Could Not Sleep At Night.

Was All Run Down.

Had No Appetite.

FOOD WOULD NOT DIGEST.

Mrs. I. W. Warner, Riverdale, N.S., is glad there is such a remedy as

Burdock Blood Bitters.

IT CURED HER AND WILL CURE YOU.

She says: "I wish to add my testimony to the many others who have spoken so highly as to the unfailing virtues of Burdock Blood Bitters. I was all run down, had no appetite, lost all ambition, could not sleep much and had terrible headaches and backache, and my food did not digest properly. I saw B.B.B. advertised, so concluded to give it a trial, thinking if it did no good it could do no harm. But after using one bottle I began to feel better, and by the time I had used three bottles I was feeling like a new person. I am so glad there is such a remedy provided for suffering humanity, and cannot praise it enough for I think there is no medicine like it on the market."

NOTICE!

I am ready to start work on the Murray Harbor Branch Railway. I would be glad to have intending workmen report at my office, Murray River, immediately.

Glenaladale Farm for Sale

THIS FIRST CLASS FARM, late the residence of John Archibald McDonald, Esquire, deceased, is situated at the head of Tracadie Bay quite near to Tracadie Railway station. It contains 3200 acres, of which about 200 acres are under cultivation. The soil is of excellent quality and eminently suitable for grazing purposes. It is distant from Charlottetown by road about 13 miles and fronts on the St. Peter's and Mill Cove Roads and Tracadie Bay. On the premises are a large brick residence, stables and barn &c., under one roof, connected with the residence by a large covered passage way, giving ample accommodation for everything connected with extensive farming operations. A good carriage road extends from the ground to the lot of the barn. A large silo and manure shed adjoin the barn. Those buildings are all comparatively new and of the best construction, pure water from a never failing spring is brought to the residence and stables by underground pipes, laid by an engineer from Montreal. The wooded part of the farm lying east of the Sandhills Road will be sold if desired in Lots to suit purchasers.

ABOUT THAT COAT

You wear a coat. Why? To keep the cold out? No; to keep the warmth in. What of the body that has no warmth—the thin, poor body that lacks the healthy flesh and fat it needs?

For such we say that Scott's Emulsion provides the right kind of a coat. Why? Because Scott's Emulsion builds firm, solid flesh and supplies just enough fat to fill nature's requirements—no more. That means bodily warmth.

We'll send you a sample free upon request.

A big Topic in Little Space

The Watch question is so big and many sided a matter that it would take a whole page of this paper to rightly describe all the different kinds of Watches in the market. But, after all, you can boil the whole matter down into this line, **good watches keep good time.** No matter how handsomely a Watch may be engraved no matter how elegant its looks, if it is inaccurate in time keeping it is a delusion and a snare. We wish you to know just one thing about our Watches, and that is, that an expert watchmaker rigidly tests each one before it enters our stock. If it doesn't meet the test triumphantly—if it is weighed in the balance and found wanting—it goes back to the maker at once.
