A WESTERN TRIP

Via Canadian Government Railways to Western Canada Excellent through train service from Maritime provinces to Winnipeg and Pacific Coast.

Via the Canadian Government Railways to Western Canada is the route now extensively followed by many travellers from points in the Maritime provinces, splendid through services being afforded via Canadian Government railways through Quebec to Winnipeg.

Through the vast section of Northern Quebec and Northern Ontario, the traveller enjoys all the delights of a quick and comfortable journey through a new country abounding in great lakes and rivers, a territory glowing with the lively promise of Canada's great future.

From Maritime province points passengers may journey to Levis by the Ocean Limited" or by the "Maritime Express"; the latter train affording the most convenient and direct connection with the "Western National" which leaves Quebec at 4.30 p.m. on Tuesday, Thursday and Saturday of each week. Thus, a passenger leaving Halifax on Monday, Wednesday or Friday will reach Levis at 1.20 p.m. the day following and by taking the "Western National" from Quebec the same afternoon, will arrive in Winnipeg on Thursday, Saturday or Monday evening at 6.00 p.m.

A pleasing feature of travel via this route is the personal attention given passengers by train officials. At Levis a special representative meets the trains and attends to all details of the transfer to Palais Station, Quebec etc.

At Winnipeg convenient connection is made for points west to and including the Pacific Coast via Canadian Northern Railway, Grand Trunk Pacific Railway and Canadian Pacific Railway, according to destination. Via the Canadian Government Railways is the quickest and most convenient route between Eastern and Western Canada through a country of marvellous scenic beauty and over one of the finest and smoothest road beds in America.

Full information regarding fares via this route and reservation for sleeping car accommodation may be made on application to nearest local ticket agent of Canadian Government Railways or to District Passenger Agent, W. T. Huggan, Charlottetown, 1155-8-Sept 1-me 4 1

IN MEMORIAM

MISS GERTIE TRAINOR

It is with deep regret that today the Guardian has to chronicle the death of Gertie Trainor youngest daughter of Francis Trainor of Donagh, who passed away on Monday, August 26th. The deceased who was only in her eighth year, enjoyed perfect health up to a few weeks ago when she was stricken down with blood poisoning, contracted from the sting of an insect. Although she had the best medical attendance and loving care of parents and friends, words could not express the amount or the severe nature of her sufferings, which she bore with great patience and resignation to the Divine Will. She was greatly consoled during her illness by her pastor, the Rev. A. J. McDonald, who administered to her the last rites of the Catholic Church. Her funeral took place on Tuesday evening to Fort Augustus and was very largely attended. The pall bearers were: Joseph Trainor, Jethro Beagon, Francis Koughan, Thomas McAdam, Joseph White and Leo Murtaghan. She leaves to mourn a loving father and mother, two sisters and two brothers, to whom is extended sincere sympathy. May her soul rest in peace.

One precious to our mind is gone The voice we loved is stilled The chair made vacant in our home Can never more be filled. And God, who in his wisdom took The soul that he had given Though on earth her body lies, Her soul is safe in heaven. 1170-3-3MII.

WILLIAM CAMPBELL

An unusually sad death occurred at Ely, Nevada, when William Campbell, one of the pioneer mining men of Goldfield died on Tuesday morning, June 11th. The sympathy of everyone goes out to his bereaved wife, who made a trip to P.E.I., Canada, to say good-bye to her brothers who are in military service and to see her aged mother; and had only reached home to be called by the death of her husband who died after two days illness, in his apartments at the Richmond Hotel. His nephew, Harry McGuigan was present when he passed away.

Mr. Campbell was born at Marley Hill, Durham county, England, April 20th, 1859. With his parents and family he came to Gratiot, Wisconsin, when a small child. He left Gratiot for Colorado when 21 years of age, and for some years was inspector of mines for that state. He left Colorado for Goldfield Nevada, when it first became famous as a gold camp and was one of the first on the ground. At the time of his death he was Gen. Manager of the Ely Consolidated Copper Mines.

He was married in Chicago on May 2nd, 1911 to Miss Campbell of Souris, P.E.I., who with four sisters and two brothers survive him. They are Mrs. Robt. McGuigan of Chicago Mrs. Mrs. T. Blubaugh of Fort Scott, Kansas, Mrs. Dan Callahan of Kansas City, Mo., Mrs. L. King of Darlington, Wis. John F. of Shullsburg and Henry J. of Gratiot Wis., all of whom were present at the funeral.

