INTER-SCHOOLASTIC FOOTBALL

Quite a number of interested spectators watched the second game of football for the Inter-scholastic championship of the city yesterday evening at Victoria Park, when teams from Queen Square and West Kent met on the gridiron. The score stood 6-6. The game throughout was marked by clever play on both sides. The West Kent team had some new stars on, including "Whackie" McEachern, who made the two touch-downs for the team. Charlie Dougan played a star game for Queen Square, making one of the touch-downs, while Howatt made the other. Another game is to be played on Monday and will no doubt be even more interesting than yesterday's as both teams will put forth their strongest efforts to secure the championship. Queen Square team won the first game, thus giving them the lead in the series. A. A. Murphy, P. E. I. R., refereed the game very satisfactorily.

A CHALLENGE

The Abegweit football team hereby challenge St. Dunstan's College team, winners of the S. D. C. Connaught's series, to play a game, or a series of games, for the Provincial Championship. Date and place to be arranged.—Abegweit Football Committee.

the white soldiers who accompanied them from India. While feeling the hardships of the trenches acutely they have not complained.
OFFICERS WELL INFORMED.
The officers of the Indians are extraordinarily well informed regarding the war. In describing German attempts to seduce the Indians the report says that the operator of a Taube aeroplane threw down over the trenches many leaflets bearing the announcement by a German professor that Sheikh-Ul-Islam had proclaimed a holy war. All the leaflets fell into the hands of white soldiers who were puzzled by them.
Two Indians were creeping towards a German trench on a scouting expedition one night when a searchlight was thrown upon one of them. "He was quick-witted enough to realize that no ordinary resource would save his life," says the report. "He immediately rose to his feet and advanced saluting to the German trench. Its occupants ceased to fire disconcerted."
The Indian by signs indicated that he wanted to kill the British and as a result spent a luxurious night in the German lines. In the morning on making signs that he could bring other Indians he was allowed to return to his own side. He was promoted for this exploit.
