REPORT OF C. W. L. PRESIDENT

To the Chaplain, Officers and Members of the C. W. L., Charlottetown Sub Division.

We have arrived at the close of another year and it is well for us to take account of what has been accomplished, that it may stimulate us to still greater efforts in the future.

Early in the year our monthly lecture course was resumed and we are deeply indebted and truly grateful to the following gentlemen who gave so freely of their valuable time for our benefit: Rev. Gavran Monaghan, Rev. Jas. McGuigan, Rev. Fr. Hughes, Rev. D. P. Croken, Rev. A. J. McIntyre, Judge Arsenault and Dr. J. D. McGuigan.

Continuing along Educational Lines a greater interest has been taken in our schools and prizes awarded for efficiency in different branches.

The winners of our prizes for the term ending June 1924 were as follows:

- St. Dunstan's University—Philosophy, Elliot McGuigan. St. Patrick's School—Grammar, Maurice Clarkin. St. Joseph's Convent—Essay, Agnes Gallant. Notre Dame Convent—Essay, Mary McInnis.

It has been decided to supplement these prizes this year with one to each grade for Interscholastic Competition. Clothing and school books have been provided, thus enabling a number of children to attend school, who could not do so otherwise.

St. Dunstan's Girl Guides which were formed under the auspices of the League, have been active during the year and in August had their two weeks outing under canvas at Tracadie. Miss Florrie Dorsey, our Juvenile Welfare Convenor who acted as Camp Commandant carried on most successfully. She was assisted by the President and Girl Guide Officers.

Our Guides have the honor of having held the first field service here, the Holy Sacrifice of the Mass having been celebrated by the Chaplain Father Maurice McDonald, and attended by the Guides in uniform. A Mass Tent kindly lent by the League of the Cross, was an important addition to our equipment, and enabled us to have Mass many times during the two weeks.

The Catholic Collegian Club, whose members are Catholic Students from the Prince of Wales and Commercial Colleges is also in good condition and again we are indebted to the League of the Cross for the use of a room for meetings and for the Gymnasium on Saturday evenings. Details of these two activities will be given in Miss Dorsey's report.

The National body of the C. W. L. realizing the great need have undertaken to help in the work of caring for the Immigrants and have asked the assistance of each Sub Division, and a substantial check was sent for that work.

The same applies to the Sister of Service Movement and the League has made itself responsible for the maintenance of the training of these noble women who will devote their lives to God's Service in His Vineyard of the West. This is made possible by donations large and small from each Sub Division, and we deem it a privilege to be even a small factor in such great work.

The Catholic inmates of the Infirmary have been provided with literature and articles of devotion, and a similar donation was sent the sailors on board different vessels. Christmas hamper was sent to St. Vincent's Orphanage, Infirmary, St. Francis' Hostel and the Dispensary, and to the needy families.

We are in receipt of a Directory of Catholic boarding homes for girls and women which will help to a very great extent to solve a pressing problem without going into the question of the dangers which in

When Kidneys Hurt Drink More Water

The American men and women must guard constantly against kidney trouble because we often eat too much rich food. Our blood is filled with acids which the kidneys strive to filter out; they weaken from overwork, become sluggish, the eliminative tissues clog and the result is kidney trouble, bladder weakness and a general decline in health.

When your kidneys feel like lumps of lead; your back hurts or the urine is cloudy, full of sediment, or you are obliged to seek relief two or three times during the night; if you suffer with sick headache, or dizzy, nervous spells, acid stomach, or if you have rheumatism when the weather is bad, begin drinking lots of good soft water and get from your pharmacist about four ounces of Jad Salts. Take a teaspoonful in a glass of water before breakfast for a few days and your kidneys may then act fine.

This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate clogged kidneys, to neutralize the acids in the system so they no longer are a source of irritation, thus often relieving bladder disorders.

Jad Salts is inexpensive; can not injure, makes a delightful effervescent lithia-water drink and belongs in every home, because nobody can make a mistake by having a good kidney flushing any time. By all means have your physician examine your kidneys at least twice a year.

YEARS OF SUFFERING FROM INDIGESTION

Ended by the Famous Fruit Medicine—"Fruit-a-tives"

MRS. D. J. CUMMING

"For many years, I was tortured by most Acute Indigestion, Liver Trouble and bad Fainting Spells. I tried all kinds of medicine but none gave me relief. On the advice of friends in Canada, I was induced to try "Fruit-a-tives." Almost from the first dose, I noticed an improvement and I am now practically free from the distressing fainting spells, my complexion, which used to be quite sallow, has cleared, and I am no longer troubled with indigestion."

Mrs. Cumming writes from Booth St., Shortsville, N. Y. Her experience is typical of thousands of others. "Fruit-a-tives" are made from the medicinal principles of fresh oranges, apples, figs and prunes combined with valuable tonics. Try them yourself. 25c and 50c a box at all dealers.

every large city beset the unprotected girl and woman, one of the greatest is that of the boarding or rooming house, whose proprietor may be an unscrupulous person. Therefore this Directory should prove a blessing not only to the girl or woman travelling alone, but to her friends and relations, who will feel confident of her safe keeping. The survey was made by the Social Welfare Committee, of which Lady Hingston is Convenor, and is sponsored by Rev. J. L. O'Rourke, Chancellor of the Arch Diocese of Montreal.

