Last week a young man named Michael Kinella, better known as "Corporal" so it is alleged, ran away with a married woman, the mother of eight children. Together they went to Pictou from which place on Friday a telegram was received from the Mayor and were being held pending instructions. The woman is alleged to be a very hysterical subject, and furthermore it is charged that she is the victim of drugs. Her husband who is a deservedly respected member of the community is much to be pitied as he is evidently the victim of cruel circumstances. There is no known reason why the woman should behave as she has done, save that she is temporarily out of her mind.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J.
