BRIGHT EYES.

Lend an Irresistible Charm to Every Face.

Clear, sparkling eyes make the plainest face beautiful. The eyes cannot be bright if the body is suffering from blood poisoning. Many people suffer from blood poisoning and do not know it, but they show it by their dull eyes, grey or sallow complexion and faded appearance. Constipation poisons the system. Instead of the blood taking up wholesome nourishment in the intestines, it absorbs the poisons which the bowels have not gotten rid of. The blood deposits these poisons wherever it can, which accounts for the dull eyes, pimples and headaches. Ripe fruit is Nature's remedy for constipation. Fruit acts on the bowels and makes them move—acts on the liver and causes more bile to flow, which is the natural purgative, —acts on the kidneys—acts on the skin and clears it and beautifies it. An Ottawa physician has discovered a process for combining the juices of oranges, apples, prunes and figs—and then by forcing into the united juices an additional atom of bitter from the orange peels, a new and very much stronger fruit is produced. The fruit extract is made into tablets, with the addition of tonics, and sold under the name of "Fruit-a-tives" or "Fruit Liver Tablets." These little tablets are easy to take, have the gentle fruit action and are a positive cure for constipation, biliousness, headaches, kidney and liver disease and all blood impurities. "Fruit-a-tives" are recommended by able physicians everywhere. For sale at Druggists 50c. a box or 6 boxes for $2.50, or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

PRESBYTERIAN CHURCH OPENED

After Extensive Repairs—Interesting Services Held at Souris on Sunday 9th — Large Collection Taken.

The Presbyterian Church at Souris, which had been closed for several weeks undergoing extensive repairs, was re-oped on Sabbath July 9th.

At the morning and evening services the pastor Rev F. C. Simpson, was ably assisted by Rev. E. Smith of Cardigan.

An enjoyable meeting was held in the afternoon at which addresses were delivered by Revs A. D. Archibald, G. Ayers, E. Smith and Capt. Jackson.

About $300 had been expended on the church and the pastor asked that this amount should be placed on the plates at the close of the evening service. The Guardian is able to make the pleasing intimation that the contributions amounted to $304.

Two years ago the church of Bay Fortune was renovated and when a collection was asked to cover the cost more than the sum asked for was received. Both church buildings are now in first class condition and free of debt.

This is very creditable to the pastor and congregation alike, and may probably stimulate other churches to do likewise.

"WEEKLY" CHANGED TO "TRI-WEEKLY"

The "Weekly Edition" of "The Charlottetown Guardian" was changed on July 1st to a "Tri-Weekly Edition." This was done because it is considered that the "Weekly" is too slow for a province with so many daily and tri-weekly mails as that of Prince Edward Island. In the past, four or eight pages have been printed on Friday, eight on Saturday or Monday and these twelve or sixteen pages have been held until the following Wednesday when eight more have been printed and then the entire twenty or twenty-four pages have been mailed as one paper to all subscribers. Thus the news of about two thirds of the issue is so old as to be of very little value when it reaches its destination the week following its actual publication. Now each section is mailed on Monday, Wednesday and Friday as soon as off the press. All the news is thus fresh, and each section of ads. and reading matter much more likely to be read thoroughly than if the entire twenty to twenty-four pages arrived but once a week, and all at one time. All advertisements will appear in but one section of each entire week's issue as in the past, unless it is desired that they appear more frequently, in which case arrangements can be made with the management. Regular advertisers in the past have been required to have "changes" in not later than Saturday, and by the time the paper reached subscribers the following week it was often desirable that other goods arriving in the meantime be advertised. Under the three-a-week issue "changes" received up to either Tuesday, Thursday, or Saturday at ten a. m. will be printed in either the Wednesday, Friday or Monday issue respectively, and thus reach readers when new and fresh. Transient advertisements can appear either once, twice or thrice a week as arranged for. It is believed that all readers will appreciate the change, as they will in future receive a paper, issued each Monday, Wednesday and Friday of every week instead of twenty to twenty-four pages issued but Wednesday of each week. Advertisers very much prefer that their ads appear but once a week in a tri-weekly rather than in a Weekly of two or three times the size, as they are much more likely to be read carefully.

BAMBOOZLING THE YANKEES.

