Resolutions Passed At C.W.L. Convention

The following resolutions were among those adopted at the recent Diocesan convention of the Catholic Women's League in Charlottetown:

Rural Cultural Life

Whereas, it is conceded that agriculture is a most important part of a country's economy, having inherent values as regards the family, church, and community, and whereas, the rural home should be a centre, not only of economic activity, but of religious, educational and cultural life; and whereas, we deplore the marked exodus of our boys and girls from rural to city life, due in a measure to the absence of many labor-saving devices, and insufficient facilities for educational and social life.

Be it resolved that this convention recommends the extension of rural libraries, the development of co-operative purchasing, marketing, and credit organization, as a necessary foundation in educating our boys and girls to develop good rural homes, and incidentally, better rural communities.

Be it further resolved, that we commend the extension of rural electrification, and encourage the development of the handicrafts and home skills, which make for self-sufficiency, believing such to be an essential element in the stability of the home.

Supervised Playgrounds

Whereas, the need of supervised playgrounds in urban centres is recognized both as an aid in curbing juvenile delinquency, and as a factor in making for a higher health standard, and so contributing to a better citizenship—

Be it resolved that we recommend that provision be made by the government for such recreational centres, with competent supervisors.

Provincial Divorce Court

Whereas, the Catholic Women's League, assembled in convention, deplores the action taken by the Canadian Legion in drafting a resolution to the effect that a divorce court be set up in this province to provide greater facilities for the obtaining of divorces—

And whereas, Prince Edward Island has heretofore borne the honorable distinction of having no such court of appeal, the vast majority of our staunch Christian people carrying out in effect the Biblical injunction: "What God hath joined together, let no man put asunder,"

Be it resolved, that we earnestly request the authorities responsible to refuse to consider the establishment of such a court.

The Christian Home

Whereas it is recognized that on the stability of the Christian Home rests the future of the Empire's civilization which is sorely threatened by pagan agencies, disseminating subversive moral principies;

Be it resolved, that the Catholic Women's League in this diocese continue its "crusade of family prayer" as the foundation essential to the survival of Christian principles.

Re - Intemperance

Whereas, the members of the Catholic Women's League assembled in convention, view with alarm the trend toward intemperance among our young men, and especially among young women—

Be it resolved, that we respectfully urge women in general, to endeavor through precept and example to show such misguided youth the evils of such moral retrogression.

Be it resolved that we ask the continued collaboration of all organizations in the "crusade for good literature", the objective of which is to banish from all news stands, publications of a type which have never served any useful purpose, and which every loyal Canadian knows to be detrimental to morals.

Patriotism and Charity

Resolved, that we continue with renewed zeal the many works of Charity and Patriotism embodied in our motto: "For God and Canada."

A number of courtesy resolutions were also passed, extending thanks to the hierarchy and others participating in the convention, and pledging loyalty and filial obedience to His Excellency, the newly appointed Bishop ar Honorary Chaplain.

Where GOOD CHEER and GOOD FOOD go Hand in Hand

A sincere, homey welcome . . . a pleasant spot to read and rest . . . good, hot, nourishing meals and varied entertainment are ever-ready and waiting for the uniformed lads who throng into the Active Service Canteens.

Behind these well-organized, expertly-run "homes away from home" is an army of women volunteers who give cheerfully of their time and energy, day in and day out. These women cook, wash dishes, clean, and make repairs . . . all the never-ending tasks necessary to keep such Canteens running smoothly. To them, no tribute we could offer would be too great.

We at Christie's also honour the thousands of hospitable Canadian families who contribute so greatly by inviting Service Men and Women to their homes.

A SURPRISE PARTY

On Monday evening, Aug. 14th a number of friends gathered at the home of Mr. and Mrs. George MacPherson of Launching, to bid farewell to their daughter Sally, who was to leave for Montreal to join the Order of the Cong. De Notre Dame.

They presented her with a generous purse and the following address.

Dear Sally: Though we all knew that you were leaving us, we did not realize how soon that parting was to take place.

Now that you are actually going from our midst, it brings to our minds the few short happy years we spent together and we feel that we cannot let you go without showing you in some small way, our deep affection for you.

Please accept this small token of our love for you and with it the prayers of the whole community. Good luck Sally, and may God bless you

Signed on behalf of your old friends of Launching. 9-14-1i
