TRIAL OF THE HUN MURDERERS

TRIAL TRIBUNAL WILL BE ABSOLUTELY UNFETTERED BY POWER OF LIFE AND DEATH

CASES COME UP SHORTLY

Murderers of Capt. Fryatt and Edith Cavell Will be Tried in London

(Special to The Guardian.)
LONDON, July 7.—It is stated on the highest authority that the International Tribunal created to try the ex-Kaiser will be absolutely unfettered and that it will have power to impose any penalty it may think fit on the accused demand, even the death penalty, if it considers such a fate warranted by the evidence brought before it. There is no truth in the story that the American delegates consented to the trial of the ex-Kaiser only on the understanding that the death penalty was not inflicted.

In regard to the trial of other persons charged with offences against humanity during the war, they are to be handed over at once to the countries in which the alleged crimes were committed as soon as the treaties are ratified. As Germany has announced that this would be done forthwith, it is expected that the murders of Captain Fryatt and Edith Cavell will be tried in London before many days are over. The perpetrators of U-boat outrages will also be tried with them, and the trials will take place at once. It is possible that as most of the outrages were committed by commanding officers in the German army or navy their trials will take place before properly constituted military courts martial. The prisoners will be allowed to have their own counsel and call any witnesses they desire.

SECOND SON OFFERS SELF AND BROTHERS TO TAKE IMPERIAL FATHER'S PLACE

(Special to The Guardian.)
PARIS, July 7.—The German government representatives have sent a note to the Council of Five asking which of the documents signed at Versailles must be ratified by the national assembly. They enquire whether all three, the treaty of peace, the additional protocol and the convention dealing with the occupation of the Rhine territories, must be submitted to the assembly or only certain of the documents. The Allies, the Temps says, consider that all three must be approved by the national assembly.

Peru Revolution Now Complete

FORMER PRESIDENT AND HIS MINISTERS ARE NOW IN PRISON

(Special to The Guardian.)
LIMA, Peru, July 7.—Augusto B. Leguia, on Friday, assumed the office of President of Peru and took up his residence in the government palace as a result of the successful overthrow earlier in the day of President Pardo. Senator Pardo, all his ministers, and a number of high officers of the army and navy are in prison, Pardo being detained in the penitentiary here. No fighting or casualties marked the overthrow of the Pardo government. Senator Leguia is supported by virtually all of the army and naval forces in Lima and public opinion here appears to be behind him. Last night Senator Leguia, it is declared here, turned off a plot to arrest him and send him into exile and as a last resort he gave orders to the army chiefly favorable to him to go ahead with their plans to overthrow the Pardo government.

Clemenceau Visits Devastated Regions

(Special to The Guardian.)
PARIS, July 7.—Premier Clemenceau yesterday began a visit to the devastated regions entering. Among them one of protracted warfare at St. Quentin. Every where he was given a splendid welcome. The Premier encouraged the people to question him and bring forward any complaints which they had to make and they were not slow in doing so. In addressing the population of St. Quentin Clemenceau declared that now that peace is concluded the work of reconstruction and reform would be the Governments foremost care.

The Baptist Association Annual Convention

The annual association of the Baptist churches was held at O'Leary extending from Friday last to Sunday evening, and was well attended by delegates from different parts of the province as well as representatives of Maritime Boards. Rev. F. A. Hubley of Tron, was presiding officer, and Rev. W. E. Piper, clerk.
Three sessions daily were held and much interest was manifested in the discussions of church activities by laymen and pastors. Missionary endeavor was given a prominent place in the program and the eloquent address of Miss Helena Blackadar, returned missionary from India, added materially to the interest. A large and enthusiastic meeting of the Women's Missionary Aid Societies held on Saturday afternoon at which fraternal greetings were given by the Presbyterian and Methodist societies, showed the progressive program the Christian women are undertaking throughout the province.
The subject of Homo Missions and the demand for young men to enter the Christian ministry was ably presented by Rev. E. S. Mason, Secretary of the Maritime Baptist Home Mission Board.
Prof. H. G. Perry spoke for Acadia University and the necessity of a liberal education. Lieut. Estabrook of Wolfville urged the erection of a memorial hall there on behalf of Acadia's fallen sons, a modern gymnasium costing \$100,000 is aimed at.
An excellent report on Sunday schools prepared by Mr. J. P. Gordon was discussed by Mr. W. C. Macdum, who also gave an address of great force on the need of a higher standard and more modern methods of Sunday school work.
The report on Temperance by Mrs. Isabella Glidden, of Summerside, gave statistics on the decrease of drunkenness and crime during the year and showed from letters received from Chief Inspector Barbour and ex-inspector Robt. Jenkins that there is a marked improvement in the habits of our people in P. E. island in respect to temperance.
The following read reports which were discussed and adopted:—
Rev. F. H. Hubley—Home Mission Work.
Rev. C. A. Britten—Education.
Rev. C. R. Freeman—Baptist Ministers' Annuity Fund.

