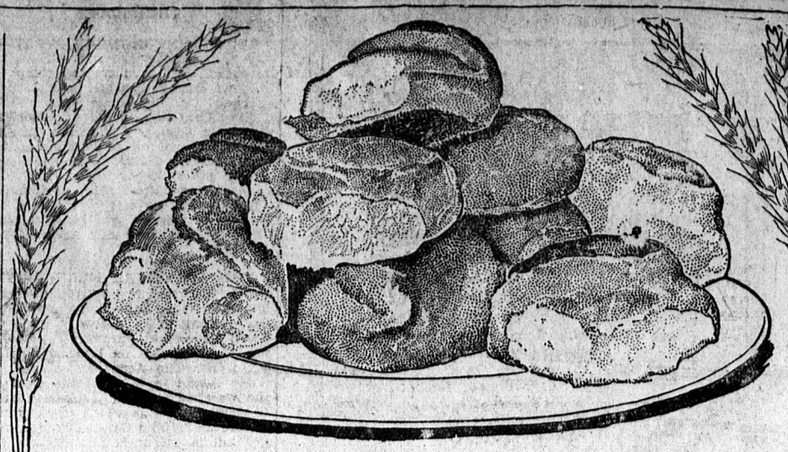
..*FIRE BELL.—The town of Souris is importing a large fire bell.

Many friends were shocked to learn yesterday of the death in the Prince Edward Island Hospital of Mr. Reaney Gay, the well known meat dealer of this city. He had been in his usual health until Friday when he was taken suddenly ill. He was taken to the hospital on Saturday where he underwent an operation on Sunday for appendicitis. His condition was very critical for the past four days and yesterday afternoon at 2.30 he breathed his last.

His death is deeply regretted for he was a young man in the prime of life, only 37 years of age, and in the natural course of events one to whom it would be supposed many years of life were still in store. But it has proved otherwise and one of the city's best known business men has been called suddenly away from the activities of this life to the unseen world. He was a man who was very popular with all who had the pleasure of his acquaintance and there will be genuine regret on the part of his numerous friends both in town and country to learn that he is gone.

There are left to mourn a widow and two young children, Robert and Herbert, also his mother who resides at Hazelbrook, two brothers, one of whom is Vernon of this city, and also four sisters, Pearl at home, Mrs. Camp bell of Pownal and the others in the United States.

Deceased was married to Lila, daughter of Mr. Robert Vanlderstine, City Collector. To all of the bereaved The Guardian extends sincere sympathy. The funeral takes place on Sunday at 2 p. m. from his late residence 27 Passmore Street to the Peoples Cemetery.



TASTY, toothsome and digestible are these "smiling" breakfast rolls. Surely your hubby and the children would enjoy a plate of them for their morning meal. They are made just a little better by the use of Diamond Flour, which is a choice blend of Ontario soft wheat and Manitoba hard wheat.
