BOUND AND GAGGED THE WATCHMAN

ROCHESTER, N. Y., Oct. 1—A daring hold-up was perpetrated in the Mount Morris Jail early today. Two strangers attacked James Celery, the night watchman, bound and gagged him and locked him in a cell, after robbing him of some money, a revolver and a flashlight. He managed to get the gag out of his mouth and his cries for help attracted attention. The fire bell was rung and the whole town turned out to hunt the thieves. When Richmond's jewellery store was opened this morning it was discovered that the safe in which was \$4,000, was loaded with fuse, powder and soap. The men are supposed to be yegmen and it is believed that the ringing of the bell frightened them away.

AN HONEST MAN—

Wrote and told us that Ozone had not cured him of Stomach trouble. He did not say what kind of Ozone so we wrote and asked him if he was sure he had been taking solution of Ozone, the kind that contains a coupon entitling the purchaser to one full sized 25c. package of Celery King free of cost. He replied that he had unknowingly taken some other brand, and was sorry that he had trusted us unjustly. Then he commenced to use Ozone (the coupon kind) with Celery King — he is a well man to-day. You can be cured just as easily if you are careful to ask your druggists for Ozone (the coupon kind) made by the PUBLIC DRUG CO., BRIDGEBURG, ONT.
