Fresh From the World's Fashion Centres

Where the brightest brains and nimblest fingers have been at work come our NEW FALL JACKETS for Ladies and Children. We haven't been saying very much about them up to the present, because we had so many nice new things to tell you of, in this small space, that we couldn't find room, but if we haven't the Ladies-(bless their hearts-or their tongues) have been doing it for us, so that it is now a pretty well known fact that, for quality, style, fit and price, ours take the palm. We could take two ciphers and put any figure from 1 to 9 before them to convey the number of jackets in stock, but we do not mean to build up our jacket trade at the expense of our veracity, but rather on our veracity itself. The simple fact remains, the jackets are here, hundreds of them, and to any lady who can honestly say she has seen a prettier, more stylish or more moderate priced assortment in Charlottetown we will give a jacket free-and we do not figure on having to bestow many either. We invite comparisons, as we know they will prove complimentary to our stock. A radical change in styles, is one of the features to be noted in the jackets this season, and withal the styles are so varied, that each individual taste can be gratified, and you can choose a loose, a semi-fitted or a fitted coat and still be in accord with Dame Fashion. However, almost all kinds show shoulder capes of some design. We specify just a few: Nice grey Freize, velvet collar, \$5.50. Grey Freize, strapped with silk, semi-fitted, fancy cape, \$6.75. Handsome fawn coat, fancy cape collar, self strapping, gilt buttons, \$11.25. Very handsome coat, strapped with satin, fancy bretelles over shoulders, \$14.25. Grey camels hair effect, red plush collar and cuffs, very nobby, \$16.25. Handsome navy coat, trimmed with gold and black braid, fitted, shoulder cape, \$16.75. Navy blue Military Coat, lined with satin, gilt buttons, \$19.25. Beautiful fawn Military Coat, collar and cuffs inlaid with velvet, satin lined, \$20.00 and so on. But if you really want to see the latest coats with the last lingering touches of Dame Fashion on them, come in and let us show you ours.