Our Magazine, the Canadian League is another matter for consideration. No member can afford to be without it, as each month it contains messages from our National officers, reports of all movements, notes from Sub Divisions and a valuable fund of information of our work in general. Therefore in the best interest of the League, each member is asked to become a subscriber.

We have co-operated in all public movements, Tag Days, Poppy Days and Envelope Collections and are represented on the Executive of the Children's Aid and City Club.

You will see by the Treasurer's Report our various entertainments have netted us a considerable sum, but the greater part has been paid out. The expenditures were all in worthy causes, cash donations having been given to the Linen Fund for the new Hospital, St. Vincent de Paul Society for the poor and other charitable works. \$50.00 was sent to Bishop Morrison for the Miners Relief Fund, in a response to a call from our National President, Mrs. W. H. Lovering, who estimated that \$100.00 had been telegraphed as soon as the appeal reached her, and that she was sending a call to each of our Sub Divisions in Canada.

In September last the Diocesan Convention was held in Tignish and this Sub Division was represented by the President as Voting Delegate, and Mrs. Geo. McCormack. We are indeed grateful to the ladies of Tignish for their kind hospitality and cordial reception.

We will have the honor of having the Convention held here this year and we are looking forward to it with pleasure.

It is our sad duty to record the death of a faithful member, Mrs. Allan Dolron and our sincere sympathy is extended to her family. May her soul rest in peace.

Letters of condolence and Spiritual Offerings have been sent to bereaved members and flowers to those who have been ill.

A High Mass of Thanksgiving is offered annually on April 26th, the feast of our Patron, Our Lady of Good Counsel and in November in Requiem Mass for the souls of deceased members.

During the year 10 Executive 2 special and 9 regular meetings have been held, and during July, August and September meetings were suspended, the work being carried on in Committees.

Many charitable works have gone unrecorded in this Report as only the outstanding points have been dealt with, but we have given of our best in every case and trust that the small seeds of good deeds done, will bear good fruit.

Let us be thankful for our successes and trust in God for the grace to see our failures in the proper light, that we may profit by them in the future.

We are grateful to our Chaplain, Rev. Maurice McDonald for his kind and helpful counsel and for his care of our Girl Guides while they were at Camp when he drove so many mornings to Tracadie, that they might have the benefit of Mass.

Much credit is due the Officers and the Convenors of different committees who have so faithfully discharged their duties and on behalf of the members I extend them sincere thanks.

To the members who have

THE MARKETS

MONTREAL, April 8.—The foreign demand for Canadian grain in the Montreal market today showed an improvement and as the prices bid in some cases were in line with exporters views. Sales of Manitoba wheat and oats were made for April shipment, but the volume of business was not large. Sales of No. 1 Northern wheat were reported at eight cents per bushel over the Winnipeg May option, C. I. F. Buffalo and this price was bid here C. I. F. bay ports, but none was available at this price and a few odd lots of No. 2 feed oats were sold at 1 cent per bushel over the Winnipeg May option, C. I. F. Montreal. A moderate trade was done in car lots of oats for domestic account and prices were steady. There was no further change in the condition of the local flour market for spring wheat grades, but the undertone was firm at the recent advances noted the demand from the United Kingdom and continental buyers showed no improvement and local trade was also inactive. The market for winter wheat flour was without any new feature to note, prices being steady with only small business passing. The improved demand from American buyers for the Canada millfeed noted on Tuesday was again in evidence today and a more active business was reported, it being claimed that sales of fully 125 and 150 cars of bran and shorts were made in the last two days with the result that some millers have now disposed of all their surplus stock and consequence the market is a fair better condition. There was also an improvement demand from local and country buyers and prices were steady. The market for rolled oats was steady although the receipts of eggs continued liberal, a fairly steady feeling prevailed in the market and prices in a wholesale jobbing way showed no further change, which was attributed to the heavy consumptive demand for easter requirements, and the fact that the dealers in most cases are not storing for future wants an easy feeling developed on the market for butter and prices were reduced 1/4 cents per pound. Little business was transacted in cheese and prices were easier with western fodder made No. 1 white and colored quoted at 22 to 22 1/2 cents per pound and No. 2 grades at 21 to 21 1/2 cents per pound.

MONTREAL, April 8.—Dominion Livestock.—With but 25 cattle, 3 sheep, six hogs and 202 calves for sale on the two markets this morning, there was no business. Most of the buyers had sufficient supplies already purchased to meet their requirements until after the holidays and were not buying today. The calves sold at steady prices. Quotations were, calves 16 to 17 for straight lots and hogs \$13 75 or better for mixed bunches.

