## CARTERS' SEEDS GROW

"As you sow so shall you reap." That is what we are taught from childhood, and it is right. Of course you must look out for the "Stony ground" and the "Tares" but it is of even greater importance to plant.

### GOOD SEEDS.

We do not simply mean seeds that will grow, but seeds that will bring forth a vigorous, flourishing plant. Here's the place to get such SEEDS.

PLANT EARLY PEAS, ONION SETS, POTATO ONIONS, SCHALLOTS, SWEET PEAS NOW.

A VERY important meeting of Court Chateauqua, I. O. F., will take place on Friday night of this week. The question of appointing a permanent set of officials for initiatory and other purposes, commonly known as a degree team, will be discussed. The members of Courts Fortuna and Cabot are cordially invited to be present, as it is hoped they will desire to participate in the movement. The question of changing the mode of collecting assessment will also be discussed. Don't forget the date, Friday evening the 6th inst.

THE Bostonia Sextette Club, always favorites with the music-loving people of Summerside as elsewhere, highly pleased a fair audience in Market Hall Monday night. The uncertainty of the company's arrival in good time and the late hour of their reaching here no doubt detracted from the attendance. The artistic and charming rendition of the different numbers on the program delighted all, which was evidenced by the frequent and prolonged applause. While some would probably prefer a more varied or less classical program, yet no musical ears in Summerside could listen with other than extreme pleasure to anything from the string and reed instruments in the hands of such talented artists as the Bostonia Sextette. Miss Brennan, too, won the highest appreciation of all who heard her rich voice. It is a rare treat to hear such gifted entertainers, and Summerside will always welcome musical artists of such rank.

### THE AGONIZING PAINS OF RHEUMATISM.

Swollen, aching joints, muscles are stiff and sore, every movement accompanied by pain. The most potent remedy is Polson's Nerviline, which has five times the pain-subduing power of any other preparation. Apply the Nerviline copiously, rub it on well and then bind in a hot flannel bandage. This will cure the worst cases in a short time. Try Nerviline for Rheumatism, Neuralgia, Sciatica or Lumbago—it's all right and only costs a quarter.
