BABE RUTH TURNS DOWN \$75,000 OFFER

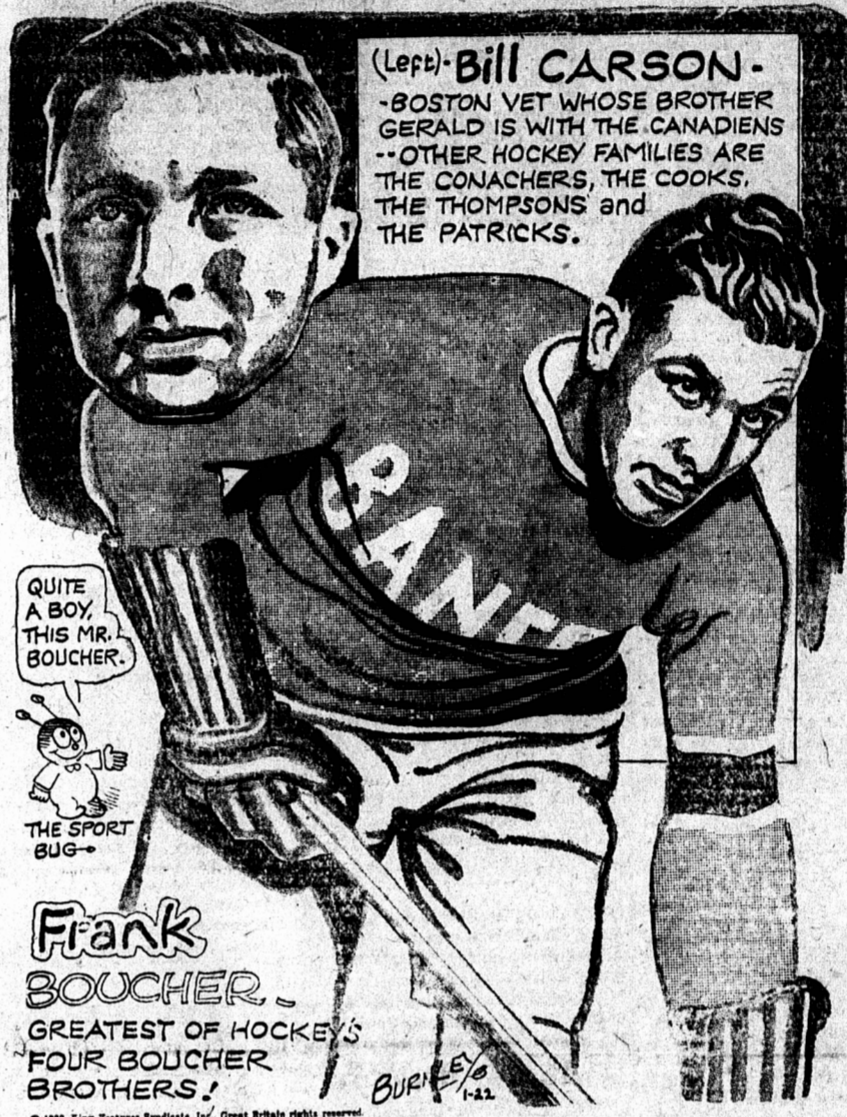

Says He Will Retire If His Demands Are Not Met—Is Well Off.

(Canadian Press)  
NEW YORK, Feb. 3.—Babe Ruth, making an "open fight" of his demand for an \$85,000 contract, has sent New York sports editors a mimeograph statement announcing his ability to retire and live in comfort if the Yankees fail to meet his figure. The statement also declared that the two-year contract calling for \$75,000 annually for 1930 and 1931 had been returned, unsigned. This represents the top offer of the club, which is understood to feel it has gone the limit. Ruth's summary of his fiscal affairs set forth that he is now in a position to retire from baseball and still be assured an income of \$25,000 a year.

