Sea Cadets Defeat C.N.T. Messengers

The Sea Cadets defeated the C. N. T. Messengers last night 7-1 in a closely fought battle at the Forum, although the score did not indicate the play.

The Cadets, led by fast skating Subs Ranahan and Curly Adams were more experienced than the Messenger squad, especially around the net, and gave goalie Reggie Hughes plenty of rubber to handle.

The Messengers, led by Bud Bush would not bend to defeat and were still pressing their victors when the bell ended the battle.

This was a "grudge" game and a second is to be played shortly at the Forum.

The lineups were:—

Sea Cadets: Goal, L. Sweeney; defence, Hoyt, Davey, Murphy, Bill Bevans; forwards, Adams, MacDougall, Ranahan, Clark, Moreside, Hartinger, Kelly, Ward, Atkins.

Messengers: Goal, Reg. Hughes; defence, Filtre, Weatherlie; forwards, Doucette, Rush, Gallant, Rolly Richard, Chas. MacDonaid, Louis Savidant.

The game was refereed by Toots Richard.

Beavers Eliminate Truro From Playoffs In 3rd Straight Win

SAINT JOHN, N. B., Feb. 23 — (CP) — Saint John Beavers flashed to a 7-2 win over Truro Beavers tonight to eliminate the Nova Scotia squad from the Maritime Senior Hockey League semi-finals in three straight games.

Starry Vic Jackson led Beavers, who finished third in regular League play, as he collected five goals and an assist.

Jackson opened his scoring just before the whistle sounded to end the first period and added two more goals in the middle frame. Beavers failed to reply until the third after Beavers had added still another marker.

Beavers won the first two games of the best-of-five semi-final series on Truro Ice by scores of 5-2 and 6-5.

It was a fitting climax for the Beavers, who, several weeks before regular play ended, had to start a determined winning streak to gain a play-off berth.

Temper flared briefly during the second period when three players occupied the penalty box at the same time, but the game was fast and clean although rough at times.

Beavers now will meet the winners of the Moncton-Halifax series in the League finals. Moncton leads best-of-five 2-1.

Canadians 4, Knotty Niners 3

Last evening in a close hard-fought tussle at S.D.U. rink, Canadians noded out Knotty-Niners in a regular Midget League fixture. Canadians took an early lead and at the end of the first period were leading by a score of 3-1. At the end of the second period the score board read 4-1 for Canadians. In the third canto, Knotty-Niners came out fighting and looked very good for awhile but the best they could do against the spectacular goal-tending of Shepherd in the Canadians citadel was to score two goals and have the game end 4-3 for Canadians.

N.Y. Baseball Holdout Situation Is Eased

NEW YORK, Feb. 23—(AP)—The New York baseball holdout situation eased up a bit today when Brooklyn Dodgers announced they had finally come to terms with outfielders Carl Furillo and Marvin Rakley, and the New York Yankees added the name of pitcher Frank Hiller to the satisfied list.

The double signing left a total of 15 players still unsigned a week from the start of the training season. The unsatisfied list includes five Yankees, four Dodgers and six members of the New York Giants.

Probably the most stubborn of the holdouts is Frank (Spec) Shea, star rookie righthander and World Series hero of the Yankees last year. Shea, who won 14 games in 1947, rejected another contract today after conferring with general manager George Weiss for an hour.

George McQuinn, Aaron Robinson and pitchers Charley Wensloff and Dick Starr are the other unsigned Yankees. Hiller, who won 15 and lost five for Kansas City, a Yankee farm in the American Association last year, is the latest Yankee to come to terms.

In announcing the signing of Furillo, who had turned down earlier salary offers, Dodger officials merely said he "got a raise." No figures were announced. A fine defensive fielder with one of the best arms in baseball, Furillo hit .266 in 124 games last year.

Rakley, a left-handed hitter, started the 1947 season with the Dodgers, batting .222 in 16 games. Optioned to St. Paul of the American Association, he hit .316.

That leaves regulars Bruce Edwards, Ed Stanky, Pee Wee Reese and Arky Vaughan. Giants still unsigned include Buddy Kerr, Bobby Thomson, Mort Cooper, Ken Trinkle, Lou Stringer and Lloyd Gearhart.
