ENGLAND MAKES IT EASY FOR U. S. LOAN. LONDON, Jan. 10—The Times announces that the Liberian minister is authorized to sign the boundary treaty with France, thus clearing the way to the United States in the loan negotiations. A Paris despatch on October 25th said that it was understood that France had withdrawn its objection to the American plan for the re-establishment of the finances of Liberia provided the latter country signed an agreement approving the recent frontier delimitation with France. The United States had already urged Liberia to agree to this proviso.