Commons Prorogued Yesterday Afternoon

NUMBER OF BILLS SHELVED. RESOLUTION ADOPTED THANKING CANADIAN ARMY FOR SERVICE OVERSEAS

(Special to The Guardian.)
OTTAWA, July 7.—The House prorogued at three this afternoon with the least possible display or ceremony. The Governor-General motor-ed to the House of Commons, assented to such legislation as awaited royal assent, and delivered the speech from the throne declaring the session at an end.
Before the prorogation Premier Borden, seconded by D. D. McKenzie, Leader of the Opposition, moved a resolution of thanks to the Canadian Army for its splendid service overseas. On previous occasions in the House there had been reference to the great work of the Canadians but no resolution had been passed voicing Canada's gratitude to the officers and men who formed the Canadian Expeditionary Forces. The Premier referred to the bravery and devotion to duty shown by all ranks of Canadians from Sir Arthur Currie down to the humblest private. The word "Canada," he said, had been written in every battle.
Mr. McKenzie agreed with him that the prestige of Canada stood higher today than ever before as a result of the heroic stand of her soldiers in every action at the front.
Many measures were shelved with the closing of the session. The Commons adopted the motion of Hon. Arthur McEwen that the House insist on its disagreement with the Senate on the question of amending the Criminal Code in respect to sexual offences.

Sir Robert Borden, speaking on the Prohibition Bill and that to continue the War Purchasing Commission, said they could not be passed this session. The Commission however would continue under the Order in council and in regard to prohibition another session would probably be held before the order in council ceased to be in force.

Another bill which went by the boards was that to create divorce courts in Canada.
Rising to a question of privilege Sir Robert Borden explained his investments in the Manitoba Cold Storage Company, saying he had merely made a small investment some time ago. The Company neither bought nor sold but was merely going a storage business. He had never taken any active part in the management. The Prime Minister also explained the Labor provisions in the peace treaty. Rising to answer the questions of Mr. Ernest Lapointe it was as a result of strong representations that Canada secured her place on the League of Nations and on the Labor conventions. Sir Robert told the Commons.

Ordnation and Induction at Clyde River

An interesting service was held yesterday in the Clyde River Church at which Mr. W. A. Wood was ordained to the holy ministry and inducted into the pastoral charge of the congregation of West and Clyde Rivers. The service, which was very impressive was presided over by the Rev. R. H. Divine service was conducted by Rev. Dr. Fullerton.
The ordination and induction were performed by Rev. R. H. Staver and the members of the congregation who were present. Rev. Mr. Sterling in very fitting terms addressed the minister on the importance of his office and work. Mr. Staver reminding the people of their duties in the union that had just been consummated.

Handley Page Airplane Lands At Parrsboro, N.S.

(Special to The Guardian.)
PARRSBORO, N. S., July 7.—Parrsboro people have had several sensations today.
At about 1 o'clock this morning the Handley-Page airplane, which left Newfoundland at six o'clock last night, arrived over the town and circled until nearly four o'clock looking for a landing place. When a landing was finally made, in a pasture near town, the machine struck a wire fence and was considerably damaged. There has been a steady stream of visitors to the wreck, and many people are coming in from the surrounding country. This afternoon at one fifteen, old time a big dirigible, presumably R-34, passed over Parrsboro light, flying low. There was a little fog but the big ship was visible about fifteen minutes. Various reports are in circulation concerning what will be done with the big airplane stranded here, but nothing definite and reliable can yet be learned.

BASEBALL

Definite arrangements have now been completed for the return baseball match between Summerside and Charlottetown. The game will be played Wednesday evening at 6.30 p. m. at the C. A. A. grounds with band in attendance and also it is hoped a large attendance of rooters to boost the local team to victory. The C. A. A. grounds are in fine condition and a snappy game of ball is expected. Everybody should make a point to be there. Mayor Wright will open the game by throwing the first ball.
Admission 15c.
Let's see what Charlottetown can do to boost sport.