YACHT CLUB SPECIAL MEETING

The special meeting of the Charlottetown Yacht Club was held at the office of the Commodore, Dr. J. E. Blanchard, a large number of members being present. A very keen interest was taken in the meeting. Quite an attractive program was drawn up for the coming season. It is expected to put on water sports open to the Maritime Provinces. The club wishes to encourage young people in these sports. They have a number of boats at their disposal. It is intended to put on a drive for membership and is hoped the public will give generous support. The club has quite a number of fine cups to race for, and wish to thank the citizens who donated them. At present four new boats are under construction, and it was resolved in accordance with the wishes of the Tourist Association to have a number of boats for the tourists, who visit the Island. Another meeting is to be held on Feb. 18 and everybody interested in this line of sport is invited to attend.

Stewart and Weiland Tied For Scoring Honors—Frank Boucher Leading Point Maker.

(Canadian Press)  
MONTREAL, Feb. 3.—The race for the honor of leading the National Hockey League in the matter of goals actually scored is quite as keen as this struggle for play-off berths in the "A" tie for the honor or new exists between Nelson Stewart and Ralph "Conney" Weiland. Each has scored twenty-five goals.

RURAL HOCKEY

The Rustico hockey team played the Stanley Stars on the Stanley rink on 23 inst. the score was 5-3 in favour of the Stanley Stars. The Rustico team are known as the whirlwind players of the north side but under the captainship of J. Hogan the Stars fought their way through to victory. E. MacKay, Star goalie, making some wonderful stops. On the following Monday night a return match was played on New Glasgow rink the Stanley Stars again defeated the Rustico team, the score being 3-2. Art Gallant, Ralph Doucett, Joseph Earl making some brilliant end to end runs, but their shots were turned aside by the Star goalie. Vincent Walsh, Elmer Fyfe and Cecil Simpson played fast and furious and Eddie Gallant and Gordon Fyfe did effective work on defense.

Canada And U. S. Will Open Davis Cup Matches

(Canadian Press)  
PARIS, Feb. 3.—Canada will meet the United States in the opening American zone contest of Davis Cup tennis competition this year, according to official draw made today at the Elysee Palace in the presence of President Doumergue. Mexico will play Cuba.

Historic Canoe On Exhibition

ROCHESTER, N. Y., Feb. 3.—An Iroquois canoe, made of a single sheet of elm bark and said to be a good sample of the type of canoe used by the six nations before the advent of the paleface, has been placed on exhibition at the Rochester municipal museum. The canoe is said to be the only one left of those actually made by the Iroquois who ceased making them early in the nineteenth century.

Late Market News On Local Alleys

MONTREAL, Que. Feb. 3.—(Piv-duce) A somewhat firmer tone was evident in all sections of the local dairy and produce market today. The tendency towards lower prices in fresh eggs, which has been the feature of the local market for some weeks, no longer exists, while the butter market was in the same position. No price changes were announced among the eggs and the butter market remained firm at from 35-4 to 36 cents a pound with retail sales being quoted at 38 and 40 cents. The improvement in the condition of the Montreal potato market was reflected in the announcement in the American statistical position about half of the amount of potatoes remaining to be shipped as there was on the same date last year. No price changes were announced. The cheese and dressed poultry markets remained steady and unchanged.  
OTTAWA, Ont. 3.—There appears to be a somewhat firmer undertone on the larger eastern Canadian egg markets today. Price reductions however are now becoming fairly common in the western provinces.  
TORONTO, Ont. Feb. 3.—This egg market is steady. Dealers are quoting country shippers for ungraded eggs extras 46-48; firsts 42-44; pullets extras 38-41; seconds 34-36; do-

