"This'll be a good joke on mother!"

She didn't think we could reach so high when she put Kellogg's on the top shelf, did she?

But we fooled her this time!

Course mother won't care, 'cause she lets us have Kellogg's every time we want it, don't she? Says it's good for us and makes us grow like everything."

TUESDAY.

The new cable recently laid between Wood Island and Caribou was formally opened for business at nine o'clock last evening when Premier Mathieson called up Sir Robert Laird Borden, who is at present visiting in Halifax, and thanked him for what his government had done in placing this telephone service between the Island and the Mainland.

Sir Robert replied in a few well-chosen words and spoke of the good that must inevitably result from such communication, after which the line was declared formally opened. In the course of the conversation which followed, Premier Mathieson, on behalf of the Confederation Jubilee Committee, extended a hearty invitation to Sir Robert and Lady Borden to be present at the celebration, to which Sir Robert replied that he would make every effort to come, but in the event of this being impossible he would see that some member or members of the cabinet would attend.

After the conversation between the Premier, Mr. H. A. Palmer, President of the P. E. Island Telephone Company, Captain Edward Palmer, Miss Dollie Palmer and the local officials of the company conversed with friends in Halifax.

Premier Mathieson afterwards expressed himself as being especially well pleased with the talking qualities of the line. He could hear Sir Robert distinctly and had no difficulty whatever in making himself heard.

The Supreme Court resumed at the Charlottetown Court House yesterday morning at eleven o'clock. The first

THE BLESSING OF MOTHERHOOD

Healthy Mothers and Children Make Happy Homes

Motherhood is woman's highest aspiration. It is the fruition of her dearest hopes and greatest desires; yet thousands of noble women through some derangement have been denied this blessing.

In many homes once childless there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong. This is evidenced by the following letters which are genuine and truthful:

London, Ont.—"I wish to thank you for the benefit I received by taking your famous medicine, Lydia E. Pinkham's Vegetable Compound. Before my baby was born I was so ill I could not stand long or walk any distance. I had to lie down nearly all the time. After I took your medicine I felt like a new woman. I could work from morning till night and was happy and well. I certainly think it relieves pain at childbirth and recommend it to every woman who is pregnant. You may use this testimonial if you like. It may help some other woman."—Mrs. FRANK CORRIE, 132 Adelaide St., London, Ont.

Brooklyn, N.Y.—"I was ailing all the time and did not know what the matter was. I wanted a baby but my health would not permit it. I was nervous, my side ached and I was all run down. I heard that Lydia E. Pinkham's Vegetable Compound was good and took the medicine. I have now a beautiful baby and your Compound has helped me in every way."—Mrs. J. J. STEWART, 299 Humboldt St., Brooklyn, N.Y.

Rev. D. Bruce Macdonald, M.A., LL.D., Headmaster

case called was that of the King v. J. A. G. Ellis, who is charged with having intimidated detectives Elrod and Valade in connection with the discharge of their duties in certain prohibition cases in which he was concerned. The defendant did not appear in Court, and the Attorney-General, Hon. J. A. Mathieson, in moving that his bail be estreated, stated that there were special circumstances in connection with the case which he would like to bring to the attention of the Court. On June 9th, three convictions were obtained against the defendant before Stipendiary Magistrate, for violation of the Prohibition Act, one for a first offence, for which he was fined \$100, the other for treating on the premises, for which he was fined \$20 and costs, and the third for a second offence against the Act, in respect of which he was fined the sum of \$200. The Magistrate issued warrants of commitment in all three cases. One constable was deputed to execute the warrants in regard to the first two cases, while another constable was assigned the issue of the warrant in the other case. The defendant was arrested on the first two charges and paid \$120 under protest. On Saturday the constable served the paper for the second offence, calling for payment of a fine of \$200. Ellis refused to pay and was arrested. He was taken to King's County Jail. On the 19th, ten days after his conviction, the Magistrate was informed that it was the intention of the defendant to apply for a writ of certiorari. The application was made on Friday last.

Mr. A. A. McLean, K. C., for the defendant, said he understood that when the convictions were made the fines were to run concurrently. He did not know until Saturday night that Ellis was in jail and would not be in Court yesterday. The man was in jail and in the custody of the Crown and he could not be more secure than he was. In the circumstances his absence was fully justifiable and bail should not be estreated.

The Attorney-General agreeing, the matter was held over until this morning, when the defendant will appear in Court.

THE DEEGAN CASE.

When the Ellis case was postponed until this morning, the Chief Justice directed the Clerk to call the cases on the Civil Docket. The Clerk thereupon called the case of James Deegan and others against Michael Deegan—an action of debt to recover the sum of eight thousand dollars; Mr. Stewart, K. C., for the plaintiff and Mr. Johnston, K. C., for the defendant.

When this case was called Mr. Stewart, for the plaintiffs, rose and stated to the Court that this was the action on which the defendant, Deegan, had been arrested last December and held to bail for eight thousand dollars and about which a certain newspaper published in Charlottetown had made some strong reflections on the plaintiffs and had intimated that the defendant would commence proceedings against the plaintiffs for false imprisonment. The plaintiffs had brought the case on for trial at the present term of the Court and were ready with their evidence to prove and establish their claim for the eight thousand dollars and the action would now have proceeded had it not been for the fact that on Saturday last the defendant Deegan had through his attorneys, Messrs. Johnston & Inman, paid the full eight thousand dollars without deduction and the costs of suit, which now rendered it unnecessary for the plaintiffs to proceed further.

The next case—an undefended action of ejectment brought by Francis L. Kelly and another against Charles Kelly—was then called and judgment given for the 50 acres of land claimed. Mr. Gaudet for the plaintiffs. No Counsel appeared for the defendant.

Mr. Johnston, K. C., then moved for rules nisi to quash two convictions against J. A. G. Ellis, had before the Stipendiary Magistrate for the Prohibition Act. He applied on several grounds and the Court took time to consider the application.

The Attorney-General next moved for an Order of the Court to the Sheriff of Jail of King's County to produce and have the body of James A. G. Ellis, a prisoner in King's County Jail, before the Court this morning to answer the indictment found against him by the Grand Jury last January. The Court granted the order and Ellis will be before the Court at eleven o'clock today to stand his trial. Mr. McLean, K. C., will defend him.

The petit jury were then instructed to be in attendance punctually at 11 o'clock this morning, and the Court adjourned.
