**THE MORNING GUARDIAN.**  
MONDAY, JULY 25, 1898.

**KING'S COUNTY AND CAPE TRAVERSE.**

The temperance people of Kings County are fortunate in having as their prosecutor one who so fearlessly enforces the law. Mr Bears is leaving no stone unturned in order to stop the illicit sale of liquor in that county. He is succeeding admirably, although working in the face of strong opposition from the friends of the rum sellers. His movements are closely watched and news of his approach to a village or centre is at once telephoned in advance of his arrival, in order that the evil doers may have their places of business closed.

Another obstacle frequently encountered by Prosecutor Bears is in the case of convicting a woman with a helpless family. The community think they have no right to maintain the children while the mother is serving a term in jail. Consequently some are disposed to allow her to continue selling. The government will not shoulder the responsibility of providing for the children, and the prosecutor is certainly not supposed to do so. The consequence is that occasionally an offender of this kind is allowed to go free.

While in such cases the government might be induced to take some steps, it is apparent that the remedy lies entirely with the community. This female monster can readily gauge the feelings of her neighbors and when she discovers that no leniency will be shown her, or that during her imprisonment the care of her children will be left to the dupes whom she has deceived, she will readily find a more honorable way of providing for them. In fact the existence of liquor saloons in a community is but the reflection of the strength of temperance sentiment in that community.

That a woman is a widow with a helpless family is no excuse for her selling liquor, nor should this fact entitle her to the slightest leniency from the law. There are hundreds of widows in this province making an honest, honorable living and while the one class are entitled to every respect, the other, by their traffic are branded as the most despicable of creatures.

Prosecutor Bears is greatly indebted to many good people throughout the county for valuable assistance rendered but many others retard the work by too much grumbling and no practical help, not being aware of the thousand and one obstacles in the way of enforcing the law. The prosecutor is ready to give the names of eighteen or twenty persons who have been driven out of the business in King's County since his appointment. The fact is that Prosecutor Bears obtains about as many convictions as all the other Island prosecutors combined. He spends most of his time at the work and will with proper assistance and encouragement greatly diminish the sale of intoxicants in that county.

And while making reference to King's County the attention of Prosecutor Carruthers is directed to the state of affairs in certain parts of Prince County, notably at Cape Traverse.

THE GUARDIAN is informed that liquor and beer are openly sold in two or three places in that village, while suspicion points strongly to the existence of several other dens. An effort was made recently to obtain one or two convictions, but after the examination of two or three witnesses,

**IS GENERAL GARCIA DEAD?**

**A Report, Considered Doubtful, says He is.**

NEW YORK, July 25.—A Kingston, Jamaica, cable to the "Evening Post," says: Cubans arriving from Siboney report General Garcia dead. The last word directly received from the Cuban Junta in this city from General Garcia, was dated before Santiago, July 11. It was a cable message, and stated briefly that he was well, and that the progress of events was satisfactory. At that time Garcia was to the west of Santiago, guarding against the approach of expected reinforcements to the city.

General Garcia was one of the older and abler of the Cuban revolutionists. Admiral Sampson spoke in high terms of his soldierly and intelligent bearing when he went on board the flagship. His special field of operations for the past two years has been the Province of Santiago, where he successfully evaded the superior Spanish forces sent out to defeat and capture him.

General Garcia was in his sixtieth year, and was regarded by the insurgents as one of their most intrepid soldiers. In the ten years' war his skill, bravery and energy, won him continued promotion until he received a general's star. In an action in 1874, Garcia was surrounded by Spanish troops; rather than surrender he shot himself through the chin, with suicidal intent. He recovered and was sent to Spain. He was released in 1877, when the peace of Zanjon was declared.

Garcia at one time set out for New York, and organized an expedition to Cuba. He landed in Santiago de Cuba, but was taken prisoner a second time. He eluded the vigilance of the prison guards in Spain one night, after a fifteen years' imprisonment, and fled to England.

Garcia was the promoter of the Hawkins expedition, which left this city on January, 1896, with three hundred men and a large quantity of supplies and ammunition. The vessel sank. He next fitted out the Bermuda, which was seized upon the eve of her departure in February, 1896, by a United States marshal and his deputies. Garcia was arrested and released in \$2,500 bail. He at once made another start, and landed in Cuba several days before the day set for his trial in this city. For the last two years he has been engaged in conducting the campaign of the Cubans against Spain in the Province of Santiago de Cuba.

