—TODD-FRIZZELL — A quiet but pretty wedding was solemnized at the United Church, Manse, Kensington, P. E. I., on Thursday, April 18th at 4 p. m. when Rev. L. M. Murray, united in marriage Rita Jean, youngest daughter of Mrs. James W. Frizzell and the late Mr. Frizzell of Stancheil, P. E. I., to James Todd of Rose Valley, P. E. I. The bride was attired in a street length dress of powder blue crepe with matching accessories. The happy young couple were unattended. After the ceremony the newly-weds motored to the home of the bride's sister, Mrs. Preston Woodside and Mr. Woodside, where a delicious wedding

supper was served. For several years the bride has been a successful school teacher. Mr. and Mrs. Todd now reside at Rose Valley, P. E. I. Their many friends wish them much happiness on their road of life.

—EASTER SERVICE — On account of the storm the week previous, the Easter service was held in the Bedouque United Church on Sunday morning, April 28th. Many beautiful flowers were placed at the front of the Church. Rev. J. M. Baxter preached a very inspiring Easter sermon. The junior choir led the service of song. Mrs. Edna Jenkins presided at the organ. A reception service was held and seven united with the church by profession of faith and were welcomed by the congregation. At the close a sacramental service was held assisted by Rev. E. S. Weeks and elders of the church.—B.

—The dance which was held on Easter Monday night in Ebbesfeet school under the auspices of the Women's Institute was a success socially as well as financially. Mr. Harris Callaghan acted as chairman and after a few well chosen remarks, Mrs. Callaghan read an address to the fine young men who have recently returned from overseas, namely, George Gallant, Wilfred Thibodeau, Crawford MacCormac, Alroy Wedge and Leonard Mokier after which signet rings were presented to the returning heroes. Two minutes silence was observed in memory of the two boys of the district who made the supreme sacrifice.

—Mr. Jack Clarke, Alberton, distributing agent for the McCall-Frontenac Oil Co., made an unsuccessful attempt to get to Minnipegash with a load of gas and oil for the Ward Fish Plant. The nearer he got to the harbour, the worse the roads became and he had to unload within one-half mile of the plant.
