## A NERVOUS BREAKDOWN

**Miss Kelly Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.**

Newark, N. J.—“For about three years I suffered from nervous breakdown and got so weak I could hardly stand, and had headaches every day. I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recommending the Compound ever since and give you my permission to publish this letter.”—Miss FLO. KELLY, 476 So. 14th St., Newark, N. J.

The reason this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition and as a result her nervousness disappeared.

### SOCIAL EVENING AT CONVALESCENT HOME.

The patients at the Convalescent Home were informally entertained by the members of the Girls Convalescent Society on Wednesday evening. This society is comprised of the following young ladies: Miss Dora McDonald, President; Helen Agnew, Treasurer; Jean McMillan, Secretary; Helen Davies, Dorothy Davies, Jessie Brown, who have been busy for the past few months in their splendid work and have already raised upwards of \$200 for their fund, their last achievement being a musical at the Davies Hotel. They intend presenting the Convalescent Home with several card tables which are to arrive in a few days. The evening was quickly passed in music and dancing the club girls have asked a number of other friends to join them. The entertainment was thoroughly enjoyed. Dr. Porter, Matron Hulcoat and Sisters Bearisto, McDonald and Fitzgerald joining in the gaiety and making everyone feel very much at home. During an intermission the Convalescent girls served dainty refreshments and the evening was brought to a close with the lancers, God Save the King and three cheers for the Society, the girls responding with cheers for the Convalescent patients and staff. These young ladies deserve every support and encouragement in their noble work.