**PRINCE EDWARD ISLAND And Its Attractions to Tourists.**

Prince Edward Island's summer climate is delightful, free alike from chilling fogs and excessive heat. The many bays and winding estuaries, together with the dark and bright green foliage, and the rich verdure of the meadows, make up a scenery which is beautiful and quietly picturesque. Surrounded by the Gulf of St. Lawrence, whose waters are almost as saline as those of the ocean itself, it enjoys all the coolness of the sea breeze, and the advantages that can only be derived from sea bathing. The average temperature of the water is about 65 degrees.

Charlottetown, the important city of the Island, has over 12,000 inhabitants, and is the capital. It is connected by rail, steamship and stage with all the important villages, towns and seaports, and an extra fine farming region. It has many great retail stores, besides a large wholesale trade. It has two Electric light plants and a street railway will soon be an accomplished fact. It has a first class water works' system supplying the city with as good if not the best water in America, and a complete modern system of sewerage is now being constructed. It is famed for its wide streets, many of which are shaded, its many pleasant drives, the principal of which is the new Park Roadway, its attractive surroundings, pure water, and clear, cool and bracing air. It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera House. It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride. It has one of the largest and best equipped pork-packing establishments in the Dominion. On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park. Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings. The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices. Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions. The principal hotels are Davis', \$2.00 up per day, \$10.50 up per week; Queen, \$1.50 per day, \$6.00 up per week; Revere \$1.00 to \$1.50 per day, \$4.00—\$5.00 per week.

Summerside is the next largest town in the Province, with about 4000 inhabitants. It is situated on beautiful Bedeque Bay and in the centre of a fine large farming region. It has the largest and finest departmental store in the Maritime Provinces, besides having other large retail stores. It has an Electric Light Plant, and a water works system and sewerage are being agitated for. Tourists are delighted with the beautiful scenery and the many pleasant drives in the immediate vicinity of Summerside. The hotels are—Clifton, \$2.00 per day, by agreement per week; Russ, \$1.50 per day, \$7.00 per week; Campbell, \$1.25 up per day, \$6.00 per week.

Georgetown and Souris are the two important towns in the eastern part of the Island, with a population of about 1,000 each. In the former the Aitken, \$1.50 per day, by agreement per week; Tapper, \$1.50 per day, \$5.00—\$6.00 per week, furnish good hotel accommodation, while in Souris the Sea View, \$1.50 per day, \$8.00 per week, affords exceedingly home-like quarters.

At Cape Traverse, a very pleasant summer resort, is the Lansdowne, a large, airy hotel at \$1.00 up per day \$4.00 to \$8.00 per week. In Alberton there is the Albion Terrace, \$1.50 per day, 500 per week. In Tignish Railway, 1.00 per day, 5.00 per week. In Kensington, Clark's 1.25 per day, 6.00 per week; Commercial 1.00 per day, 5.00 per week. In Montague, McDonald 1.00—1.50 per day, 6.00 per week. In Mount Stewart, Clark's and Manson, each 1.00 per day or 4.00 per week.

The following hotels open for the summer season: At Hampton, Pleasant View, \$1.00 pr. day, \$5.00 pr. week. At Stanhope, Mutch's \$1.30 pr. day, \$5—7 pr. week; Cliff \$1.00 pr. day, 5—6 pr. week. At Brackley Beach, Shaw's, \$1.30 pr. day, 6—8 pr. week; Sea View, \$1.00 pr. day, 5—6 pr. week. At Rustico, Seaside, \$1.75 pr. day, 7—10 pr. week. At Malpeque, North Shore, \$1.00 pr. day, \$6. up pr. week. At Tracadie Beach, Acadia \$2.00 pr. day, \$8.00—10.00 pr. week. At Alberton, Seaforth, \$1.50 pr. day, \$7.00 pr. week. At Pownal, Florida, \$1.52 pr. day, 5—7 pr. week.

In addition to those already mentioned there are several other important and progressive towns and villages in the Province, all with ample hotel accommodation, while the numerous comfortable farm houses prepare for the reception of tourists at moderate rates.

Sir James Winter, Premier of Newfoundland, will be the commissioner from that colony at the coming Conference on Canadian-American affairs.
