MARITIME BASEBALL LEAGUE

The Fredericton Gleaner says there is a movement on foot to restore professional baseball in the Maritime Provinces.

The initiative is being taken from Moncton, it is said, and it is declared that Fredericton, as three times winners of the old New Brunswick and Maine League, will be invited to take a franchise in the new organization.

So far as can be learned, the plans of the promoters call for teams in Halifax, Amherst, Moncton, St. John, Fredericton and at least one other place. So far as both Fredericton and St. John are concerned, they are both without suitable or properly equipped baseball grounds, but both places have the fitting up of modern plants in prospect.

RAMBLERS DEFEAT BLACK FOXES 10—3

The Amherst Ramblers defeated the New Glasgow Black Foxes in Amherst this week by a score 10 to 3. The first episode ended 2-2. In the second period the score stood 5—3, in which period the New Glasgow Goal keeper was penalized for lying down in the net to stop a distinct line for the net. In the last period the Ramblers moved like well-oiled machinery chalking in five additonal scores.

YALE ABANDONS IDEA OF FORWARDING SCULLING CREW TO ENGLAND

NEW HAVEN, CONN., Mar. 18.—Yale's plans to send to England the coming summer the crew, track or tennis teams has been abandoned for different reasons. The crew has abandoned its proposed trip because of the fact that the English Henley conflicts with the Yale-Harvard regatta and the tennis team has been unable to make satisfactory arrangements for the trip and has given it up.

ALL STAR HOCKEY TEAM TO PLAY IN SYDNEY SATURDAY

HALIFAX, March 18.—A local hockey team, with some of the best players in the Maritime Provinces on its lineup will invade Sydney Saturday night for a game against the Millionaires Vassalio or Duke McIsaac will play goal: Jack I. McNeil and Gee Ahern, on the defense; Hughey McKinnon. Arthur Lilley, Steve McEachern, Pete McDonald and Bob Goodhew forward. With the exception of Goodhew and McDonald, all of the players performed with Dalhousie in Cape Breton early in the winter, and the Cape Bretoners will no doubt have to show their best to stay in the running.

TOO MUCH "ALL HALIFAX"

The Halifax Mail says: Too many weak teams have been travelling through the provinces representing "All Halifax" which has hurt the reputation of Halifax as a hockey town, as the outside fans have been led to believe that these hammy teams are the best that the city is able to put out. Manager Smith should see that he has a good team before he takes the name of All-Halifax. Of course, the managers have been promised by some of the locals that they would take the trip, and then drop at the last moment, so the manager in such a case, could not be blamed for picking up players en route to the scenes of battles.

TONITA C. LOWERED COLORS OF PRINCE RUPERT

SYDNEY, N. S., March 17. — Tonite C. 2.15½, owned by John Hill, of Sydney, today defeated Prince Rupert, 2.03¾, owned by Lemoine Brothers, of North Sydney, and because the recognized champion of the ice paths in Cape Breton. The grey mare earned her victory after three gruelling heats in one of the greatest half-mile races ever witnessed in this part of the country. The pacers met on the ice near Shalen's Beach before upwards of 2,000 people who braved the inclement weather to witness the matinee. In the first heat Tonita C. led from the start but finished ahead a few inches only, in 1.04½. The same was true of the second heat in 1.04¾. The match was for a $250.00 side bet but several hundred dollars in private wagers changed hands as a result of the race.

"Better Not," the mare owned by Bill Rudderham, of Sydney hat it all over Ashland Belle and was an easy winner in straight heats in the other race.

MARITIME HOCKEY TEAM MAY PLAY IN BOSTON

(Halifax Herald)

An all star Maritime hockey team will probably play in Boston next week. A Moncton man is negotiating for the trip, and announces that he will have players from Moncton, Halifax and Amherst on his line up. Fred and George Carroll, Jack Ingraham will go from Moncton. Bill Stewart and Les Lowther will be the Amherst players; Ahern, Wilkie and Grant have been invited from Halifax. While definite arrangements have not as yet been completed, the terms offered the Moncton men are satisfactory and all that remains to make the trip a surety is the word from the players selected.

HOLDER OF WORLD'S RECORD WILL JOIN CANADIAN OLYMPIC TEAM

HANOVER, N. H., March 15. — Earl Thompson, the Dartmouth runner, who recently made a new world's record in the 70 yard hurdles, will not compete for the United States in the Olympic games. Thompson has announced that he is a Canadian and that he will compete under the emblem of the Dominion. He is considered as a sure point winner in the gam.

Earl Thomson, who served quite a few months in the Royal Air Force, in the different camps around Toronto, was always the highest point getter for whatever field track team he represented, he was also on the Royal Air Force track team that went to the States in 1918. He was a popular fellow among all members of the Air Force.

OFFICERS ELECTED BY THE NEWLY ORGANIZED PATON'S LIMITED

Members of the Staff Becoming Partners in the Business. Mr. James W. Stewart Succeeds Mr. John McLaren as Vice-President.