Oral Discussion With Huns Delayed

(Special to The Guardian.)
PARIS, July 7.—Discussion with the Germans with regard to certain terms of the Peace Treaty regarding reparations was postponed today. This week but it developed today that the beginning of oral exchanges had been postponed until Thursday, the German representatives having failed to arrive from Berlin.

The commission of Admirals appointed to discuss the position of the remaining German warships submitted their report to the Council today. In effect the report states that no recommendations on the question are possible until certain matters of policy have been decided by the Powers. The probability seems to be that the whole question will be finally referred to the Governments of the various powers concerned. As the situation stands now Japan and the United States are understood to favor breaking up or sinking the remaining ships. Great Britain approves the plan to break them, while Italy agrees to their destructions conditionally, but if this plan is not carried out it insists upon having her share of the vessels in case they are divided among the powers. France opposes the destruction of the vessels. Some of the smaller powers, notably Poland, approves the plan to destroy the vessels.

The last meeting of this club was held in the fall of 1914. The minutes of that meeting were read by Mr. R. V. Longworth, the secretary and unanimously adopted. The officers were re-elected for the coming year.
It is doubtful if any Rifle Club in Canada has a prouder record of service to King and Country than the Civilian Rifle Club of Charlottetown. Out of a membership of 32, the following men volunteered service. Col. R. H. Campbell, Major T. McNutt, Capt. A. R. B. Duck, Lt. E. Auld, Lt. Ernest Weeks, Lt. Ronald, Stewart, Lt. A. W. Seaman, Lt. H. A. Messervey, Lt. Dr. A. Ross, Sergt. G. W. Gardner, Sgt. J. Gordon Worth, Sergt. Russell Beer, who all went overseas, while Bomb. W. G. Louson and Lt. Keith Rogers rendered service at Halifax. Add to the above some of the sons of the senior members, and one has a record, to be proud of. With the exception of brave Lt. Ernest Auld whose mortal remains rest in Flanders fields, the rest of the members some with scars and others who escaped are now being welcomed back as heroes.
Individually the members of the Civilian Rifle Club will compete in the provincial matches to be held at Kensington Range next month.
The following officers for the year 1914 were re-elected to continue in office.
Capt. W. S. Louson, Sec. Treas. R. V. Longworth, Committee—C. W. Patterson, E. G. Love, G. M. Moore, R. V. Longworth, and W.S. Louson.

R 34 ARRIVES IN LONG ISLAND

CARRIED OVER THIRTY PASSENGERS ON LONGEST AIR TRIP IN HISTORY

3,200 MILES IN 108 HOURS
Supply of Petrol Remaining Only Sufficient to Carry her 90 Minutes Longer

(Special to The Guardian.)
NEW YORK, July 7.—The British dirigible R-34 arrived at Roosevelt Field, Minola, L. I., at 8.40 o'clock this morning, circled the field three times to make observations and at 9.21 o'clock, the first passenger, Maj. John Edward Maddock, Fritchard, landed upon American soil after a parachute drop of 2,000 feet. This completed the longest flight in history, the distance covered being 3,200 miles, not counting the mileage forced upon the flyers by adverse winds. The time consumed was a few minutes more than 108 hours. The big airship brought over thirty persons, one of whom was a stowaway, a tortoise shell cat.
Major G. H. Scott, the commander, announced tonight the R-34 would fly again an hour before daybreak on Tuesday morning and would pass over New York at about daybreak before starting homeward. When the super-Zeppelin arrived here she had left only enough petrol to keep her moving for a matter of hours. Her crew almost sleepless for four and a half days, were weary almost to the point of exhaustion, but happy at the successful completion of the epoch-making trip.

General Smutts' Tribute to Britain

(Special to The Guardian.)
LONDON, July 7.—Lieut. Gen. Smutts, receiving the Honorary Degree of Doctor of Laws of Manchester University, referred to the greatness of the British Empire which within itself is a League of Nations. A General Smutts, not only for viceregal Clemenceau referred to our fourteen representatives as "Lloyd George's Savages" but they represented realities with no nonsense about them and the British Empire with its local political preponderance was going to play an important part in the world's future. "We fought," declared General Smutts, "not only for victory but for ideals and principle which we intend to see triumphant. South Africa was rich with all her tremendous resources and it was for the Empire to see that these resources were used to the best advantage for the benefit of Europe which was in a very bad state. Turkey had long been referred to as the Sick Man of Europe but the European states, in his opinion, were in a much worse position. It was for this country to put Europe on its legs again."
