Growth Of Crops Excellent to Date

Grain And Hay Crops Slightly Below Last Year In P. E. Island. Condition Throughout Canada Generally Is Backward.

OTTAWA, July 8—Generally throughout Canada the crop season is backward, and in many of the important agricultural regions moisture has been limiting both stands and growth, according to the weekly crop report issued by the Bureau of Statistics today. Conditions have changed slightly for the better in the prairies but timely soaking rains will be needed in July.

However, there is still a strong tendency for rainfall to heighten the advantages of crops in Manitoba and the park belt, which have been most favored throughout June, while the specialized wheat-producing regions in central Saskatchewan and southern Alberta are not receiving enough moisture to enable them to recover from previous damage by drought, wind and outworn. Moisture is needed at present to fill the winter wheat. Cutworm damage, which has been the heaviest for some years, is now confined to scattered late-sown crops. Hay has damaged crops in all three provinces, but is less than usual up to this date. The wheat crop, which was seeded more than a week earlier than last year, is now generally more backward. Straw will be short.

Manitoba conditions are still favorable and good crops are almost assured in most districts. Only the southwest corner reports the need of rain.

Saskatchewan conditions: Improvement was noted in some regions of the north and east, while the central and southern districts, more specialized in wheat production, are still complaining of drought. The rains are barely able to keep the crop up to average promise.

Alberta crops show a tremendous variation from virtual failure to the promise of bumper crops. The central area has been too severely damaged to be greatly relieved by the recent showers and the important southern area has deteriorated considerably in the last two weeks, with the present moisture situation cited as critical. Favorable reports come

—THE ANNUAL MEETING of the P. E. Island Presbyterian, will be held in Kensington Presbyterian Church, Thursday, July 10th. There will be three sessions morning, afternoon and evening. Rev. Mr. Cropper, returned missionary of Demerara will be present at these meetings, also the Rev. Dr. Baird, Moderator of the General Assembly and Miss McDougall, deaconess. The evening session will be public and special music will be rendered by the organist and choir of Summerside Presbyterian Church. All are cordially invited to attend. 5274-11.

—NEW SCHOOL—The Tignish School, which has been made possible through the generosity of Sir Chas. Dalton, has now appeared above ground. With the completion of the foundation, brick laying began early last week. It will be interesting to some of the readers to know that the first bricks were laid by Mr. Peter M. Chaisson, the oldest man in the parish, and the only survivor of all the masons who worked on Tignish Church at the time of its erection. —T.

—GIFTS OF APPRECIATION—The people of Union Vale gathered at the home of Mr. and Mrs. Ed Bryan on Tuesday evening July 1st to welcome their son and his bride and to bestow on them their best wishes. The evening was pleasantly spent in music and singing. Lunch was served by Mrs. Sharp, Mrs. Home and Mrs. McPhee, after which many useful gifts were opened and presented by Miss Florence McPhee, Miss Isabelle Ramsay and Miss Amy Bryan. Mr. Bryan then thanked his friends in behalf of himself and wife. And after bouncing the groom all departed to their homes wishing Mr. and Mrs. Bryan many years of wedded bliss.

—SUCCESSFUL STUDENT—Mr. L. Roy Johnston, who has been attending Tuft's Dental School, Boston, Mass., arrived home on Monday, 30th ult. to spend the summer with his parents in Tignish. Mr. Johnston has now completed his junior year and thus far his college career has been very successful and active. During the past year Roy has been president of his class and was largely responsible for the success of the various entertainments held by the students during the winter. Apart from social affairs, Mr. Johnston was also quite active in literary detail. His interesting write-ups on dental research which appeared from time to time in the "Outlook" are strong criterions of a facile pen. On entering his senior year "L. R." has been appointed assistant editor of the "Outlook."—N.

Feels Better Than In Years

"Sargon has built me up to where for the first time in a year I work regularly and feel fine all the time."

GORDON McCASKILL

"When my stomach went back on me and I began to suffer with indigestion I went on a strict diet—my appetite was poor anyway—but the diet didn't seem to help matters, and I was in a terribly rundown condition. The first thing Sargon did was give me a wonderful appetite and I was soon eating anything I wanted without the least indigestion. I gained 6 pounds on 6 bottles, I've got lots of strength and vitality and feel better than I have in years.

