Trotting race record 2:11 1/2

This highly bred and beautiful Trotting Stallion will be for service at Park Stables, Euston St., Charlottetown season 1911 at a fee of Ten dollars cash or note at time of first service. Return privilege free till mares prove in foal. Border has no equal in Maritime Provinces and no superior in America as a sire of beauty, individuality and speed, opportunities considered. His fee has been placed at a figure that no breeder however careless or indifferent can afford to overlook who has his own interest at heart. Border's colts last year in fifteen stalls won eleven firsts three seconds, and a third. They are grand size, beautiful in appearance, fast and sound, and resemble him in appearance to a remarkable degree. He himself has never known defeat in Canada or on a half mile track, he having taken the world's record for green trotters on a half mile track. He has won eighteen first prizes and diplomas and one second in the show ring and his colts have been winners whenever shown. For further particulars apply to D O'Brien Park Stables or H. C. LYDIARD, Owner.

A despatch from Fredericton, N. B. dated June 6 says Rev. W. W. Brewer, of St. John, was thrown from a carriage at Marysville this afternoon and sustained painful injuries. He came up from St. John to attend a funeral, and upon his return from the cemetery the accident occurred. As he was driving near the railway station, in company with Gordon Wade, the horse took fright at a box car and bolted, throwing the occupants of the carriage out. Mr. Brewer received a bad shaking up and was cut about the face. Those who witnessed the accident consider it remarkable that he was not killed. His injuries while very painful, are not of a serious nature. He had intended returning to St. John this evening, but on the advice of his physician has decided to remain over for a day or two. Mr. Brewer is well known here.

The marriage was celebrated Monday morning at 8 o'clock of Miss Ter of W. E. and Mrs. Bagnall, to James Arthur Rodd of the marine and fisheries department, son of Walter Rodd of Brasley Port Road, P. Miss Ethel Bagnall was bridesmaid for her sister and W. E. Wells was best man. The bride looked very charming in her traveling gown of Wedgewood blue broadcloth trimmed with Dresden silk outlined in applique of blue and gold, a blouse of white nixon embroidered in shades of blue to match and blue straw hat with large white ostrich pom-pom. She carried a bouquet of bridal roses and maidenhair fern. The bridesmaid wore a pretty lace gown of white embroidered with white lace and had a large white hat trimmed with pale blue ribbon. She carried pink carnations. The wedding ceremony, adjourned to Mr. Bagnall's apartments in The MacKenzie where a wedding breakfast was served on a table decorated with white carnations and sweet peas. Mr. and Mrs. Rodd, left on the 10.40 train for Toronto, the Great Lakes and western cities and on their return will reside in Ottawa. Among the many beautiful gifts received were a cabinet of table silver and a set of carvers from the marine department.—Ottawa Citizen. (The Guardian extends best wishes to the newly wedded couple.)

OPERA HOUSE JUNE 16 & 17

A significant feature of the overwhelming success in New York of the new musical production "Madame Sherry", is the lavish praise the theatrical reviewers, excerpts from which follows:

"Herald"—Welcomed with laughter and applause. It rivals "The Merry Widow", and is one of the best musical shows seen in New York in oh! ever so long!" World—"Easily the brightest and most diverting musical production New York has seen in many a day, or is likely to see in as many more. At last a musical show that's novel." American—"A new 'Merry Widow'." Sun—"Audience applauded every musical number and laughed at everything the comedians plainly labeled as a merry jest." Tri-bune—"All the restaurants will be playing the score in a week." Telegraph—"Registered a real success." Times—"A gay French vaudeville. Another very important thing about it is that although it has stars, a great many other people have a great deal to do." Post—"Audience could not help humming the score, and it was heard in the cars and in the subway long after the curtain fell." Telegram—"The funniest musical play that has come to town for a long time." Journal—"Nobody can get enough of it." Globe—"Twenty-two numbers make up a feature list of a dazzling, dashy nature." Evening World—"A younger sister of 'The Merry Widow'. Likely to stay the season out in New York. Huge audience fairly yelled its approval." Mail—"Madame Sherry's music will go to your toes." Even- ing Sun—"Madame Sherry" is the talk of the town. Every little movement has a meaning all its own. It is bound to be as great an epidemic as
