JUST A REMINDER.

Let Us May be Deceived by Dealers Who Offer You Substitutes and Imitations of Dr. Chase's Syrup of Linseed And Turpentine.

Cough mixtures are legion. Nearly every dealer has some preparation of his own to offer.

Thorough cures for coughs and colds are rare, and when you find a medicine that you can rely on for such affections, as well as group, whooping cough, bronchitis and asthma, you do well to stick to it.

Dr. Chase's Syrup of Linseed and Turpentine has by far the largest sale of any such remedy on the market, and as the demand increases by leaps and bounds every year we believe that this is due to the peculiar merits of this preparation.

You only need to be reminded that it is sometimes necessary to insist on getting what you ask for. Dealers have other preparations of linseed and turpentine put up to look as nearly as possible like Dr. Chase's and because of larger profits may try to induce you to try the imitation.

There is one way to be sure, and that is by seeing the portrait and signature of Dr. Chase on the wrapper.

Do not be contented to take any preparation offered you because it is "only a cold." Colds lead to the most fatal diseases, and you cannot afford to take risks with new and untried treatments.

From childhood to old age, from the time when croup threatens, the baby's life until the aged mother or father are victims of asthma, Dr. Chase's Syrup of Linseed and Turpentine is the most effective treatment obtainable; 25c a bottle, at all dealers, or Edmondson, Bates & Co., Toronto.

CANADIANS WERE NOT SATISFIED. HALIFAX, Jan. 28.—The South African veterans who arrived here on the steamship Pectoria from Liverpool, report that the Canadian members of the South African Constabulary were not satisfied with the treatment accorded them.

TORONTO, January 28.—At a meeting of the Legislative and Reception Committee of this city Council a resolution moved by Mayor Urquhart was adopted, recommending that the Legislature be asked to grant municipal franchise to married women on the same terms as it is now enjoyed by widows and spinsters.