At the annual meeting of Patons Limited held on the 13th of February last a number of important positions were filled by way of re-organization of the new company. Mr. J. A. McLaren was elected president; Mr. James W. Stewart, Vice president; Mr. Harry A. McDougall, director and Mr. Irvine G. McLaren secretary-treasurer.

A review of Mr. McLaren's notable record as a successful and highly prosperous drygoods man appeared at the time he took over the business from his former senior partner, Mr. Paton.

Mr. James W. Stewart, the new vice president of the re-organized company is a native of Little York where the family are well and favorably known. He came to Charlottetown about 35 years ago. After completing his course at West Kent School he took a position with Messrs J. A. Farquharson and Company, remaining until they sold aout their retail grocery business.

He then entered the employ of Messrs S. B. Inman and Co., who conducted business for some 18 months at the corner now occupied by the Canadian Bank of Commerce.

After Mr. Inman's death Mr. Stewart was taken on the staff of Messrs. Paton and Company. This was on April 10th 1893.—twenty-seven years ago. He first took a position in the carpet department as junior clerk, remaining there for a year. On the retirement of the manager Mr. Stewart took full charge. For 15 years he was the buyer, visiting Halifax and St. John; these being the principal points where the English buyers assembled.

Seventeen years ago when the firm added house furnishings to their business, Mr. Stewart was appointed manager of the house furnishing and carpet department. He has not only an intimate knowledge of the above mentioned lines but thoroughly understands the drygoods business in all its branches, having an extended experience in the various departments.

He will bring to the office of vice president that practical knowledge and experience so essential in the successful conduct of any business.

Mr. Harry A. McDougall, son of Mr. Angus McDougall of Newton, ex-Sergeant (M. M.) entered the employ of Patons Limited in 1904 as errand boy. By close attention to and a natural aptitude for the business and by willingness to work it was not long before he was placed in charge of one of the smaller departments. After serving in this for two or three years he was promoted to the assistant managership of the carpet department. In 1912 he took charge of the Gents Furnishings; holding this position until he enlisted for overseas service in November 1914, leaving here as a gunner in the Second Heavy Battery. During his overseas career he spent three and a half years between France; Belgium and Germany; was slightly wounded once and received the Military Medal in 1918. Returning home in May 1919, he resumed his former position at Patons Limited and this position he now holds. Like Mr. Stewart, Mr. McDougall brings with him to the position of Director an all round knowledge of the dry goods business as he has served in all the departments; specializing in Gents Furnishings.

Mr. Irving J. McLaren, Secretary Treasurer is another experienced drygoods man, having been with the firm for eight years. He also spent two years with the Cresent Mfg. Co. and J. W. Peck, the well known manufacturers of Montreal.

His overseas record is well known having been a Lieutenant with a Machine Gun Battalion of the 2nd division .He was through all the big "shows" after Vimy Ridge; receiving the Military Cross for splendid work during the big drive in the summer of 1918. He had also been previously mentioned in despatches.

The Policy of Patons Limited in making thier fellow workers partners in the business is highly commendable. Ten of the staff of this firm are already shareholders. A quantity of the stock is being issued to the general public and we understand that it is being taken up freely. It is proposed as soon as the necessary legislative authority is given to increase the number of directors to five or more.

Horse Show

At the Provincial Horse Show just closed the management, with commendable forethought reserved the best until the last and when announcer Lea called for carriage mares or geldings, shown in harness, a field of horses faced Judge Grigg, which for quality and fit seldom graces a Maritime Show ring containing as it did among others a number of animals that have been winners both at home and abroad but had never previously happened to face each other in one ring, and even when the final awards were made there were animals outside the money that had never been below first before. After a careful examination, that flashy grey owned by A. A. McBeth, Marshfield was placed first, her superior acting and manners winning her the coveted red ribbon. A handsome bay mare owned by Mr. Francis McKay, city, was second and that breedy looking grey gelding of Mr. Wright's, city, was third. The way this large class of horses was handled in so small a ring was greatly admired and Mr. McBeth is to be congratulated on possessing such a classy piece of horseflesh.

Wheat Contract With Greece

OTTAWA, March 19.—In the Commons today Hon. A. L. Sifton tabled the contract between the Governments of Canada and Greece in respect to the purchase of 12,000,000 bushels of No. 1 and 2 northern wheat by the latter country. This return was asked for by J. A. Archambault (Chambly Verchres.) The delivery of the wheat was to be made in the twelve months between July 1 1919 and June 30 1920. Subject to an increase in the amount, the price until the expiry of the agreement between the Canadian Government and the royal commission on wheat supplies, was to be the price charged by that commission to the Greek Government. After the expiry of that agreement a ruling market price at the time of purchase was made by the Government of Canada, plus all charges up to the time the wheat was delivered on board a steamer at loading port, and plus a commission not exceeding one cent per bushel. The agreement was signed by Sir George E. Foster for Canada and D. Caclamanos and M. Embiricos for Greece.
