard office in New York where Death sits at the wicket handing out tickets to passengers who had neglected the German warning, that the ship was going to be sunk. The medal is damning proof of German treachery in May 1915 and of German falsehood then and now when she denies the perpetration of outrages.

THE STANLEY FUMIGATED.—Captain Walter Rowe, of the steamer Stanley is regarded not only as a skillful navigator, but also a very cautious one and one who knows danger when he sees it. Saturday he brought his ship up from quarantine where she had been thoroughly fumigated and instead of showing her in among the bunch of unfumigated craft at the marine quarters, Dartmouth, he dropped his mud hook in the stream. All the marine department steamers have had their experience with the Influenza, but the Stanley has gone through the cleansing process, and Captain Rowe can be relied upon to keep her free if it is at all possible.—Halifax Mail.

WEDDING BELLS.—A very pretty wedding was solemnized on Wednesday morning October 2nd at St. Joachim's church Vernon River when Miss Helen Curley daughter of Mr. Thos. Curley, Village Green and Mr. J. Alphonsus Keoughan, son of Mr. and Mrs. John Keoughan, Avondale were united in the Holy Bonds of matrimony by the Pastor Rev. P. D. McGuigan, P. P. The bride who is one of Vernon River's most popular young ladies was prettily attired in a suit of navy blue tulle velvet with taupe hat and furs to match, and carried a bouquet of white carnations and maidenhair fern. She was attended by her sister Miss Gertrude who wore a very becoming suit of plum colored silk velvet with hat to match and carried a bouquet similar to that of the bride. Mr. A. E. Wilson, Charlottetown ably performed the duties of groomsmen. After the ceremony the bridal party motored to the Commercial Hotel, Montague where a sumptuous wedding dinner was partaken of served by the amiable hostess Mrs. Campbell, after which they returned to the bride's home where a daintily prepared supper was served to upwards of one hundred invited guests. The evening was very pleasantly spent by music, singing and dancing until the early hours of the morning when all dispersed to their homes wishing the newly wedded couple many happy years of wedded bliss. Mr. and Mrs. Keoughan were the recipients of many handsome and valuable presents testifying to the popularity of both. The Guardian joins in extending heartiest congratulations.

The advantage of a good baking powder as a leavening agent instead of cream of tartar and soda is twofold. First, it is scientifically prepared in such a way as to insure satisfactory results. Second, it is much more economical when one considers the high price of cream of tartar. Magic Baking Powder is guaranteed to be the best and purest baking powder it is possible to produce.

Be Master of Your Health

ALMOST every man realizes in a general way that "success is to be strong." But he does not always apply this rule in his own case and keep his own system in condition. These days the worry and strain on the nerves is tremendous. Almost daily we are shocked by learning of the death of some prominent man. The unusual strain has proved more than he could bear. Many who have worked just as hard are standing the strain because of the attention they have given to keeping their vitality at high watermark. Some are able to do this by outdoor exercise and a carefully regulated diet, while others find they cannot get back into condition without the help of Dr. Chase's Nerve Food. This is the most natural and most rational treatment imaginable, for it supplies in condensed and easily assimilated form the vital substances which go to form new, rich blood, and thereby feed the nerves back to health and vigor. As an illustration of what Dr. Chase's Nerve Food is doing for business men just read this letter: Mr. William H. Kennedy, Gloucester Street, Cornwall, Ont., writes: "For the last two years I have been suffering from run-down condition of the system, gradually getting worse all the time. Last summer, during the hot weather, doing extra work brought on the climax. I was taken with nervous prostration, feeling dizzy, sick at my stomach, the nerves in my arms and legs twitching so that I could not keep still, while at the pit of my stomach the nerves would beat quite perceptibly. I have given many remedies a thorough trial, patronized several doctors, and spent hundreds of dollars without getting any relief. I was even in the hospital for a short time, living on egg-nogs. I was told that there was no hope. I could not eat nor sleep, with no ambition to get around very much. I was so bad that I could not even ride on a train. While at the store a traveller advised me to try Dr. Chase's Nerve Food and give them a good trial. After the second box I saw that I was getting better, so I continued taking them according to directions, until now, when I am on my sixth box, I am feeling fine, able to do my work, can eat well and sleep well at night. I feel that I cannot recommend Dr. Chase's Nerve Food too highly." Any druggist will tell you what an enormous sale the food cure has attained.
