WEDDING BELLS.—On Wednesday morning a very interesting wedding took place at the home of Mr. and Mrs. George Robinson of Summerside when their eldest daughter, Miss Mae Robinson, was united in marriage to Mr. Marcus Calder of the Dominion Express Company, Charlottetown. Only the immediate relatives of the contracting parties were present. Rev. Dr. Fullerton of Charlottetown performed the ceremony, after which Mr. and Mrs. Calder left by the Northumberland for a wedding trip to Montreal and Quebec. On their return they will reside in Charlottetown. The Guardian joins in wishing Mr. and Mrs. Calder a very happy and prosperous wedded life.—L.

PAINFUL ACCIDENT.—William N. Toombs of Clifton met with a painful accident on Tuesday night during the heavy gale which swept the island. He had gone out while the wind was at its height to make some door secure and while in the act of doing so the building was blown over pinning him in the ruins, the next minute the terrific force of the wind again lifted the remains of the building thus saving his life. Mr. Toombs sustained very painful injuries one leg being badly fractured at the ankle and the right arm and shoulder being badly bruised. Dr. Fleming of Stanley was hastily called and set the broken limb and the patient is doing as well as can be expected. His many friends deeply regret the accident and hope that he may soon be able to be about again.

SUCCESSFUL FAIR.—A very successful entertainment and bazaar supper was held in New Glasgow Hall on Wednesday night, Oct. 31st. The night was all that could be desired, so that a very large number of people were present. The proceeds, which amounted to about \$70.00, are in aid of the New Glasgow Red Cross Society. After a few interesting remarks by the chairman, Mr. A. Moffatt, the following programme was recited: (Chorus by choir) "Mistletoe and Forever"; Recitation—Miss Marjorie Warror; "Soon You'll Be Coming Home Lads"; Recitation—Master Harvey Stevenson (encored); Solo—Mrs. John Stirling; Recitation—Miss Jean Semple; Chorus—"It's the Best Old Flag on Earth"; Solo—Mr. Albert Gallant (encored). Entertainment closed with the singing of the National Anthem.

INSTITUTE MEETING.—The ladies of the Springfield Women's Institute recently held their monthly meeting in the Springfield Schoolhouse. The members almost without exception were present and manifest a keen interest in the affairs of that worthy institution. Several important topics were discussed and it was finally decided that the institution should bear the financial burden of adopting two prisoners of war. This action on the part of the ladies of Springfield is indeed commendable one and if the example were more universally carried out, it would greatly ameliorate the sufferings of those who have had the misfortune of becoming prisoners of war. After the routine of business had been gone through, the ladies very enthusiastically packed a box containing thirty-four pairs of Xmas stockings for the P. E. I. boys in the trenches. The ladies of Springfield have every reason to be proud of their organization. Since its inception the members have gradually increased and each successive meeting shows a marked increase of interest in the many lines of work that are being carried out for the benefit of the community and more especially the welfare of the boys at the front.

GET RID OF HUMORS AND AVOID DISEASE

Humors in the blood cause internal derangements that effect the whole system, as well as pimples, boils and other eruptions. They effect all the organs and functions, membranes and tissues and are directly responsible for the readiness with which some people contract disease. For forty years Hood's Sarsaparilla has been more successful than any other medicine in expelling humors and removing their inward and outward effects. It is distinguished for its thoroughness in purifying the blood, which it enriches and invigorates. No other medicine acts like it, for no other medicine is like it. Get Hood's Sarsaparilla today. Insist on having Hood's.

A Question of Quality

From the beginning of our career in the Drug Business we have made QUALITY our first consideration.

Every careful drug buyer should adopt this same rule. Don't be influenced by cut prices and leaders, but demand the best.

We see it that our customers receive nothing but the best quality, and our prices are as low as can be made on the same grade of goods anywhere. Therefore we are glad to make the following proposition. COMPARE OUR GOODS WITH THOSE OFFERED ELSEWHERE AT EQUAL PRICES. We are satisfied that we'll get your trade on this basis, especially if you seek quality goods at fair prices.

WEDDING BELLS.—That man cannot live alone was once more clearly exemplified at Plymouth, Mass., on Oct. 22d when Henrietta J. McRae of Point Prim, Prince Edward Island, and Samuel H. Christie of Barrington, Nova Scotia, were united in the Holy Bonds of matrimony. The party left Plymouth in automobiles and arrived in Whitman at the residence of Rev. W. W. Dornan at 8 p. m., when he performed the marriage ceremony the double ring service being used. The bride looked very attractive attired in white silk, and George's crepe, with bridal veil and carnations, both bride and groom being unattended. Immediately after the service the party returned to their future home 14 So. Spooner St., which was suitably decorated for the occasion and where a reception was held only near relatives and friends being present. After partaking of a well prepared feast, the friends departed to their homes leaving with Mr. and Mrs. Christie best wishes for a long and happy wedded life. The bride and groom were the recipients of useful and costly presents. Patriot please copy.