Those who take their hockey seriously by no means would rate it brotherly love, yet there have been more flesh-and-blood brothers prominently identified with it than with any other professional sport. This fastest of both indoor and outdoor games certainly runs in families.  
For instance, all the four sons of Tom Boucher, once the most famous of all the Ottawa Rough Riders, are genuine hockey stars—Frank, Bill and George being in the big league, while Bobby is slated to make that grade soon.  
The Boucher brothers have a very famous precedent in the Gilmore trio which flourished about twenty years ago. Dave, Bill and Siddle Gilmore were Ottawa stars of the first magnitude. Their father was a lumber Croesus, the Gilmore brothers undoubtedly being of the wealthiest family ever engaged in professional hockey. The Gilmore featured with the celebrated Ottawa "Sil-

ver Seven" from 1903 through 1907. That team won the Stanley Cup three years in succession.  
The Cook brothers—Bill and Bun of the New York Rangers—are among the best of current puck-punchers. Their father was a great lacrosse player. And their baby "bro" Alex is pointing towards the big leagues judging from California rinks reports.  
The Carsons—Bill the Bruin and Gerald of Les Canadiens—are a split duo that lend much brilliancy to this season's hockey.  
The Conachers—the veteran Lionel and young Charlie—are also in the big league spotlight this season.  
The Denneneys from Ottawa—Cyril and Corbett; the Thompsons from Calgary—"Tiny" Cecil Ralph and Paul; the Greens—"Red" and "Shorty"—are among other hockey brothers known to most fans. And don't overlook "Ching" and Ade

Johnson; nor Les and Frank Patrick among the brethren.  
When the Patricks and the Greens were in their playing prime about a generation ago, Odie and Sprague Cleghorn were on a par with them. Most of those veteran ice-burners, having retired as players, have advanced with their favorite sport in managerial roles.  
The old wheeze that "family fights are the fiercest" may describe in part the influence most of those famous hockey brothers have had, or have, on the game. Since nearly all of them have played or play on rival teams, the battle for family ranking has added pep to many a peppery contest.  
Yes, a whack from a club off the family tree seems to resound whenever a brother body-checks a brother in an ice melee. They clash so fiercely that, many a time, spectators have had visible evidence that "blood is thicker than water!"

Play-Off Tonight Expected to Draw 2,000 Attendance

Abegweits and Crystals In Great Shape For Opening Play-Off Struggle.

ENTRIES FOR WEDNESDAY'S HORSE RACES

The following are the entries for tomorrow's ice races which will be held on the harbour ice:

Class A Pace—Major S., Marge Direct.  
Class B Pace—Louis Sett, Zelma Dewey, Butcher Boy, Colorado P.  
Celt Race—Entries close at Large's barn this evening.

FABRE LEADS SNOWSHOERS

(Canadian Press)  
THREE RIVERS, Que., Feb. 3.—Eduard Fabre, Montreal, former Canadian Olympic star, and once winner of the Boston marathon, was again at the front of the two hundred mile international snowshoe marathon at the completion of the third lap which ended here today. Fabre, who won the first and second laps on Saturday and Sunday, covered today's distance of 26 miles in four hours and 44 minutes. His total elapsed time is 15 hours, 2 minutes and 30 seconds for the eighty-four miles run since the race began on Saturday at Quebec and which will end at Montreal on Thursday night.

Snappy Comedy At Prince Edward

"Primed and waiting for the word" straining on their leashes like anxious hounds for the chase, Abegweits and Crystals will renew their struggle at the Arena tonight for Prince Edward Island hockey supremacy and the right to enter the semi-finals for Maritime honors. Abegweits have a hard contract to fulfill this evening in the beating of the Western sextet and the Crystals likewise have an equally tough proposition in finishing in front of the welters of the black and red. That's just about the way things look from the gate. Both teams are evenly matched and unless one or the other blows up entirely, not more than one or possibly two goals will separate them when the final bell rings.  
The largest crowd that has ever witnessed a hockey game in the history of the National Pastime in this province is predicted for tonight's set-to and with every promise of good ice it looks as if the cash customers are in for their money's worth.

FAIR CHAMPIONS

Two attractive young members of the London, Eng., brought laurels to the Toronto Skating Club, who won the international pair championship at Ottawa last year. Miss Margaret Henry, left, Miss Veronica Clark, right, who is attending school in
