HEALTH INSURANCE!
By taking a good tonic now, you can insure yourself against winter colds and other winter ills. Don't buy Cod Liver Oil and other Vitamin preparations on price alone. Cheap medicine is always expensive and a good tonic is usually worth what you pay for it. Our prices are as low as any, lower than most, and we recommend only those preparations which we believe to be of the highest standards of purity.

Presenting THE NEW ENTERPRISE "CAVALIER" Balanced-Beauty Range

ENTERPRISE again leads with the year's finest range—the new "Cavalier". Striking an entirely new note in range design, the balanced beauty of the "Cavalier" will give style to any kitchen.

SEE THESE REVOLUTIONARY FEATURES
Never before has a range combined attractive appearance with such practical efficiency as you will find in the "Cavalier". It sets an altogether new standard of range utility. Two spacious, porcelain-lined cabinets contain hooks for saucepans, closet shelf and handy door shelves, with ample warming space. It is also equipped with an easy-vision eight-day clock, separate "minute-minder" alarm, built-in light, and a 4-piece condiment set. All highly practical features that save time, and make cooking easier and more successful.
The "Cavalier" is made in two models: with or without reservoir, or with high closet in place of cabinet. Both have large firebox for quick heating; convertible for wood, coal or oil. Heavy ivory porcelain enamel finish, with chrome fittings, and velvet polished top. If desired, can be equipped with two electric top elements. Fully enamelled spacious oven.

Extra Value Features You'll Find in all Enterprise Ranges
SPEEDHEAT STREAMLINED FLUES — quicker heating. FLAME-SEALED JOINTS — no waste of heat, saves fuel. ANCHOR-TIE-UP CONSTRUCTION — strength to resist heat strain. "INTENSIFIER" RING on every cover — speeds up top cooking. 10-YEAR REPLACEMENT GUARANTEE on covers. "MAGICOOK" OVEN — clean bright and well ventilated. CLEAR VISION THERMOMETER — accurate and easy to read. INSULATED DOOR HANDLES — do not get hot.
Favorite range in Canadian homes — Enterprise is backed by 49 years experience in making high-grade ranges. Go to any Enterprise dealer and see the big selection of unusually good values. Any model on monthly payments — and the satisfaction of knowing you have the finest range made.

Card Of Thanks
Mrs. Walter McEntee wish to gratefully acknowledge with heartfelt thanks, the many acts of kindness and thoughtful expressions of sympathy by Rev. Father Croken, Rev. Father Gillis, the kind Sisters and Nurses of the City Hospital. Also Dr. McMillan and Dr. Farmer of Mt. Stewart, all neighbours, as well as all who sent Mass Cards and Letters of Sympathy. CONNECTICUT'S NOTED NEGRO TENOR.—Mr. Curtis M. Saulsbury, an artist possessing a dramatic ability and cultured voice who preaches a gospel message in song sang in the Kingston Baptist Church. Mr. Saulsbury delighted his listeners with a unique style of presentation inspiring all to enjoy a most profitable evening of sacred music. The artist sang in sequence three groups of three songs with a pleasingly powerful and stirring tenor voice, each group expressing most dramatically his evangelical message. Mrs. Everett Holmes, organist of Kingston Baptist Church, played Mr. Saulsbury accompaniments. Mrs. Holms is to be highly commended on her fine work. The song groupings were: Balm in Gilead; Burleigh; Steal away, Dear; In a Shinning Pathway. Lozier; The Beautiful Garden of Prayer; Filmore; Lord I Want to Be a Christian, arr. by Saulsbury; Leave It Three; Pindlay; Were You There, Johnson; Never a Place like Calvary; Harkness; Rock of Ages; Harkness. The Rev. B. G. Munzer, Pastor of the Kingston Baptist Church, conducted the service.

Gasoline Use
Increases 150 P. C.
More evidence of the importance the oil industry has assumed in the transportation industry of the nation, is seen in the periodic reports of the Dominion bureau of statistics.
Gasoline consumption in Canada during February was 7,000,000 Imperial gallons or 28.9 percent higher, and in January 6,100,000 gallons, or 21.9 percent higher than during corresponding months of last year.
Some of the provinces this year showed increases in consumption several times over the consumption last year. Prince Edward Island increased nearly 150 percent in February and in January nearly 400 percent over corresponding months of last year.
New Brunswick increased 92 percent in February and 112.6 percent in January. Ontario, the largest gasoline consuming province, increased 26 percent in February and 23.5 percent in January.

Announcement
THE LYONS COAL COMPANY
(J. C. MORAN)

We wish to announce to the public that we are taking over the premises now occupied by Messrs. C. Lyons & Company, and will continue to carry on the coal business formerly conducted by that firm.

We will be prepared to meet your every demand, as we will carry a large variety of coals suitable for every purpose, at prices that will mean a saving to you.

We will put forth every effort to merit a continuance of the patronage of the customers of the old firm, and we solicit, and will greatly appreciate, the patronage of new customers.

Over a period of fifty years, the firm of C. Lyons & Company have built a strong reputation in the coal business, and it will be our constant aim to hold that same reputation for the new firm.

We will thank you for the opportunity of serving you in supplying your coal requirements for the coming winter.