As you announce that "notes from Scots in other lands are always welcome," I herewith send a few extracts from a clerical friend's letter, showing how the clergy amuse themselves at the expense of the Yankees who canna comprehend oor "auld warl' Doric," which, I trust will both amuse and edify your readers, writes a correspondent.

I was, says my ministerial friend, at the Synod meeting in October at Saginaw, a city of 50,000 inhabitants. Every State has its own Synod, consisting of all the ministers of the State. There was a large attendance. There were a good many natives of Scotland, both among the ministry and elders. Every morning when we met conversations like this took place among the natives of Scotland if there were any American natives within hearing, for whose edification it was designed:—"Hoo's a' wi' ye the day?" "Oo! I canna complean; hoo are ye yersel'?" "Oo, brawlie, brawlie. Man, isna this hushy wather?" (It was raining two days, and the Synod lasted a week). "Ay, man, 'tweel is 'hit's geyan weetin'; they'll be gie glaury roads i' the country!" "Eh, man, ay! Some o' the puir bodies'll be gie sair drookit an' trauchl't." The natives Yankees within hearing, for whose special benefit the above was intended, stood in speechless amazement at hearing what was to them a foreign language, and were completely flabbergasted at its utter unintelligibility.

One of the ministers was from the Isle of Cumbrae, in the Firth of Clyde, a former minister of which was credited with having as a part of his Sabbath prayer the petition that "God would bless the important island in which they lived, and also the adjacent islands of Great Britain and Ireland!" Another was a native of Broughty Ferry, and was on intimate terms with Dr. Thomas Dick, author of the "Christian Philosopher" and several astronomical works. The teacher whose school he attended when a boy was a Mr. Lindsay, of Dundee, inventor of the system of wireless telegraphy, to whom Marconi gives all due credit as his forerunner. I remember seeing in the papers about 40 years ago an account of his telegraphing without wires across the Firth of Tay, but for want of the wherewithal to carry out his experiments the system remained in the embryo of the future till developed by Marconi.—The People's Journal, Scotland.

ALL THIN, PALE WOMEN

Can Learn the Cause of Their Nervous, Used-up Condition.

With women, ill-health is usually traceable to nerve exhaustion. Feeling run-down and tired most of the time is nature's warning that more nerve-force is required.

You must build up, nourish the body, vitalize the nerves, get more flesh and blood.

It's the abundant nutriment and building material in Ferrozone that enables it to cure so many sick women. It increases the appetite, adds weight and strength, restores lost color and develops a surplus of energy and nerve force that defies sickness of any kind. There is living proof in Mrs. Daniel Ferguson, Jr., of Prescott, Ont. Read her statement:

"A year ago my health failed. I grew thin and exceedingly pale. At times I was prostrated with nervous and sick headache. All day I was tired. At night it was difficult to obtain restful sleep. My appetite was variable and indigestion bothered me considerably. I became, morose and suffered from heart palpitation. You could scarcely believe the benefit I derived in one week from Ferrozone. Color came back to my cheeks. My vitality and appetite increased, renewed nerve force and better spirits came also. Ferrozone did a world of good and made me well."

Remember this: No alcoholic stimulant can nourish and build up like Ferrozone. Fifty cents per box or six boxes for $2.50. At all dealers, or N. C. Polson & Co., Kingston, Ont., and Hartford, Conn., U. S. A.

An Easy Way to Cure Splitting Headaches.

If headache sufferers would do a little hard thinking, they would surely learn that headaches of all kinds are simply results—warning signals—of far more serious trouble. Usually headache means that the blood and nerves are poisoned by an inactive and sluggish liver. Don't become one of the habitual headache sufferers, who explain their condition by saying, "Oh, I am subject to headaches. I always get headache if I get excited, or it is too noisy." There is no need of it, either. Stop taking headache powders and powerful drugs that may relieve, but leave you in worse condition in the end. Put your liver in good shape, so that it will carry off foul secretions and remove properly the bile elements from the blood. Use Smith's Pineapple and Butternut Pills and you won't have headache. Why? Just because these little pills are Nature's true laxative, and a positive cure for a torpid liver. They assist digestion, unload the bile ducts and cure headache by first removing the cause. Smith's Pineapple and Butternut Pills cure headache, constipation and biliousness in one night. Price 25 cents at dealers.
