CENTENNIAL ANNIVERSARY OF DIOCESE

Eloquent Call to Thanksgiving and Prayer Sounded in Pastoral Letter of Bishop O'Leary at Cathedral Services Yesterday.

A call to thanksgiving and prayer in commemoration of the hundredth anniversary of the Roman Catholic diocese of Charlottetown was sounded in the pastoral letter of His Lordship Bishop L. J. O'Leary, which was read at the morning services in St. Dunstan's Cathedral here yesterday.

It was announced that, as a manner of celebrating exteriorly the great festival of the anniversary, it was decided to hold in Charlottetown on June 27th, the solemn consecration of St. Dunstan's Cathedral the mother church of the Diocese. It is hoped that His Excellency the Apostolic Delegate will perform the ceremony. The present year, it was announced, also marks the seventy-fifth anniversary of the founding of St. Dunstan's University and the fiftieth anniversary of the commencement of the Charlottetown Hospital. Each of these events will be celebrated at an appropriate time during the year.

In his Pastoral Letter his Lordship says:

"The cycle of time passing from the future to the past places before us many reasons for rejoicing, many periods particularly marked out for us in letters of joy. Some are times of universal rejoicing in the Church, the feasts of Christmas and Easter, the years of Jubilee and other periods in which the whole body of Christians express their happiness. Some are days that appeal merely to the individual or family as birthdays, anniversaries and are days of joy and gladness for the immediate circle of friends. Others are periods that appeal to the faith and love of an entire Diocese and serve as a reason for happy celebrations on the part of the entire diocesan flock.

"Thus the year 1929, the hundredth anniversary of the erection of the Diocese of Charlottetown is one such period for us, Bishop, Clergy, Religious and Faithful of this Diocese, and one in which we should raise our united voice in joyous acclamations, earnest thanksgiving and sincere

Tribute To Late Lord Northcliffe

(Special to The Guardian)
LONDON, Feb. 18.—A statue is to be erected in Fleet Street to the late Lord Northcliffe. Several admirers have contributed to a fund for that purpose, among them Wm. Harrison, proprietor of the Daily Chronicle, whose company has given \$5,000. It is felt that this tribute should be paid to the man who was the greatest journalist of his time.

Capt. Rhude Of Stanley Lauded At North Sydney

NORTH SYDNEY, Feb. 18.—An event of unusual interest took place in the Eastern Club rooms this evening, about six o'clock, when Captain Rhude of the S. S. Stanley was presented with a gold headed walking cane, by the business men of the town, in token of being the first Captain to bring a foreign ship into port for the year 1929.

This idea was based upon a custom of this nature, yearly carried out at Montreal.

D. B. MacLeod, M. P. F., for Victoria County, made the presentation, and extolled Captain Rhude for his heroic rescue of the S. S. Terne, and for his gallant and successful effort in bringing here for medical treatment, two women from the north of the island.

S. S. PADNSAY IN DISTRESS

(Canadian Press)
ST. JOHN'S, Nfld., Feb. 18.—According to a message received this morning by Marconi Company via Cape Race, the S. S. Padnsay is in distress with steering gear broken in latitude 41.30 north, longitude 49.50 west. Last night the worst storm for the winter was experienced off this coast. No other particulars given.

Northern Diocese

Ven. Archbishop William A. Geddes was consecrated bishop of the missionary diocese of MacKenzie River, in Winnipeg on February 3. From his headquarters at Fort Chipewyan, on the shores of Lake Athabasca the new bishop administers to the inhabitants of a vast territory comprising trappers, traders Indians and Eskimos.

UNVEILING OF MEMORIAL AT THE CITADEL

Impressive Ceremony Conducted by the Salvation Army.

The memorial tablet erected in the Salvation Army Citadel, was unveiled yesterday afternoon by His Worship Mayor Xeo who was supported by Judge Stewart. The Citadel was full to capacity with Salvationists, members of the local Masonic-Fraternity, and interested citizens met on common ground to pay tribute to the noble life and work of one of Charlottetown's own sons. The late Ensign Charles Squarebriggs, to whose memory the memorial stands entered the Salvation Army work as an officer over twenty years ago, and was one of the most popular and successful in the Canada East Territory. He was led to Jesus Christ as his Saviour, by his own brother, Field Major Wm. Squarebriggs, and on his death bed, thanked his brother for that act. The late Ensign scored many achievements as a Salvation Army officer, in such cities as Toronto, Hamilton, Chatham and Kitchener, Ont. In the two latter cities he accomplished the task of re-building the Army Citadel. In Kitchener the building was opened during his term of office. In Chatham, Ont., he just completed the task of raising the funds before he was called to his eternal reward. The Citadel was opened yesterday, the same date as the memorial unveiling in this his own home corps and city.

