TO PROPRIETORS AND MANAGERS

Is your Hotel or Boarding House equipped with sufficient Baths and Toilets? An extra Bath or Toilet only costs a trifle compared with the service you will get. Have us go over your job, and help you plan for the new fixtures or any plumbing you may require. Prompt and efficient service is our moral. You will find our prices reasonable.

An ANNOUNCEMENT

by IMPERIAL OIL LIMITED TO THE MOTORISTS OF CANADA

ON the 20th of April we will be offering you a new motor oil which we sincerely believe is going to set aside all previous standards and introduce an entirely new era in Automotive Lubrication.

Marvelube is the name we have adopted for this new product—the nearest we could come in one word to signifying its marvelous lubricating qualities.

Marvelube is not the improvement of an old oil but the revolutionary discovery of a new. Its production involves a new system in refining.

Four years ago the scientists of our research department got on the trail of this new principle. Silently they have followed it ever since, testing, experimenting, perfecting, searching for the key that would unlock the ultimate. Last October they found it; and production meantime of an adequate stock to serve every motorist in Canada on the opening day, has

been one of the closely guarded secrets of the Imperial Oil family.

Marvelube is a strictly Canadian triumph; the discovery of Imperial Oil scientists in our research laboratory at Sarnia, with no help from the outside world. For its base the ideal was found in a select grade of the world-famous Peruvian Crude, the product of a far foreign field developed by Canadian genius and controlled by Imperial Oil Limited.

Its lubricating qualities will recommend Marvelube at once to every motorist who gives it a trial. You will find Marvelube on sale at every Imperial Service station and at the establishments of all good dealers on the 20th of April.

Fill your crank case once. We leave the verdict to you.

W. D. Hillman
PRESIDENT
IMPERIAL OIL LIMITED

TO ALL DEALERS IN MOTOR OILS

Remember that Imperial Oil Limited is the sole manufacturer and will be the only marketer of this new oil. We caution you against accepting substitutes or imitations which cannot duplicate its wonderful lubricating qualities.

Before placing your order for Spring requirements it will pay you to investigate our dealer proposition.
