GIANT AT OTTAWA

Stands Eleven Feet Nine Inches in His Shoes.

TALL HOUSE MEMBERS

Stand Up Beside Him—A Cabinet Minister in the Giant's Hat.

Everybody knows that there are giants in the Liberal party. Their record proves it and in many cases their inches show it.

But Monday night came to No. 16 a giant who eclipsed them all, a giant from a side show whose enterprising manager has brought him to government headquarters to show him to the premier.

Never was such a giant since the days of Goliath, Chang and Colonel Bates. The big fellow stood seven feet nine in his shoes—shoes which had grown beyond all size and required a cow hide for each.

The big fellow stalked into No. 16 and looked out one of the Chaudiere window. His head was even with the clock, which prompted Whip Calvert to offer him the job of official clock winder of the House of Commons.

Then there was a measuring competition. First Fraser, of Guysboro, came in, shook the monster by the hand and looked up from his six feet two to Beupre's seven feet eight.

The last act of the little comedy was performed by Postmaster General Mulock who tipped the big fellow a quarter and tried on his hat.

HUMORS

Come to the sun in the spring as in no other season. It's a pity they don't run themselves all of that way, but in spite of pimples and other eruptions, they mostly remain in the system.

When a man suffers the pains and excruciation of Dyspepsia for thirteen long years and is then restored to health and strength, he is naturally very grateful.

Mr. Michael Stewart, who lives at the corner of Pearl and D'Vision streets, in Kingsville Ontario, says:

"For thirteen years I suffered the untold miseries of Dyspepsia. I used to bloat up so that I could not bear my clothes to touch me. I could not eat anything but the lightest and plainest foods.

"I have tried many so-called remedies but got no help till a friend of mine told me that Dodd's Dyspepsia Tablets had cured him, I made up my mind to get some.

"The very first dozen Tablets I took gave me great relief. I continued to use them, and now I am completely cured. They are worth their weight in gold.
