
"Maker's Responsibility"

You pay for three things in a shoe—material, labor, profit. The Slater is the only shoe whose makers regulate profits by stamping their valuation on the Goodyear Welted shoe sole. Their responsibility to the wearer ceases only when he has had satisfaction.

ADVERTISING IS BROAD.

Advertising in itself means publicity and publicity is a very broad and comprehensive term. It does not mean simply a word whispered to a favored few. It is, rather, synonymous with a general, broadcast declaration, and the broader the scope of the announcement, the better the advertising. No occupied space that directs attention along given and desired lines can be reasonably regarded as wasted; nor can any funds expended to this end be adjudged extravagance.—American Medical Journal
