Of Him Canada Asks All a Man Can Give

On You Canada Lays a Grave Responsibility

MAKE no mistake - this is a total war in which we face fanatical, ruthless, determined enemies. We shall defeat them only if valour in our fighting men is matched by self-denial and effort on the part of those at home.

WHAT YOU CAN DO FOR CANADA Canada does not ask of you the deathless courage that she expects of her fighting men, but she does place on you a grave responsibility Over and above the money raised through taxation she must spend every single day Six Million Dollars to carry on the war. It must come from voluntary loans - from you and people like you. That is why you are asked to get ready to buy Victory Bonds.

Does Canada doubt that you will do as she asks? No indeed. She trusts in the sincerity of your patriotism - in your deep-rooted pride in her and all she stands for. She believes that you would scorn to do less than your utmost, or refuse to lend your money while others are offering their lives.
