

HEART HUMBAG.

It is fashionable to day to have a new heart scare every 24 hours. The commonest symptoms of dyspepsia or nerve trouble, such as palpitation, weak spells, loss of appetite and poor circulation, are magnified and distorted into serious signs of heart trouble, with the object of frightening the public into taking this or that heart remedy. If a hundredth part of the heart trouble we hear about were real, the cemeteries would be filled in a month. A wrong construction is put upon common ailments in order to humbug the people into the belief that heart disease is prevalent, where as real heart trouble, which is so sadly and suddenly fatal when it does occur, is a rare disease. Lopsided arguments cannot convince an intelligent people. Iron is a vital element of the blood. Too little iron means weakness, lack of spirits, pallid cheeks, shortness of breath, sleeplessness, nervousness, loss of vim and force, ending in general break down. The iron in Dr. Ward's Blood and Nerve Pills is in the soluble form you need, in combination with other curative agents in such a manner that disease can't resist their action. You feel yourself getting well when you take Dr. Ward's Blood and Nerve Pills.

Albertson writes: "This is to certify that after being almost entirely bald a new crop of vigorous, healthy hair has grown on my head through the use of McKinnon's English Ointment. I can confidently recommend this Ointment to all similarly afflicted, and believe that it will do everything that is claimed for it. I tried many hair vigors and other preparations but none did me any good."

S' SIDE AND PRINCE CO.

A SPECIAL meeting of Court Chautauqua will be held tomorrow evening, to make arrangements for a fraternal visit to be made under the direction of the High Chief Ranger.

A GRAND Fancy Dress Carnival will be held in the Summerside Crystal Rink on Thursday the 15th February next. The moon lightnights, the enlarged rink, and new and handsome costumes will no doubt make the night the event of the winter.

PROF. CUSHING of Summerside, will deliver his popular lecture on the American War with variations at St. Eleanor's, tomorrow evening. The Professor had a full house at Traveler's Rest a few evenings ago, when this lecture was delivered, and judging by the applause received, it can safely be said to have been a remarkable effort.

THE Boston Comedy Company opened in the market Hall last night. There was a fairly good house notwithstanding the fact that the Hockey Match proved such a strong attraction. British Born was played with all the old time attractiveness of this popular company. This evening the Little Detective will be put on. This is also a magnificent play and will no doubt draw a full house.

Catarth of the Stomach—Could often be prevented had the patients with a stomach, and digestive organs predisposed to weakness, been stimulated by some such pure, wholesome power as contained in the vegetable pepsin out of which Dr. Von Stad's Pineapple Tablets are prepared. But the world is finding it out—medical science is making rapid strides—and the sufferers are not having their pockets "bled" for a cure. 60 tablets 35 cents.

ITCHING PILES.

False modesty causes many people to endure in silence the greatest misery imaginable from itching piles. One application of Dr. A. W. Chase's Ointment will soothe and ease the itching, one box will completely cure the worst case of blind, itching, bleeding hemorrhoidal piles. You have no risk to run for Dr. A. W. Chase's Ointment is guaranteed to cure piles.

THIN, WATERY BLOOD.

When the blood is thin and watery, the nerves are actually starved and nervous exhaustion and prostration soon follow. Feed the nerves with Dr. A. W. Chase's Nerve Food and will impart to them the new life and vigor of perfect health. Face cut and fac-simile signature of Dr. A. W. Chase on every box of the genuine.

An Object Lesson.

In a Restaurant.

A physician puts the query; Have you never noticed in any large restaurant a lunch or dinner time the large number of hearty, vigorous old men at the tables; men whose ages run from 60 to 80 years; many of them bald and all perhaps gray, but none of them feeble or sensible?

Perhaps the spectacle is so common as to have escaped your observation or comment, but nevertheless it is an object lesson which means something.

If you will notice what these hearty old fellows are eating you will observe that they are not munching bran crackers nor gingerly picking their way through a menu card of new fangled health foods; on the contrary they seem to prefer a juicy roast of beef, a properly turned loin of mutton, and even the deadly broiled lobster is not altogether ignored.

The point of all this is that a vigorous old age depends upon good digestion and plenty of wholesome food and not upon dieting and an endeavor to live upon bran crackers.

There is a certain class of food cranks who seem to believe that meat, coffee and many other goods things are rank poisons, but these cadaverous, sickly looking individuals are a walking condemnation of their own theories.

The matter in a nut-shell is that if the stomach secretes the natural digestive juices in sufficient quantity any wholesome food will be promptly digested; if the stomach does not do so, and certain foods cause distress one or two of Stuart's Dyspepsia Tablets after each meal will remove all difficulty because they supply just what every weak stomach lacks, pepsin, hydro-chloric acid, diastase and nux.

Stuart's Dyspepsia Tablets do not act upon the bowels and in fact are not strictly a medicine, as they act almost entirely upon the food eaten, digesting it thoroughly and thus gives a much needed rest and giving an appetite for the next meal.

Of people who travel nine out of ten use Stuart's Dyspepsia Tablets knowing them to be perfectly safe to use at any time and also having found out by experience that they are a safeguard against indigestion in any form, and eating as they have to, at all hours and all kinds of food, the traveling public for years have pinned their faith to Stuart's Tablets.

All druggists sell them at 50 cents for full sized packages and any druggist from Maine to California, if his opinion were asked, will say that Stuart's Dyspepsia Tablets is the most popular and successful remedy for any stomach trouble.

IT IS A MISTAKE.

To suppose that the kidneys alone are responsible for all the weak, lame, aching backs. Backache as well as pain under the left shoulder blade frequently comes from the liver or complications of the liver and kidneys which can only be cured by using the great double treatment—Dr. Chase's Kidney-Liver Pills. One pill a dose, 25c. a box.