"Sargon Pills stimulated my liver to normal action and kept me regulated perfectly without any of the sickening, upsetting effects of all other laxatives I took before."—Gordon McCaskill, Little River, East St. John, N. B.

MOUNT HERBERT SCHOOL EXAMINATION

The annual examination of Mount Herbert School was held on Friday afternoon, June 27th, with a large number of parents present. The pupils were examined in the different subjects by their teacher, Hollis Jenkins, assisted by Mr. Earl Ings, and answered the numerous questions concerning the work in the different grades very readily and accurately.

A short program was then presented out by the Hurlers Junior Red Cross Society, which included a debate, "Resolved that the World is Growing Better."

Among the outstanding events of this year's work may be mentioned the following: The winning of the Physical Training Prize in Supervision or McPhail's Inspectorate, thirty new library books and Red Cross donations.

The following pupils received their

Public School Certificates

Sterling Wood, Mary Monaghan, Alma Rayner.

The following prizes were donated by the teacher: Perfect attendance, Kenneth Jenkins; Department, Wilfred Driscoll and Sterling Wood, for Pencilency.

Grade IX—Elizabeth Jenkins.
Grade VIII—Mary Monaghan.
Grade VII—Keith Jenkins.
Grade III—Vivian Munn.
Grade II—Eileen Ings.

Special prizes donated by Miss Earl Ings for neatness:

Grades II-I, Wilfred Driscoll; 2, Eileen Ings.

Grade I—1, Winston Wood; 2, Kathleen Rayner.

At the close of the presentations complimentary remarks were made by the ratepayers, on the splendid showing of Mount Herbert School for the term of 1929-30, and all expressed deep regret that the teacher had resigned.

DE SABLE SCHOOL EXAMINATION

The annual examination of De Sable School was held on Thursday afternoon, June 28th, with sixteen parents and visitors present. The pupils were examined in the various subjects by their teacher Marie Darach who was assisted by Gertrude King, teacher at Green Road, and the Misses Elsie and Katie MacKay. Students at Prince of Wales College.

Following the examination an oratorical contest was held. Six pupils took part and all delivered their speeches splendidly. First prize was won by Louise MacLean and second by Beta MacKay.

A short program was then put on by the pupils after which an address to the teacher was read by Louise MacLean and Tove Petersen on behalf of the pupils presented the teacher with a handsome pocket book.

The teacher then thanked them for their thoughtfulness in remembering her on this occasion and for their co-operation in the school work of the past year.

The pupils and visitors were then generously treated to candy and fruit. Following is the address:

Dear teacher: We want you to know today how sorry we are that you are leaving this school of ours. We will always remember how pleasant you made our work and how good you always were to us.

We would ask you to take this little gift with the very best wishes of the pupils of De Sable School.

Signed,
Louise MacLean,
Tove Petersen,

QUEBEC IS EXCEPTION

Quebec forms a double exception to most of the other provinces in that crop growth is generally well advanced, and has been encouraged by ample supplies of moisture. Hay, which is the most common and important crop, is reported as in either good or excellent condition, while field and garden crops and small fruits are very promising.

Ontario has excellent crop prospects. Recent rains have been too abundant rather than too scarce, and pastures and meadows show heavy growth. Hay is in full swing and cutting of fall wheat will follow. The fruit crop is not as promising as hay and field crops.

The reports from correspondents include the following from Charlotte-town:

All grain was sown somewhat earlier than average. Acreage slightly below last year. Germination good. Growth to date excellent. Earlier sown wheat and barley about shooting into head. Every indication points to heavy yield. Hay below average.

June very hot and dry, mean temperature 10 degrees and sunshine 37 hours above, rainfall 1.1-3 inches below twenty-year average.

Mackenzie King Govt. Cuts Us Out Of 602,354.53

ACCORDING TO RETURNS TABLED IN THE HOUSE OF COMMONS LAST SESSION, PRINCE EDWARD ISLAND RECEIVED THE FOLLOWING SUMS OF MONEY GRANTED UNDER LEGISLATION PASSED BY THE PREVIOUS CONSERVATIVE GOVERNMENT:

HIGHWAYS GRANT	\$ 459,696.28
AGRICULTURAL GRANT	58,817.54
TECHNICAL GRANT	83,840.71
Total	\$ 602,354.53

PREMIER MACKENZIE KING HAS CUT OUT ALL THESE, MAINTAINING THAT IT IS A "THOROUGHLY VICIOUS PRINCIPLE" TO GRANT PROVINCES ANY SUCH GRANTS. IF HE BE RETURNED TO POWER HE WILL VERY PROBABLY CUT OUT OTHER PROVINCIAL GRANTS AS WELL, FOR HE TOLD THE HOUSE OF COMMONS, AND REITERATED THE STATEMENT WHEN QUESTIONED, THAT HE HAS COME TO THE CONCLUSION THAT THE PRINCIPLE OF GRANTS FOR OLD AGE PENSIONS IS "THOROUGHLY VICIOUS" AS WELL. WHAT HOPE HAVE WE FROM A PRIME MINISTER HOLDING SUCH CONVICTIONS?

Patriot Challenges Globe's Accuracy

The local Liberal organ, in an anonymous contribution elevated to the dignity of a double-column front page article, challenges a statement quoted in a recent issue of The Guardian that the loss of Canadian population during the Mackenzie King regime was over 1,355,000. It suggests that these figures "are largely based on estimates of the population and naturally the estimates are highly colored before they drip from the pen of the editor." If this be so, The Patriot should address its complaint to its own leading party organ, the Toronto Globe, which on June 9th last carried the statement from which The Guardian figures were quoted. This statement appeared editorially and read as follows:

"Statistics from The Globe's Ottawa correspondent showing the trend in population illuminate one of Canada's great problems. The latest official estimate given of the population is 9,796,000 persons, the last census, taken in 1921, placed it at 8,788,000. This is an increase of slightly more than 1,000,000. The natural increase in the same period was 1,233,756, and immigrants entering the country totalled 1,130,659. If all immigrants had remained and the natural increase had been retained, the population would be 11,152,455. ACCORDINGLY, THERE WAS A LOSS IN THE NINE-YEAR PERIOD OF 1,355,655 PERSONS—MORE THAN EITHER NATURAL INCREASE OR IMMIGRATION."

When Miss Margaret Ranahan and her fiancé, George J. Vanderhaar, of Pasadena, walked into St. Rita's auditorium on Tuesday evening, expecting a card party, they found 175 friends gathered for a pre-nuptial party to honor their wedding which took place at St. Rita's Church at 7 o'clock yesterday morning. Rev. Father Hyacinth Clary officiating.

In the midst of the gay party the guests of honor saw a huge table piled high with gifts and the strains of "Here Comes the Bride," from Hans Larsen's orchestra greeted the ears of the surprised couple.

The hall was decorated with blue and white festoons of crepe paper. Della Curley, KPI singer, a cousin of Miss Ranahan sang "I Love you Truly," "Indian Love Call" and "When Irish Eyes are smiling." The audience joined in the chorus of the last song. Miss Celesta Nucelo played three numbers on the accordion.

Mrs. Mary McCloskey, the 75 year old grandmother of the bride, danced a jig to one tune of the accordion.

At the wedding ceremony yesterday morning the bride marched to the altar attended by Miss Helen Ranahan, her sister, as bridesmaid. Edward Osterman of Pasadena, was best man. John Schuester played Mendelssohn's Wedding March on the organ and later Mrs. John Schuester sang the "Ave Maria." Peter Ranahan, father of the bride, gave the bride away.

The bride was attired in a sport suit, of pale blue with hat to match. The bridesmaid and best man accom-

Island Girl Wed In Sierre Madra California

MONTREAL, July 8—There were 22 cattle, 620 calves, 417 hogs, and 92 sheep and lambs for sale on the two Montreal livestock markets today, including about 250 heavy hogs and sows left over from yesterday's markets. The cattle market was unchanged and cattle were mostly all common cows. Calves were easier and sales were made slowly at prices ranging from \$5.50 to \$6.25. Good veal brought \$7.75 to \$8.25; plain to fair quality from \$7.00 to \$7.50. Thin grassers and drinkers brought \$5.50 and plain to just fair drinkers were sold for \$6.75. Lambs were sold for \$12.50, including all grades. Hogs were steady at \$12.25 for bacon and butchers with \$1.00 premium per hog on selects. Heavy hogs and sows were hard to sell. Sows brought \$7.50 to \$8.25 and about 200 heavy hogs and sows not sold.

companied the happy couple to Pasadena for a wedding breakfast, immediately after which they left by motor for a two weeks' honeymoon in the Yosemite. They will reside in Pasadena.
