**WOUNDED.**—Mrs. James Devereaux, Kelly's Cross, has received a telegram stating that her son 712711 Private Cecil Devereaux, infantry, has been admitted to the General Hospital, Rouen, August 9, suffering from gun shot wound in the right leg. It is hoped that his wound will not prove serious.

**GONE OVERSEAS.**—Miss Edna L. Chappell, daughter of Mrs. T. L. Chappell, 9 Prince Street, City, left New York last Monday, August 12, for France, with the American Medical Army Service. Miss Chappell is Superintendent of the dietetics. Previous to her enlistment she was Superintendent of Dr. Trowslade's private hospital, Fall River, Mass.

**ANOTHER ISLANDER WOUNDED.**—Mr. F. W. Hughes, City, has received a telegram stating that his son, W.S. Hughes, was admitted to No. 1 Birmingham Hospital, with gun shot wounds in the arm and side. Private Hughes was teaching school in Edmonton when the war broke out, and enlisted at once, and was one of the first to land in France from Canada. He has been there ever since. He has taken part in most of the principal battles and was shell-shocked on June 13, 1916. It is to be hoped his wounds are not of a serious nature.

**DEATH OF MRS. CROSKILL.**—Mr. Gerald Bremner, city, received a wire Saturday conveying the sad news of the death in Somerville, Mass., of Mrs. W. H. Croskill, who passed away that same morning. The sad news will be received with deep regret by her many friends here. Deceased, whose maiden name was Jennie Malcolm, came here from Boston when a girl, and prior to her marriage lived here with her aunt, the late Mrs. John McEachern. Her father belonged to a well known old Halifax family. Mrs. Croskill, since the death of her husband, who for many years was librarian of the Dodd Library and Court Stenographer, lived for a time in Toronto, where she held a position at Haverhill College. She came home in March last upon the death of her son, Arthur, and soon after that sad event went to Boston to reside. There are left to mourn the following children: Mrs. Gerald Bremner, and Miss Evelyn, of this city, and one son, Jack, with the Canadian army in France; also one sister, Mrs. Arthur Newbery, of this city, and two brothers, Robert and Arthur in the United States. To all of these the sympathy of many is extended in their bereavement.

**TO VISIT ISLAND.**—The Moncton Transcript of Friday says: Mr. J. H. Haslam of Regina, is in the City today, registered at the Brunswick. Mr. Haslam has many friends in Moncton; while in the east, he will visit Halifax and Prince Edward Island. He is being accompanied by his son. Mr. Haslam is a native of Prince Edward Island, and was a resident of Moncton about twenty-five years ago.

**ISLANDER ACCEPTED CALL.**—At a largely attended meeting of the parishioners of Trinity church (Anglican) of St. Stephen, N. B. last week to elect a rector to succeed Rev. W. Tomalin, recently removed to Shediac, several names were considered, but a unanimous call was extended to Rev. Percy Cotton of New Glasgow, and later a telegram was received from him accepting the call. Rev. Mr. Cotton is a native of Wellington, P. E. I. and it is expected will assume the directorship of Trinity at an early date.

**ANOTHER FLYER MISSING.**—Lieut. Stephen Dawson, of the Royal Flying Corps, is reported missing since August 10. He had been in the service for nearly three years with the Navy Flying Corps, but had only been in France about a month when he was reported missing during one of the recent big drives. The young officer is a son of Rev. George Dawson, pastor of Exmouth Street Methodist Church, St. John, N. B., who is well known in Charlottetown, and besides his parents he leaves four brothers and two sisters. The sisters and one brother are at home, while the three other brothers are in the air service.

**ANOTHER SON WOUNDED.**—Mrs. J. T. Clarin of this city, Saturday received a telegram conveying the sad news that her son Pte. Leo Patrick Clarkin of the Engineers had been admitted to No. 11 Stationary Hospital, Rouen, on August 9, suffering from gun shot wounds in the right arm and leg. This news is all the more regretted in view of the fact that Mrs. Clarkin, who is the widow of the late Prof. J. T. Clarkin, has already suffered exceptionally by reason of the war, having lost one son, Reginald, who was in the Navy and whose ship was torpedoed off Norway about six months ago. Another son, John, who went away with the first contingent was also seriously wounded and is still in hospital in England undergoing treatment. Leo, who is now wounded enlisted two years ago.

