Harbottle-Milford Wedding

Winipeg Tribune, Dec. 2nd) Standards of white chrysanthemums with palms and ferns were grouped around the altar of St. Margaret's church, Saturday, Jan. 5, for the marriage of Erna Marguerite, daughter of Mrs. Milford and the late Mr. John Calverly Milford, Charlottetown, P.E.I., to Mr. John Lauder Harbottle, son of Mrs. Harbottle and the late Mr. William George Harbottle, Pine Falls, Rev. F. Gardie, assisted by Rev. J.E. Purdie, performed the ceremony.

Mr. Reginald Penwarden played soft music throughout the ceremony. Given in marriage by her brother, Mr. Richard Milford, the bride was attended by her sister, Miss Betty, and the late Mr. John Moore was best man. The ushers were Messrs. Allan Martin and Frank Rowell. The bride's gown was of Queen's blue imported crepe, the full skirt finished with an apron front, self-quilted. The same pattern of quilting adorned the bodice which had a heart-shaped neckline and bracelet length sleeves. Her headpiece was a disc of the veil in the color of her gown, evolved of multiple rows of pleats in fluted effect. The crown was overlaid with blue forget-me-nots. She carried a Colonial bouquet of Buttercups, blue forget-me-nots and lily of the valley.

STAFF HONORS

James Fisher

A joyous little ceremony was enacted in true Christmas spirit yesterday afternoon, in the head office of The James Fisher Company, Limited, 204 Richmond Street West. It so happens that 1939 completes the twentieth year in business for this well-known advertising agency. To commemorate the occasion, the executives and staff presented to their President James Fisher, a handsome silver tray. The presentation was made by Mrs. C.M. Robertson, treasurer, who has been with the company for almost the entire twenty years. To adorn the gift with a truly personal touch, the names of all executives and staff were engraved on the tray, each person's signature being reproduced as they are accustomed to write it. The presentation came as a complete surprise to Mr. Fisher. He said it was the first time in his capacity as president that any one had caught him without notes on what he ought to say when he made a speech—Toronto "Globe & Mail."

SEASONED EXPERT COMMENTS ON WAIL

LONDON.—Jan. 5.—(CP)—Brilliant soldier and since his retirement an authoritative writer on military affairs, General Sir Charles Gwynn—who is writing war commentaries for the Canadian Press—has up his military career as commandant of the Staff College at Camberley, the "university" of the British Army. He resigned in 1921 after holding the position four years. At the staff college the army's future generals and field-marchals are trained in the art of war. Former pupils now hold commands and staff appointments with the B. E. F. Charles won his D. S. O. as captain of Royal Engineers in the Sofia campaign in Sierra Leone, 1893-93. He was wounded, mentioned in despatches and given the brevet rank of major. There came a period of study at the staff college. From 1911 to 1914 he was director of military studies at Duntroon, the Australian Commonwealth staff college. There he achieved the feat, not always easy for a British officer, of becoming highly popular with the Australians. During the First Great War he held a number of staff appointments with the Australian troops in the field in Gallipoli and France. The C. B. was conferred upon him and he gained two foreign decorations—the Croix de Guerre and the Belgian Legion of Honor.

They also decided to have a Card Party in order to raise funds for the Institute. Mrs. Frank E. Peters invited the members to her home for next meeting when Roll Call answer will be Jokes or New Year's Resolutions. Meeting adjourned with Victrola selections. A nicely decorated little Christmas Tree adorned the centre of the table and on it were gifts for each member. This caused some excitement. A dainty lunch was served and a social hour spent.

Jasper Park Is Ideal For Skiing

MONTREAL, Que., Jan. 6.—Some of the finest skiing terrain on the North American continent is offered visitors to Jasper National Park, stated J. A. Wood, superintendent during an interview here today. "The snow covered mountain slopes lend themselves perfectly to every phase of skiing, including cross country trips, running and slalom," he said, "and for at least three months of the year the conditions, so desirable for good skiers, may be relied upon." The Whistlers mountain skiing area, which is the brain of Jasper has undergone some wonderful improvement during the past year, stated Mr. Wood, and it now has a downhill course which conforms with the standard set by the P. I. S. or International Federation of Skiers. This work, he said, was undertaken by the government forestry corps with the assistance of members of the Jasper Park Ski Club, the result being one of the finest ski courses on the continent. It is on the Whistlers Range that the provincial downhill and slalom championships by the Canadian Amateur Ski Association will be held on January 28 when about five hundred skiers from points in the west will be brought in by special train, said Mr. Wood. For this event, six large tents, floored and heated, will be erected by the Jasper Park Ski Club for dining and recreational purposes. "I also consider the Medicine and Maligne Lakes areas of Jasper National Park among the finest skiing grounds to be found anywhere," stated Mr. Wood, "containing 100 square miles of terrain suitable for every type of skiing without obstructions and under beautiful powdered snow conditions."
