

TAKE

AYER'S SARSAPARILLA

"Take Ayer's Sarsaparilla." We say it, and the doctors say it, too. Ask your own doctor about it. He probably has the formula. He can tell you just how it lifts up the depressed, gives courage to the despondent, brings rest to the overworked.

If your liver is sluggish, bowels constipated, tongue coated, better take one of Ayer's Pills at bedtime. These pills greatly aid the Sarsaparilla, and cure all liver troubles. Two grand family medicines.

The home of Donald McKinnon Buchanan setlement, Dundas, has been saddened by the death of his son, Daniel, who died in Boston on the 16th, inst., after a lingering illness of nearly three months, in the 24th year of his age. The remains were brought over from Pictou to Georgetown on the Staeley last Saturday, accompanied by a brother and brother-in-law from Boston, and were laid to rest in Dundas cemetery on the 24th inst. He was a young man of exemplary character, much esteemed by all who knew him for his many amiable qualities. The bereaved parents, brothers and sisters, have the heartfelt sympathy of the whole community in their deep sorrow.

The concert and entertainment, under the auspices of both Winslow South and North choirs, took place in the Hall as advertised on Wednesday, 18 inst. It was a decided success and on all sides could be heard people loud in their praises of the highly creditable manner in which they had been entertained by the children. For fully two hours and a quarter they held the undivided attention of the audience and even then the people were sorry that the program was finished for they enjoyed selection after selection. An entertainment of this kind is one of the great means by which children can be taught to express themselves properly in public. Every item of the program was so well rendered that it would be utterly impossible to discriminate. Rev. Joseph Parkins acted chairman in his usual pleasing manner. The proceeds amounted to \$14.00.

The Jerry From Kerry Co., presented its first bill on the boards of the Academy of Music, Saturday evening, and drew quite a large audience whose appreciation of the performance was evinced by frequent applause. The Company is well balanced and presents an interesting and a birth-making show from start to finish. The performance is a continuous one and devoid of any tiresome waits or intermissions. The specialties were exceedingly clever. Campbell and Fletcher, the acrobats, are about the best ever seen here, while Mr. Patten, as Jerry the Irish Comedian, presents a splendid make-up and is a very laughable character and was much applauded. The Orchestra selections were well rendered and all in all the Company is one of the best of its kind ever seen here. — Amherst News.

In this city on March 22nd after an illness of four weeks Mrs. Margaret J. Trainor, beloved wife of Peter Trainor, departed this life, at the age of thirty-seven years. Deceased was a very estimable lady, and highly respected by a wide circle of friends who will greatly regret to hear of her untimely demise. Among her many good qualities, kindness to the poor was most praiseworthy. Her noble, upright and unassuming disposition, her Christian virtues, and utter unselfishness should ever remain fresh in our memory and serve as an ideal for us all. To her husband and children the loss is irreparable; she has left a vacancy in the home which time cannot fill. A devoted wife and mother, she was attached to her family by the strongest ties of love and affection, never unmindful of the duties which her position called for, ever ready to make a sacrifice for their welfare. It was most fitting that such a life adorned with these Christian virtues should come to a happy termination fortified by the rites of her Holy Church. Her immortal soul obedient to the call of its Maker has left its earthly habitation to enjoy an eternal abode in Heaven.

Ten Months of Peace After Dreadful Suffering.

Operations are becoming a fact; every young man, as soon as he is graduated from a medical college, considers himself capable of undertaking the most serious and complicated surgical work, and hundreds of lives are sacrificed annually to this mad frenzy of incompetent men, to rush into work which should only be undertaken as a last resort and then only by the most experienced and careful surgeons.

It is a pleasure, in view of these facts, to read the following letter from a woman who has been saved from one of these dangerous operations. "I know I should have informed you long ago regarding my case of piles and the good done me, and I believe I am cured. Last December I sent for your book. I have never been bothered since then, and before I had suffered for the last eleven years, and at the time I wrote I had given birth to a child, and they came down with the delivery of the child by the hand of I could not get them back and I suffered everything; and the doctor said nothing but an operation would ever relieve me; but I read of your remedy in our daily newspaper and I let my husband to get me a box and I would give it a trial before consenting to the knife, and thanks be to your wonderful medicine, I was saved from the operating table.

Every person suffering from piles that my husband and myself hear of, we recommend your wonderful medicine. I just used one \$1.00 box of Pyramid Pile Cure, and two boxes of Pyramid Ointment and two boxes of Pyramid Pills and I was, I hope, completely cured. If they ever show the slightest return I will certainly get some more medicine, but I hardly think I will need any more for it will be a year the 8th day of December since I had them and that makes it ten months and past now. Thanking you again and wishing you abundant success, I remain Mrs. S. Hodgson, 105 W. 11th St., Des Moines, Iowa."

Pyramid Pile Cure is sold by druggists for fifty cents a package or will be mailed to any address upon receipt of price, by Pyramid Drug Co., Marshall, Mich. Write this firm for little book describing the cause and cure of Piles.