**TUESDAY**

**WOUNDED IN HAND.**—A telegram received yesterday by Mr. Joseph E. Bagnall announced that his son Corp. Harold Bagnall had been admitted to the Hospital at Rouen on August 9th suffering from gun shot wound in the left hand. Corp. Bagnall went over with the 105th Battalion and was later transferred to the 26th.

**MAYOR ON TRIP.**—His Worship Mayor Wright leaves today on a trip to Halifax in connection with his duties appertaining to recruiting for the Royal Air Force. He will attend the Pythian Convention at Summerside and also take in the convention of the Maritime Funeral Directors Association at Amherst on August 22-23. He will be absent one week.

**ISLAND CHAMPION TEAM.**—Mrs. M. Mahar, 78 Grafton street, has received a letter from her son, Private Lem Mahar, of the 17th Reserve Battalion, in which he states that he is now in England, and is a member of the champion Canadian tug-of-war team overseas. He is greatly pleased with the treatment accorded the Canadians in England, and sends a fine portrait of the tug-of-war team, which has a number of very fine trophies having defeated 13 other teams. He reports that all the Island boys of the 17th Reserve are well.

**POLICE COURT.**—Two prohibition cases before the Police Court yesterday were dismissed and another adjourned for a week. A man charged with disorderly conduct on the street was fined \$5 and costs and another for using obscene language was similarly fined. A case of non-payment of dog tax resulted in a fine of \$5.

**WOUNDED TWICE.**—Mr. Angus N. Nicholson Hazel Grove has received notice that his son Sergt. John R. Nicholson has been admitted to the Rouen Hospital August 9th suffering from gunshot wounds in the shoulder. Sergt. Nicholson is a member of the original and now famous 26th Battalion and this is the second time he has been wounded.

**TO WORK IN SYDNEY.**—The Moncton Times of Saturday says:—A group of men from Prince Edward Island passed through the city yesterday en route to Sydney where they are engaged to work in the employ of the By-Products Coke Company of Sydney. The men were in charge of Mr. James Uvanni, a representative of the Company. The coke company is a lessee of the Dominion Steel Company, of Sydney.

**ISLAND OFFICER'S INVENTION.**—It is stated that Major J. A. Stewart went to France in July, 1917, and talion, has been successful in the invention of an apparatus for the use of machine gunners and snipers, and has been granted letters patent by the British Government. Major Stewart went to France in July, 1917, and is now on duty in the Somme area. His many friends will congratulate him on his invention.

**ON ACCOUNT OF THE WAR.**—If there is a vocation in the world which has been benefited on account of the war, it is that of sea captain, says an exchange. The amount of wages paid the sea captain today would very many years ago provide the ship with food, and a complete crew. One Nova Scotia captain, who but ten years ago reported not over \$80 per month, is reported now to be the recipient of \$300 per month with a bonus of two per cent on freight.

Word has been received that Lieut. A. E. B. Murphy, eldest son of Senator Murphy, of Tignish, has been awarded the Military Medal for valour on the field and efficiency. Lieut. Murphy, according to Gunner P. McBeth, of the 8th Siege Battery, was one of the best and most popular siege officers in France. He has been over eighteen months in the trenches. The Guardian regrets to learn that Lieut. Murphy is now in the Prince of Wales Hospital, London, having been invalided to England on prolonged leave. The many friends of Lieut. Murphy will wish him a speedy restoration to health.

*War times are teaching us that there is no economy in buying the cheapest goods nor the fancy high priced ones. We are depending on the solid values of the good standard brands—the brands that were good in peace time and have doubly proved their worth in war time.*

*Red Rose Tea—costing today only about 1/4 of a cent per cup—is one of the solid war time values that anyone can afford—and that everyone will enjoy.*

*It is truly a war time tea*