At the service yesterday there were present Captain Henry Squarebriggs, father of the promoted warrior, Mrs. Stearns, sister, both of Bridgetown, P. E. I. also Mr. John and Ralph Squarebriggs of this city, related to the departed and also Mr. Wm. Peardon, brother-in-law.

The service opened yesterday afternoon with the fervent singing of the old hymn "Forever with the Lord" and prayer by Mrs. Adj. Martin. Miss Baker and Miss Austin sang a duet, "I have given up all for Jesus." His Worship Mayor Xeo was presented to the congregation by Adjutant Martin, who conducted the service. Dr. Xeo, made some much-appreciated remarks concerning his personal pleasure in officiating at this unveiling ceremony. His Worship paid tribute to the great and efficient work of the Salvation Army the integrity of its officers and soldiers, and in his official capacity, paid respect to the memory of a gallant son of the community. After the tablet was unveiled, the memorial prayer was offered by Adjutant Martin. The reading of several messages followed, which were read by Mrs. Adjutant Martin. There were received from Adjutant Mrs. Squarebriggs and Captain Eileen Squarebriggs, of Lon-

COMBINED APPELLATE COURT FOR MARITIME PROVINCES DISCUSSED

(Special to The Guardian)
TORONTO, Feb. 18.—A meeting of the council of the Canadian Bar Association was held this morning in the Benchers rooms of the law society at Osgoode Hall to further consider the question of reforming the judiciary and increase the salaries of high court judges. This matter was before the Canadian Bar Association at its last annual meeting but as there were two conflicting reports the matter was left over for further study.

The plan under review now is to endeavor to lessen the number of judicial decisions which if carried out, would lead to a reduction in the number of judges and enable the remuneration of those occupying positions on the high court bench to be increased.

Radiographs Shows Condition of Lungs Normal

(Special to The Guardian)
LONDON, Feb. 18.—Additional evidence of the improved condition of the King's lungs was forthcoming in that authoritative medical journal, the Lancet which emphasized that "radiographs have confirmed the physical examination in showing that the condition of the damaged lungs has returned to normal."

The beach beneath the King's bedroom windows at Craigwell House was frosted with ice when the Prince of Wales drove up in his limousine for a short visit with his father today. The Prince landed at Southampton earlier in the morning from Havre. He spent some time in the King's bedroom and later lunched with Queen Mary. The Prince received the cheering report that the King was sleeping well and that his condition continued to be satisfactory.

Twenty degrees of frost Fahrenheit were registered on the grounds at Craigwell house early this morning, but the mansion is well equipped with radiators and there was a big coal fire in the King's bedroom. There was only one hour of sunshine today, and unlike yesterday, the wind-

don, Ont., (widow and daughter of the departed), Field-Major and Mrs. Wm. Squarebriggs of Brantford, Ont. (brother and sister-in-law) Mrs. Commissioner Maxwell (Toronto, Ont.) (wife of the Territorial Commander who is absent in London, Eng., attending the High Council Sessions), Colonel R. Henry, Toronto, (Chief Secretary) Staff-Capt. Spooner, Divisional Commander of Windsor Division, who was in Chatham for Citadel opening, Alderman (Bandmaster) Dunkley of Chatham, and a message of regret of inability to attend service from Rev. W. Bruce Muir of this city.

Train Dynamited By Insurgents

(Special to The Guardian)
MEXICO CITY, Feb. 18.—Survivors of a train attack in which 50 persons may have perished were en route today to Mexico City from Yurecooco, Michoacan, near where the attack was made. News of the attack is carried in Mexico city newspapers in special dispatches from Guadalajara and Zamora, saying the military escort to the train, usually between 30 and 50 passengers and its engineer and firemen were killed. The train proceeding from Reyes to Yurecooco, from where it was to go to Mexico City was dynamited and then the insurgents attacked it, the escort fighting until its ammunition gave out. The attackers then burned the train.

Starts Service

Col. Charles Lindbergh, "Lucky Lindy" flying a United States mail plane took off from Miami, Fla. on Feb. 4th on the first leg of a 2,327 mile trip to Cristobal, canal zone, which he successfully completed. The flight starts an air mail service which will put any point in South America just a week distant from the canal.

