*IT PAYS to buy in this province *SCHOOL CLOSED.—The school at New Perth is closed as the mumps are prevalent in that district. The teacher Miss McDolald was the first to take them, and now they are gradually spreading.—T.

*SUNDAY SERVICES.—Rev. A. S. Stewart officiated in the Presbyterian Church, Montague, both morning and evening on Sunday March 2nd, preaching very acceptably at both services. In the Methodist church Montague, on Sunday evening, March 2nd Rev. J. W. Donville, preached a very convincing evangelistic sermon on what would it profit a man if he should gain the whole world and lose his own soul, or what can a man give in exchange for his soul.—T.

*BAZAAR AND PIE SOCIAL AT MONTAGUE.—Notwithstanding the unfavorable condition of the roads etc. the Bazaar and Pie Social under the auspices of the I. O. O. F. held in the old Town Hall on Thursday the 27th was a grand success. Mr. Horatio Nelson who acted as chairman and also auctioneer deserves much credit for the able manner in which he disposed of the many beautiful pies. The four Gipsy Fortune Tellers deserve special mention especially the one in the first tent which no doubt would come up to the standard of palmists of old. The other attractions were all patronized and too much praise cannot be given to the ladies of Acme Rebekah Lodge for providing tea and looking after the comforts of those present. After several songs and the singing of Auld Lang Syne the National Anthem brought the affair to a close. The Oddfellows and Rebekah's wish to thank those present for their hearty support. The magnificent sum of \$154.00 was realized.

THIS MOTHER AND DAUGHTER

Both Made Well by Lydia E. Pinkham's Vegetable Compound.

Steele, Ala.—"During the Change of Life I had hot flashes, was nervous, run down, and had sick headaches for two or three days at a time. I took Lydia E. Pinkham's Vegetable Compound and I am much stronger and better in every way than I was. My daughter's health broke down last June from teaching school without a rest, and she has taken Lydia E. Pinkham's Vegetable Compound and the Blood Medicine with good results. She is much better and teaching now and I give your medicine the praise. You are welcome to use this letter for the benefit of other suffering women."—Mrs. F. A. GAINES, R.R. No. 1, Steele, Ala.

Women who suffer as Mrs. Gaines did should not hesitate to give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial, as the evidence that is constantly being published proves beyond question that this grand old remedy has relieved much suffering among women.

*WEDDING BELLS.—Word has lately been received by some friends in Montague, conveying the good news that Mrs. Carrie McDonald and Mr. Walter McKay, lately of this town, but now of Calgary, were married recently. Mrs. McDonald who is a charming matron, was the young widow of the late Mr. Daniel McDonald, Murray River, while Mr. McKay is the only brother of Capt. Atwood McKay who died of wounds in France about the time the armistice was being signed.—T.

*HOCKEY.—By a score of 13 goals to 8, the Jolly Rovers of Cabiz Head East decisively defeated the Second Pioneers of St. Peter's Bay, Wednesday night in the second of two games arranged between these teams in the St. Peter's Rink. The St. Peter's boys were much heavier than their opponents and they used their weight very effectively in handling the puck, but in speed, skill and combination the Jolly Rovers excelled. The game started at 8.15, Ronny P. McInnis and Roy Rattray being referee and judge of play respectively, with equal powers. The St. Peter's boys warmed up in the 2nd and 3rd periods and kept the Jolly Rovers on the defensive and bombardier their goals with a number of hot shots, nicely turned aside by Lewis. The line up at the start was as follows:

Why They Are Buying WAR-SAVINGS STAMPS

The housewife is economizing in comfortable ways and investing in War-Savings Stamps at \$4.02 each this month. In 1924, when these stamps are redeemed at \$5.00 each, every dollar will have greater purchasing power.

The business man is cutting off small and unnecessary expenditures and buying War-Savings Stamps. He knows his money is available any time he really needs it, with added interest. \$5 for \$4 in five years is an excellent return on money otherwise idle.

School children are buying Thrift Stamps at 25 cents each and are filling their Thrift Cards in order to acquire a War-Savings Stamp. They are helping their country and acquiring the habit of Thrift.

Men on the farms are buying W.S.S. because the Government uses the money to finance export orders for the food raised on Canadian farms. This makes their market sure.

Men, women and children of all ages and conditions of life, are investing in W.S.S. because it is a convenient way to "build a bond". The security is absolute and the interest is unusually high. Some day they will look back with great satisfaction to the day when they bought their first War-Savings Stamps.
