Queen street will present a brilliant sight--at least that section of it between Richmond and Grafton--when the electric lights now being placed above the curb of the sidewalk in front of the stores, on the east side of the street, are turned on. The illumination should be perfect as the lamps will be mounted on iron posts in such a way that street and sidewalk will be bathed in the strongest light.

Carpenter-Morton Roofing will give you every protection that iron, tin or shingles will, but it will not rot like shingles or rust like tin or iron. It is a non-conductor of heat and cold and is more durable and less expensive than either of the Roofing Coverings mentioned. It is guaranteed to last for years. Fennell & Chandler will show you this guarantee.