His remains arrived at Gratiot, Wednesday noon, June 19th, and were

Sale of Trotting Horses by Tender

No. 1 Upton Prince by Todd Mack, dam by Arion. This is the strain of breeding that produced Etawah 2.03 the champion three year old. Prince being by a son a Todd out of a daughter of Arion is very closely related to the champion. He is perfectly sound and has such legs and feet as you seldom see in a trotting stallion. The few colts sired by him are a fine size and well shaped for speed. No. 2 Commodore Crescues dam by George Crescues 2nd dam Meda Epaullet 3rd dam by Alcantrara 4th dam by Happy Medium. This colt was 2nd as a two year old and as a 3 year old at Halifax. He also won a three year old race. These two are entered in the three minute and 2.35 classes and will be sold with their engagements. No. 3 Black Gelding by Upton Prince dam Dorothy Hanks by Commodore Ledyard 2nd dam Devilish Dorothy. He has worked in a team and been a few times in light harness. He is not afraid of autos and when broken and trained, should from his breeding trot very fast. These horses are sold for no fault but the owner is giving up racing. Credit of twelve months will be given with sufficient security. Tenders will close on the 17th of September, and may be directed to 121 North River Rd. Ch'town.

taken to his boyhood home which is owned and operated by his brother H. J. Campbell. On Thursday morning in St. Joseph's Catholic Church Requiem Mass was celebrated by Rev. J. F. McGinnis and sung by Messrs. B. D. Chatelle and J. W. Enright of Warren III, and Mrs. Josie Campbell McGreane and Mrs. Lizzie Campbell Metcalfe of Shullsburg, Wis.

Those who attended the funeral from abroad were Judge J. B. Campbell of Muskogee, Oklahoma Dr. E. J. Campbell of Chicago, Frank J. McGuigan of Minneapolis, Senator W. B. Cook of Sioux Falls, S. D. Miss M. E. Campbell of P. E. I., Canada, Mrs. H. J. Gallagher Sr. and Mrs. Will Collins of Darlington, Mr. and Mrs. Wm. McGreane of Shullsburg and Mrs. George Sonberger of Belmont. The pallbearers were Messrs. James Collins, John Kirwin, T. Quinn, James Egan and Henry Budenz. He was an active member of the Knights of Columbus, also a member of Elk Lodge, 267 of Victor Colorado.—Copied from The Darlington Republican, Wis.

ADDRESS AND PRESENTATION

The home of Mr. and Mrs. John A. MacKenzie of Hartsville was visited by the young people of the community on Thursday, Aug. 29th, for the purpose of bidding farewell to their daughter, Katherine, who was leaving the following morning for Montreal. The young people enjoyed themselves in singing and music and innocent games for some time, when the young ladies passed refreshments, which were much appreciated. One pleasant feature of the evening was the presence of an old friend, formerly of Hartsville, namely, John MacLennan, of Quincy, Mass., who with his genial manner, added much to the evening entertainment. The gift, consisting of an ivory manicure set, was presented by Miss Christie Nicholson, while Mr. A. G. McLeod read the following address: Miss Katherine MacKenzie:—

Having heard of your intended departure from our province, we a few of your friends and associates have met to bid you farewell and to express our

Children Can Serve By Saving One of the great lessons of this War is the value of Thrift. Let the children learn it, too, by saving through a Bank of Nova Scotia account. There is no more useful "nest egg" when college or business days come, than a substantial savings account. THE Bank of Nova Scotia H. W. BINNING Manager Charlottetown Branch

regret at losing one who has filled so large and favored a place in our affections. We will miss you from our social gatherings, from our division, where you creditably filled many important offices and from the Hartsville Sabbath School and choir, In all of which positions you acted well your part. We would ask you to accept this small gift as a token of our esteem and our prayer is that kind Providence may guard and keep you always. Signed on behalf of those present

The "Skim the Skimmed Milk" Test WITH butter fat paid for by the creamery at 66 cents per pound, every ounce counts. The Renfrew gets all but 1/10 pound, or 66 cents worth, in \$26.40 worth of butter fat. Where is the farmer who wants to lose 60 cents to \$4.00 per thousand pounds skimmed? With a few cows the amount lost would soon buy the closest of close skimmers—the up-to-date, easy-to-run, easy-to-clean Renfrew. Surely it is good business to put the Renfrew's close skimming to the test—the margin of saving certainly warrants it. Let the Babcock Test do it. Get your skim milk tested at one of the Dairy Schools by sending a sample. Their compare result with our close skimming records proven by Dairy Schools' tests. Or—let our agent bring out a Renfrew and skim the skimmed milk from your old machine and show you the saving a Renfrew can make you. Do you know of any other machine on earth that offers you that test? Could anything be more convincing and worth while? The saving mounts up rapidly if you have more than two or three cows—will pay for a Renfrew—and then start giving you increased profits. Besides, the Renfrew gives you the exclusive advantage of the wide open bowl with curved wings, which mean discs do not clog and cleaning is reduced to a trifling chore—the advantage of its automatic oiling system needing attention only four times a year—of its interchangeable capacity.
