

WHY DO PEOPLE LOOSE THEIR HAIR SO YOUNG ?

The one thing everyone should be most particular over, both men and women, is their hair, yet it is the most neglected. A little SALVIA Hair Tonic rubbed in once a day will give the life to the hair, feeding the roots as it does the same time killing the dandruff germ. A beautiful hair is the result.

A Coat Sweater as a Christmas Gift

Coat Sweaters are very popular this season and justly so. They tone up a man's attire, feel good, and are the warmest of garments you can get. We have just received a new lot from the makers and they certainly beat anything we have yet seen.

HYSLOP BICYCLES

Bicycles are rapidly coming back into popular favor, the demand this year being five times what it was five years ago. We have planned for it in two ways—by getting the very best English wheel we can for popular selling, and saving to our customers all intermediate profits by filling orders direct by mail instead of through agents. In this way we can offer

\$50 Wheels for \$25

and give better satisfaction all round. The quality of the wheels is all right—only the best materials used and only skilled mechanics employed in construction. The equipment is right up to date, the machines throughout are such as we can thoroughly recommend. We sell automobiles as well as bicycles and our plan is to make an advertisement to the entire business. Send for information.

THE KING'S COUNTY GUARDIAN

Offices in Montague, Capt. W. A. Johnstone, Agent, and in Souris, A. J. McDonald, Agent.

The latest news, first of all.

Inspector Moore, Charlottetown, of the Inland Revenue Department was in Souris recently on a business trip.

The Souris Citizen Band has been re-organized and is now getting in splendid shape for the coming summer. Success.

The schooner L. M. Pettie is being loaded in Souris, with a general cargo for Nova Scotia.

Among the arrivals at the Cox Hotel, Souris, on Monday last were, Leslie Wright, G. A. Perron, John Rattenbury and Eugene McEachern.

Advertisers in Souris and vicinity should phone or call on A. J. McDonald, The Guardian agent, as he has something good to offer. 11-4drtt

The Newfoundland schooner Esceida, 100 tons register, has arrived at Souris to load a general cargo of produce, cattle, lumber and staves for St. Pierre, P. Q.

The branch office of the Charlottetown Guardian will be found in the store of A. J. McDonald & Co., Souris. A. J. McDonald is the agent. 6-30drft.

Quite a sad accident occurred at Clearsprings, King's Co, Sunday evening. The young son of Mrs Mary McDonald found a dynamite pecked, sat down on a chair and commenced to pick it with a needle, when the cap exploded blowing the thumb and three fingers of the left hand and the second and third finger of the right, besides badly scorching his face giving the room a bad shaking and shattering the chair he was sitting on. It appears that his eldest brother, when down around the shore, picked up a stick of dynamite with the cap attached. He commenced striking it on the rocks, then he broke the wire off and put the cap in his pocket, carrying it around for a few days, when the young brother got hold of it. Where the cap came from nobody seems to know, but it is generally supposed that it was among those which went ashore on the north side and was washed up on the shore. The little fellow is doing as well as can be expected under the circumstances.

NEGLIGEE COAT SHIRTS

Slip on and off easy as an old coat—hold their looks longer—launder better—more style and smartness to them. Try this made-right negligee coat shirt and you'll never go back to the over-the-head kind. In all good patterns and right fabrics. Ask for the brand—red label—look for the script letters.

Nerve Energy and Eyeglasses

A constant dropping wears away a stone. A slight eye strain injures the health because it is constant. The strain which first manifests itself as a slight discomfort should be remedied at once. This we guarantee to do with glasses. Delays are dangerous—Call at the Maritime Optical and eye testing parlor where we test eyes free for consultation. We guarantee satisfaction and to change lenses during 5 years from date of purchase free. Our guarantee means something as we are here to stay as one of our firm is a resident of this Island for over 20 years and fitted over ten thousand pairs of eyes satisfactorily.
