COLEMAN.—Rev. Jas. McDougall will preach on Sabbath, the 29th, at Coleman at 11 and 7.

BAND PERFORMANCES.—Of the public forms of entertainment that summer brings with it for the people of Charlottetown, perhaps most generally appreciated are the band performances arranged for by the City Council which take place usually twice a week and in the evenings. The Council have this year again made provision in this respect, and a small special committee consisting of Councilors Walker, McNevin and Campbell, who were appointed for this purpose have practically completed arrangements for the playing of a Band in the Queen Square Gardens throughout this season. The arrangements were not final but it is understood that the band of the Fourth Regiment has been engaged for these performances, and that it will play twice a week so long as the weather is favourable. It is also understood that the performances will begin a week earlier than was the case last year, and that the first band performance this summer in the Gardens will take place on Thursday evening next week.