AEROPLANE FORCED TO LAND AT TRYON

Machine, Slightly Damaged, Returns to Moncton at 4.15 With Mail Sent From City.

THE AEROPLANE
Yesterday the aeroplane left Moncton at 10 a. m. for Charlottetown, but on account of poor visibility, there being a heavy fog prevailing off the Island Coast, was forced to land at Tryon. Before making this landing the pilot narrowly escaped hitting the roof of a building so close did he have to go to the surface to see where he was. He made a good landing in a small field belonging to Mr. Bowley Leard, but broke through a seven strand barb wire fence.

As a result of this, the plane was slightly damaged, the left ski being slightly injured, and the cabin penetrated in two places, a wooden splinter entering it just above the pilot's head, and a fence post going through the isinglass window in the lower front portion of it.

The pilot on landing drove to Cra-paud from which place he telephoned to the city asking that the mail for the mainland be sent him. A taxi cab belonging to Mr. Ben Acorn, and driven by Mr. Fred Welsh was immediately despatched. It left the City at 12.15 with 200 lbs. of mail, and reached the scene of the landing at 1.30 p. m. It reached the city at 2.45 p. m. with a load of 580 lbs. of mail which the aeroplane had brought over.

The plane had come to rest at a point only a short distance from Try-on River, and she was hauled down onto the ice by a group of men. The damaged ski was repaired, and the pilot as a result, was able to take off and arrive at Moncton with the mail matter at 4.15 p. m. She will leave this morning on her regular schedule. On Saturday the aeroplane made one trip, leaving Moncton at 11.15 and bringing over 500 lbs. of mail. She left for Moncton via Summerside at 12.10 p. m. At first she was loaded with 600 lbs. mail, but as the ice was somewhat sticky and she was unable to rise, she was forced to put off a couple of bags.

Delegation Inter-View Thornton Re C.N.R. Hotel

(Special to The Guardian)
MONTREAL, Feb. 17.—The Charlottetown delegation arrived in Montreal Saturday morning and at eleven o'clock had an interview with Sir Henry Thornton and Mr. Hungerford. They were accompanied by Messrs Sinclair and Jenkins and after Mr. Sinclair had introduced the delegation Mr. Justice Arsenault presented the case on their behalf and after an informal discussion in which Messrs Rattenbury, McLeod, McDonald, Sinclair and Jenkins participated, Sir Henry gave orders that railway representatives be instructed to proceed to Prince Edward Island to look the situation over with the contemplated view of constructing a C. N. R. hotel in Charlottetown. The delegation is well satisfied with the progress made so far and entertain splendid hopes in the matter.

France Wants Foreign Wheat

(Canadian Press)
BUENOS AIRES, Feb. 16.—(AP)—France wants 10,000,000 tons of foreign wheat to meet the present year's need, says a communication received from Paris by the Argentine minister of agriculture. The despatch adds that owing to the scarcity of concentrated forage French farmers were using wheat instead. Last week French millers purchased 80,000 tons of Argentine wheat which was a week's record.

Senate Approves Kellogg Pact

(Special to The Guardian)
OTTAWA, Feb. 16.—The Senate of Canada unanimously approved the Kellogg peace pact signed at Paris last summer. Hon. Raoul Dandurand moved the resolution favoring adoption of the multilateral treaty which renounces war. In making the motion he said the League of Nations had been in operation for ten years; that it had brought into international world affairs a spirit of close co-operation and denounced secret diplomacy. He said the initiative to increase armaments after the signing of the Kellogg peace pact was probably due to national pride rather than intention for one nation to build against another. Sir George Foster strongly approved Canada's ratification of the treaty.

Favor Conference On Disarmament

(Special to The Guardian)
WASHINGTON, Feb. 16.—Reports that another naval armament limitations conference was in the making have taken shape with the announcement by Sir Esme Howard, British ambassador, that his government plans to take the initiative toward such a conference. The United States and Japan are both believed to favor an armament parley. The Washington government has received no direct word from Great Britain. This and the fact that the next administration will probably have to deal with the problem has impelled the administration to proceed cautiously but word has gone out that the United States is maintaining its traditional attitude of readiness to participate in such a movement. Baron Tanaka, Japanese foreign minister, recently suggested that it might be well to advance the date of the conference set for 1931.