Unsurpassed For Childhood Ailments

Mrs. Howard King, R. R. No. 5, Truro, N. S., says:—"I am the mother of four children and have always used Baby's Own Tablets when any of them needed a medicine, and I can recommend the Tablets as being unsurpassed for childhood ailments." Thousands of other mothers agree with Mrs. King as to the merits of the Tablets. There are thousands of homes throughout Canada where the Tablets are always kept on hand in readiness for the last sign of any of the minor ailments which afflict little ones. Baby's Own Tablets never fail to regulate the stomach and bowels, thus they banish constipation and indigestion; break up colds and simple fevers; relieve colic and bring the baby through that dreaded teething period in safety. The Tablets never do harm—always good—as they are guaranteed absolutely free from any injurious drugs. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams Medicine Co., Brockville, Ont.

Price of Sugar Goes Down

NEW YORK, April 10.—Refined sugar touched a new low price for the year today when the Federal Sugar Refining Company reduced fine granulated to 1 1/2 cents a pound. The decline was attributed to an effort by the refinery to stimulate business.

IN MEMORIAM

GRAFTON B. ENMAN Died at the Weyburn Hospital, in Weyburn, Saskatchewan on March 15, 1925, Grafton B. Enman, son of Osbert and Mrs. Enman of Vernon, Besides a sorrowing mother and father who mourn, are three brothers Preston in Alberta, Warren and Ray at Vernon and a sister, Mrs. Frank Lea of Vernon River. The deceased enlisted in Charlottetown in May 1915, and served with the colors for four years, four months. He went over to England with the 55th Bn. There he was transferred to the Royal Canadian Regiment and served in France during the most severe fighting of the war. He took part in the Somme offensive of 1916 being wounded at Courlelette and on two other occasions, the last one just before the armistice at Cambrai in 1918.

On his return he visited in Western Canada and the United States along the Pacific Coast for his responded so generously, on every occasion, I tender the gratitude of the officers. In closing, let me urge you to continue in your earnest endeavors to live up to the ideals of the C. W. L., and keep ever on in the work of Love and Service for God and Country.

What You Get For The Last \$10 YES, there are lower-priced bicycles than the C. C. M., but the C. C. M. is by far the cheapest in the long run. That last \$10 you pay for a C. C. M. is the most important part of your purchase. It assures you— extra years of easy riding, extra reserve strength, extra durable finish, fewer repairs, a higher selling value for your "used" C. C. M. For that last \$10, you get, among other things— the smooth-running Triplex Hanger, a frame of English Seamless Tubing, reinforced at the joints, extra coats of rich, lustrous enamel, rustproof nickelling over copper, the classy Gibson Pedal with rustproof aluminum frame, the new improved Hercules Brake, a bicycle with everyone of its 1761 parts made with watch-like accuracy, a bicycle "trued up" at the factory. And, remember, five years from now your "used" C. C. M. will easily bring \$10 more than a five-year-old inferior machine—if the inferior machine has not already reached the scrap heap. You simply cannot lose by buying a C. C. M. Prices Are Again Reduced They're now \$20 to \$25 less than the "peak" prices. This year C. C. M. bicycles are the biggest values since pre-war days. health but his constitution was so undermined by the hardships endured that it was necessary to receive hospital care, and although all that medical skill could do for him his spirit on March 15th, passed to the great beyond. The Weyburn Review, Sask., in referring to the deceased says:—"Deceased Ex-Soldier Given Military Funeral at Weyburn last Thursday." The death occurred at Weyburn on Sunday, March 15, of Grafton B. Enman aged thirty-one years, who was an ex-Private No. 444,463 Royal Canadian Regiment. He was the son of Osbert Enman of Vernon Bn. Bridge, Prince Edward Island. He served from May 1915 until August of 1919, had been twice wounded while on active service in France and had been an invalid since. The funeral, which took place on Thursday last, was a military one, the firing party being furnished by the 1st Bn. Weyburn Regiment since been an invalid. DONALD H. McADAM At West St. Peter's, March 1st, 1925, Mr. Donald H. McAdam died at the age of 93, frequently consoled by the rites of Holy Mother Church he passed peacefully away. Though ailing for several years he was always of a cheerful disposition and bore his sufferings with christian resignation and fortitude. His wife predeceased him about five years ago. Since then he resided with his cousin, Mr. Peter McAdam. Besides a large number of friends he leaves to mourn two sisters now residing in Boston, Rev. George Coffin of Winnipeg is a nephew of deceased. His funeral, to St. Andrews was largely attended. After Requiem High Mass by his Pastor, Rev. A. P. McEllan his remains were laid to rest in St. Andrews cemetery. The pall bearers were: J. B. McDonald, A. R. McDonald, Joseph McMillan, Patrick McMillan, Daniel Nolan, H. J. McPhee.—May his soul rest in peace.

McClary's KOOTENAY RANGE Has an oven that not only is easily cleaned but has a white nickelled surface to which dirt does not easily adhere. The quality of the Kootenay is MORE THAN SURFACE DEEP
